

## RESOLUTION 58-09-21

**A RESOLUTION OF THE TOWN COMMISSION OF THE TOWN OF LAKE PARK, FLORIDA, MAKING SEPARATE AND SEVERAL APPROPRIATIONS FOR ITS NECESSARY OPERATING EXPENSES, THE EXPENSES OF THE VARIOUS FUNDS AND DEPARTMENTS OF THE TOWN FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2021, AND ENDING SEPTEMBER 30, 2022, AND PROVIDING FOR THE EFFECTIVE DATE THEREOF.**

**WHEREAS**, pursuant to Article VIII, §2 of the Florida Constitution the Town of Lake Park has the governmental, corporate and proprietary powers to conduct municipal government; and

**WHEREAS**, pursuant to Section 166.241, Florida Statutes, each municipality in the state of Florida is required to establish a fiscal year beginning October 1 of each year and ending September 30 of the following year and shall adopt a budget each fiscal year.

**NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COMMISSION OF THE TOWN OF LAKE PARK, FLORIDA, AS FOLLOWS:**

**Section 1.** As hereinafter stated in this resolution, the term "fiscal year" shall mean that period of time beginning October 1, 2021, and including September 30, 2022.

**Section 2.** The revenues hereinafter incorporated by reference shall be, and the same hereby are, appropriated to provide the monies to be used to pay the necessary operating and other expenses of the respective funds and departments of the Town of Lake Park for the above described fiscal year.

**Section 3.** Sums hereinafter incorporated by reference listed as operating and other expenses of the respective funds and departments of the Town shall be, and the same hereby are, appropriated and shall be paid out of the revenues herein appropriated for said fiscal year.

**Section 4.** The revenues and the expenses for which appropriations are hereby made, all set forth above, shall be as follows:

- A. As set out in the amended proposed Town of Lake Park General Fund Budget as on file in the Office of the Town Clerk of the Town of Lake Park.
- B. As set out in the amended proposed Town of Lake Park Debt Service Fund Budget as on file in the Office of the Town Clerk of the Town of Lake Park.
- C. As set out in the amended proposed Town of Lake Park Insurance Fund Budget as on file in the Office of the Town Clerk of the Town of Lake Park.
- D. As set out in the amended proposed Town of Lake Park Special Projects Fund Budget as on file in the Office of the Town Clerk of the Town of Lake Park.
- E. As set out in the amended proposed Town of Lake Park Streets and Roads Fund Budget as on file in the Office of the Town Clerk of the Town of Lake Park.
- F. As set out in the amended proposed Town of Lake Park Marina Fund Budget as on file in the Office of the Town Clerk of the Town of Lake Park.

- G. As set out in the amended proposed Town of Lake Park Stormwater Fund Budget as on file in the Office of the Town Clerk of the Town of Lake Park.
- H. As set out in the amended proposed Town of Lake Park Sanitation Fund Budget as on file in the Office of the Town Clerk of the Town of Lake Park.

**Section 5.** The sums hereinbefore incorporated by reference based upon departmental estimates prepared by the Town Manager and the Finance Director shall be, and the same hereby are, fixed and adopted as the budget for the operation of the Town of Lake Park Government and its other enterprises for the fiscal year beginning October 1, 2021.

**Section 6.** The Annual Budget establishes limitations on expenditures by fund and by department within funds, and the total appropriation of each fund may not be increased or decreased without specific authorization by a duly enacted resolution effecting such amendment or transfer. However, specific activity and department amounts may be exceeded upon authorization of the Town Manager so long as excesses exist in other activities within said fund budget. Notwithstanding the forgoing, the Town Commission shall approve by resolution the transfer of all appropriations in excess of \$10,000 and all transfers from the Town's Unassigned Fund Balance Account or the Town's Contingency Account;

**Section 7.** The Town of Lake Park adopts the provisions of Florida Statutes 200 which provides for the expenditures of monies for the fiscal year based upon the proposed budget approved by the Town Commission of the Town of Lake Park.

**Section 8.** This Resolution shall take effect immediately upon adoption.

THE REST OF THIS PAGE HAS BEEN LEFT BLANK INTENTIONALLY.

The foregoing Resolution was offered by Commissioner Michaud who moved its adoption. The motion was seconded by Commissioner Flaherty and upon being put to a roll call vote, the vote was as follows:

	AYE	NAY
MAYOR MICHAEL O'ROURKE	<u>  /  </u>	<u>  </u>
VICE-MAYOR KIMBERLY GLAS-CASTRO	<u>  /  </u>	<u>  </u>
COMMISSIONER ERIN FLAHERTY	<u>  /  </u>	<u>  </u>
COMMISSIONER JOHN LINDEN	<u>  /  </u>	<u>  </u>
COMMISSIONER ROGER MICHAUD	<u>  /  </u>	<u>  </u>

The Town Commission thereupon declared the foregoing Resolution No. 58-09-21 duly passed and adopted this 21 day of September, 2021.

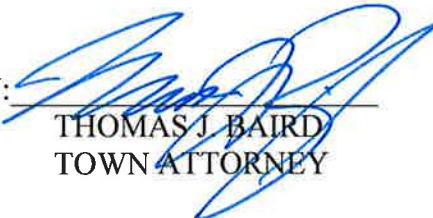

TOWN OF LAKE PARK, FLORIDA

THOMAS J. BAIRD  
TOWN ATTORNEY

**Town of Lake Park Proposed 2021 - 2022 Budget**

Office of the  
Town Manager

September 10, 2021

**Re: Budget Transmittal Letter**

Dear Mayor Michael O'Rourke, Vice Mayor Kim Glas-Castro, and Members of the Town Commission and the Residents of Lake Park:

The Budget Transmittal Letter highlights the Operating and Enterprise Budgets changes for the 2021-2022 Fiscal Year.

**Budget Process:**

The budget process starts with the submittal of department initiatives on May 7, 2021. Budget initiatives may result in budget increases if incorporated into the operating budget. Budget initiatives originate with Department Directors and provide a snapshot of what departments need to increase or enhance program services. Budget initiatives are important to department heads because they need additional resources to manage their departments properly.

The operating budget for the 2021-2022 fiscal year is balanced. If the Town Commission decides to reduce the millage rate below the 5.3474 rates, additional budget cuts will be necessary. The millage rate has remained the same at 5.3474 for the past six years. The Fire MSTU remains at 3.4581. Together, the total millage rate is 8.8055, which is subject to change by vote of the Town Commission. The state has capped the millage rate at \$10.00 per \$1,000. The millage rate will raise \$4,181,539 in budget revenue. The increase in budget revenue is due to the rise in property values. Property value increases will increase \$232,132 in new property value revenue to support a budget of more than \$10,430,281. The revenue difference comes from other revenue sources outside of the millage rate. Those budget revenue sources are essential to balance revenues with expenditures.

Again, rather than focus on budget numbers, the budget message will focus on what residents can look forward to in this budget cycle concerning programs, services, infrastructure, budget highlights. The budget is subject to change and is a fluid planning document of priorities the Town hopes to accomplish between October 1, 2021, and September 31, 2022.

The financial outlook for the Town continues to improve. We continue to provide a myriad of public services to our residents. Over the past few years, young families have moved into Lake Park. Young families continue to move to Lake Park. They see a desirable, affordable community that is on the move. Lake Park is seen as an eco-friendly municipality with the Town Commissions' commitment to providing green infrastructure solutions in bio-swales to rain barrels and rain gardens to counter the increasing threat to sea-level rise. We are a walkable, bike-able community in which sidewalks and own in more significant numbers. We must provide families with the services they desire to remain a livable community. Our vision resonates with young families and is evident in the number of young families moving into the Town of Lake Park.

Nautilus 220 is scheduled to break ground around October or November of 2021. The investment of \$180 million will increase developer interest in the US Federal Hwy corridor. In addition, this development will diversify our tax base and increase revenue at a time critical to our community's financial future. Still, our neighbors to the south, Riviera Beach, are seriously looking to replicate similar projects along the US One corridor.

[www.lakeparkflorida.gov](http://www.lakeparkflorida.gov)

The library laptop kiosk is fully operational, allowing library patrons to use their library cards to take out laptops for up to 4 hours. Fifteen users can take out laptops and for use within the library.

### HOMESTEAD EXEMPTION:

Homestead exemptions provide a total tax break of \$708,529.00 to qualified homeowners each fiscal year. The exemption reduces total revenue to the Town.

### WHAT THE BUDGET WILL PROVIDE TO RESIDENTS AND BUSINESSES:

#### CAPITAL PROJECTS:

- The Lake Shore Drainage project will be complete by December of 2021. The drainage project will include green infrastructure in the form of bioswales that will naturally filter significant amounts of water from the Town's drainage system before it discharges into the Intracoastal Waterway (Lake Worth Lagoon). The total project cost is approximately \$6.5 million (including the \$1.1 million costs to Seacoast Utility for water and sewer upgrades). The actual drainage cost is \$5.4 million. Funding will come from FEMA (\$3.4 million) and One-Cent Sales Tax (\$2.0 million). THERE WILL NOT BE A SPECIAL ASSESSMENT FOR THIS PROJECT. The financial structure of this project saves taxpayers about \$5.4 million by not implementing a special assessment for the drainage work. A redesigned streetscape with west side parking, wider sidewalks, and period lighting will be part of the project.
- Our infrastructure is as old as the Town of Lake Park, which was founded in 1917 and incorporated in 1923. Unfortunately, for years, both the Town Administration and the Town Commission failed to update the drainage infrastructure and extend drainage to other areas of the Town. This year, we plan to spend \$163,794 in stormwater funding to upgrade Town stormwater infrastructure. Funding for the projects will come from the Stormwater Enterprise Fund.
- CDBG funding will fully equip Lakeshore Park with over \$450,000 worth of playground equipment. The Administration combined two years of CDBG grant funding and will match funds totaling \$450,000 to construct and provide rubberized play area surfaces around the equipment. We will also build a splash pad for families to use in the park.
- The Commission selected a P3 consultant (Public-Private Partnership) for the Lake Harbor Marina project. The Town will pay the consultant \$375,000 to work with town staff and the P3 selected partner. The Marina will implement the Town Commission's vision to upgrade the aging facility to a resort-style Marina and expand the Marina to accommodate larger vessels by leveraging private sector dollars. The Public-Private Consultant and the Town Manager will negotiate a Public-Private Partnership Agreement to be executed by the Town Commission to achieve the vision. The consultant will manage the upgrades to the Marina, as well. The Town's portion of the cost totals \$375,000 for consultant services. The construction phase will require the private partner to pay some amount. The Marina will remain a public marina. The land will be owned by the Town but managed by the private partner. Access to the water from the Marina will remain open to the public. Boat access to the water will be from a public boat ramp (which might be relocated to a new location). In addition, Nautilus 220 plans to build 100 parking spaces for public access to the Marina.
- The \$1.8 million in public improvement funds from Nautilus could upgrade existing assets in the two parks. For example, the Town plans to refurbish all existing tennis courts. In addition, staff will discuss sports lighting and the replacement of existing fencing with the Commission. The vendor and the town plan to use funds reserved by the vendor to construct two pickleball courts by converting two of the four existing upper tennis courts. Therefore, two courts will remain tennis, and two tennis courts will become pickleball courts. Some funds for the work are suggested to come from Nautilus 220 public improvement funds.

### CRA BUDGET:

The CRA budget benefits residents and businesses within the CRA district. The ad valorem taxes paid to the CRA from the County is \$521,178. By State Statute, the Town must contribute \$959,790 to the CRA, for a total of \$1,480,968. The budget will fund landscaping services, decorative displays, new street lighting, and business

development grants totaling \$330,237 as well as grant incentives totaling \$135,000, of which \$50,000 completes our commitment to Dedicated IT and for businesses to relocate or expand within the CRA boundaries. The CRA budget this year proposes to hire a landscape architect to upgrade all existing CRA landscape. New sidewalks and period lighting are in the plans. The funding will come from this year's budget, plus additional funds will need to be carried forward to complete the work. The last CRA landscape and lighting upgrade, including sidewalks, was completed over twenty years ago. Funding for the upgrades will come from reserves and budgeted funds. The cost has not been determined. However, the CRA will better understand the total cost and amount of funds needed from previous budget years once bids are received and selected by a contractor. The appropriation in the CRA budget is \$280,000 to commence the improvements in FY 21-22. In the upcoming fiscal year, the CRA Board of Directors will recommend the Town Commission to increase density in the PADD. The PADD will be expanded north on 10<sup>th</sup> Avenue to encourage business expansion and development. Landscape improvements, period lighting, and new sidewalks will include the expanded PADD district in the scope of improvements for FY 21-22.

Funding from reserves will be set aside to hire a consultant to complete a new CRA Master Plan. The reserve balance in the CRA is \$469,578. Thus, sufficient funds are available to meet the initiatives outlined in discussions with the Board of Directors. For example, the available balance also pays off the debt on the 800 Park Avenue Arts building. Debt payment in full will relieve the CRA from the restrictive use covenant in the bond language.

The CRA continues the marketing campaign for Live, Work, and Recreate within the district.

#### **ONE CENT SALES TAX REVENUE:**

Sales tax revenue passed by Palm Beach County residents benefits the Town of Lake Park through supplemental funding for road construction projects, road work, and related infrastructure purchases, drainage, and including surveillance cameras and license plate readers with a five-year or greater life expectancy. The Town received to date \$2,707,867 in surtax funds. The balance remaining the Town expects to receive is 2,292,133.

#### **ENTERPRISE FUND BUDGETS:**

##### **Public Works Department Streets and Road Fund Budget:**

The Public Works Department and Road Fund Budget will receive an increase in funds. The Auditor instructed the Finance Department to use reserves to satisfy an outstanding obligation from the Streets and Roads budget. Several years ago, the Marina required funds from Streets and Roads. Today, the Marina fund continues to run a deficit and to satisfy Marina's outstanding obligation to the Streets and Roads budget. The Auditor required the Town to use reserves from the General to fulfill that obligation. The excess funds of \$400,000 will be used to fund road repairs in the amount of 50,000 and \$60,000 to fund sidewalk repairs. From the \$400,000, the Streets and Roads budget is carrying forward \$207,259 to balance the budget. With the increase in funding, the Town expects to repair roads and increase the number of sidewalk repairs during this budget period (October 1, 2021, through September 30, 2022).

##### **Marina Fund Budget:**

The Marina Fund continues to show a deficit outside of the unexpected pandemic-related closure of the Marina. However, funding from the American Recovery Act will assist the Marina in making up for lost revenue due to the pandemic. The Marina also has funds to spend from Hurricane Irma to repair damaged docks due to the storm by the end of September 2021. The Marina has a new Marina Director who has over thirty years of experience managing marinas. The initiation of a P3 partnership on the immediate horizon will bring private dollars to the table to improve and expand the Marina. The Marina needs an infusion of private capital to expand Marina and create a resort-style marina accessible to the public. Large-scale capital projects will become a reality through the P3 partnership. The Town Commission will choose a Private partner for the Marina in early October of 2021. The expansion of the Marina will be necessary to maintain a greater degree of profitability for both the Town and the P3 partner.

##### **Stormwater Utility Fund Budget:**

Green infrastructure is financed with Federal and State Grant funds to expand bioswales, rain gardens, and rain

barrels. The ability to retain at least 10 percent of our run-off will ensure the Town's sustainability as the level of our waterways continues to rise. As part of the master plan for drainage, the underground areas of our parks will serve as underground chambers that will filter and clean water discharge through a series of bioswales and eventually into the Intracoastal waterway. The Lake Worth Lagoon is a protected water body source. As such, any construction improvements to the drainage system will require some form of treatment. To rely upon a tree and shrub-rooted bioswale system is as close as we can get to green infrastructure. The Commission's decision to create a Master Drain System built on the promise of bioswales and rain gardens will make the Town's sustainability into the year 2070. Three fiscal years ago, the Commission voted to increase the Stormwater Utility Fund. As a result of the Commission's leadership decision, we can implement significant green infrastructure projects to improve drainage and filter drainage discharge and receive grant funds to construct the entire system.

By adopting a Green Infrastructure initiative consisting of bioswales, rain gardens, and rain barrels, the Town is in a unique position to continue to receive Federal and State Grants to design and construct our Master Drainage Plan.

Finally, we will begin expanding our existing drainage infrastructure to those areas of Town without drainage for the first time. The implementation by the Commission vote of the Master Drainage Plan is underway. Over the next ten years, we plan to achieve drainage resiliency in the most bio-friendly green infrastructure way. Bioswales, rain gardens, and rain barrels will hold drainage water on properties throughout the Town longer, resulting in clean drainage discharge to the Lake Worth Lagoon.

The budget will allocate \$163,798 in funds focused on repairing and maintaining our existing drainage system. Whether for the lining of drainage pipes or the redesign of drainage under the Lake Shore Drive bridge, a second FEMA grant and FEMA design funds are available to help the Town with the next drainage phase of Lake Shore Drive. The Lake Shore Drive ongoing drainage project ends at the bridge. With the help of FEMA funds this fiscal year, the additional infrastructure work required to complete phase II is sure to include construction funds to complete the last phase of drainage work at the Marina.

#### **Sanitation Fund Budget:**

The Sanitation fund remains underfunded and will require a significant rate increase to continue to fund Sanitation at current curbside service levels. We expect to reduce curbside service levels over the next fiscal year without a rate increase to balance the Sanitation budget. We cannot continue to operate the Sanitation Fund with known revenue shortfalls. Such shortfalls occurred when the Town Commission voted a lower rate increase than required to operate the Sanitation services. To avoid reducing service levels at curbside in this fiscal year budget, staff proposes to use \$278,049 in reserves to fund the operating budget for Sanitation.

Staff identified a disparity in charges for multifamily homes that the Commission must correct in the next sanitation rate hearing. Multifamily homes are investment properties. As such, the current rate structure charges multifamily homes the same rate as single-family residential homes. As a result, the volume of curbside trash for multifamily homes is more significant than that for single homes. Finally, we must determine whether the current curbside service levels should remain. If so, the rate must be adjusted to reflect the current service levels charged by SWA. Finally, do residents desire to maintain the same level of service at curbside or not? If so, rate increases are required to maintain the current level of service. In the next budget, curbside service levels are in danger of being reduced if funding is insufficient to support the sanitation fund. Each year that we do not sufficiently fund sanitation means we are falling further behind in our ability to make up the difference between revenue and expenditures. Out of all the budgets that make up the operating budget for the Town, I am most concerned about the efficacy of the sanitation budget to meet current service levels.

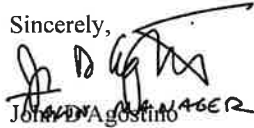

CONCLUSION:

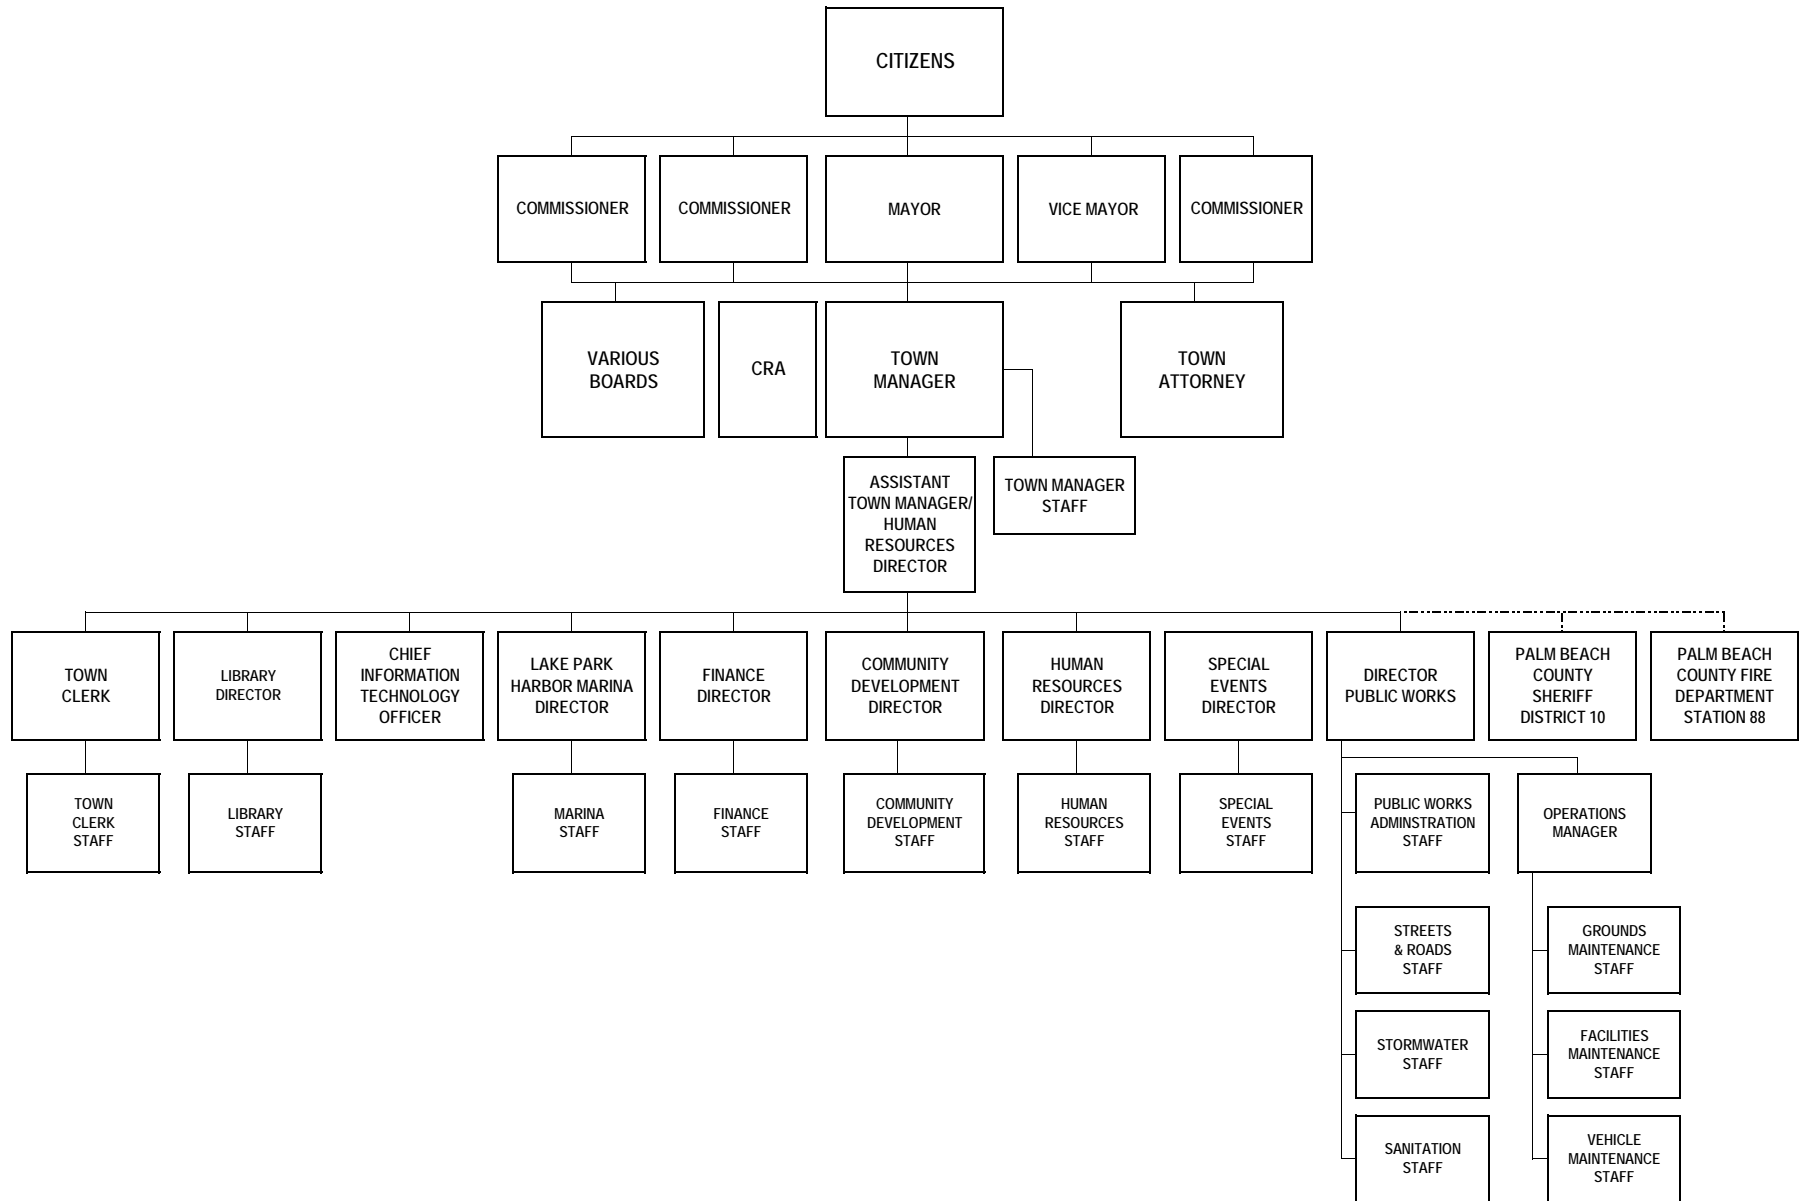

The new fiscal year 2021-2022 budget is balanced without significant changes in departmental service levels. The staff continues to look forward to working with the Town Commission. To further the goals and objectives of both the Commission and the Administration, we must together move the Town in a positive direction.

Staff would like to thank the Commission members for their insight, vision, and direction, as together, we have balanced the budget with the best intentions of the Town at the forefront.

Sincerely,

A handwritten signature in black ink, appearing to read "John Agostino". The signature is stylized and includes a long horizontal stroke at the end.

John Agostino
