PROJECT NUMBER 21-LSTA-B-05

LIBRARY SERVICES AND TECHNOLOGY ACT GRANT AGREEMENT BETWEEN THE STATE OF FLORIDA, DEPARTMENT OF STATE AND

Town of Lake Park for and on behalf of Lake Park Public Library

This Agreement is by and between the State of Florida, Department of State, Division of Library and Information Services, hereinafter referred to as the "Division," and the Town of Lake Park for and on behalf of Lake Park Public Library hereinafter referred to as the "Subgrantee."

The Subgrantee has met all eligibility requirements and has been awarded a Library Services and Technology Act Grant (CFDA 45.310) by the Division: grant number **21-LSTA-B-05** for the project "**Charging Stations**" in the amount of **\$6,174**. Federal funds are provided through the Library Services and Technology Act under Florida's long-range plan approved by the Institute of Museum and Library Services. State of Florida authority for this grant has been appropriated in the FY 2021-2022 General Appropriations Act on line 3095. The Division, as administrator of federal funds in accordance with Section 257.12, *Florida Statutes*, has the authority to administer this grant. By reference, the application and any approved revisions are hereby made a part of this agreement.

In consideration of the mutual covenants and promises contained herein, the parties agree as follows:

1. **Grant Purpose.** This grant shall be used exclusively for the "Charging Stations," the public purpose for which these funds were awarded:
 - a) The Subgrantee shall perform the following **Scope of Work**:

The Lake Park Public Library will acquire three stationary and two mobile charging stations that will allow patrons to easily charge their personal mobile devices in the library. Each charging station will accommodate eight (8) to fifteen (15) users. Stationary charging stations will be found in the children's and teen rooms, as well as in the main part of the library. Mobile charging stations will be located in the main part of the library and will also be used for programs in the Schuyler Room (a meeting room in the library) and the children's room.

Many library patrons do not carry their charging cords or plugs, and the library has a limited amount of cords and plugs to loan out. Smartphones and other handheld devices are used daily by almost everyone who visits the library, which means the batteries that power them are widely used. There are patrons who regularly visit the library to charge their devices. Providing a charging station will mean that children and others who need to call for rides will be able to use their own devices as needed to stay in touch with others.

In addition, charging stations will be very useful for emergency preparedness. The internet has become one of the primary means of residents contacting family members who reside outside the local (disaster) area. Having charging stations will mean that even if residents lose power in their homes and are unable to charge their devices, they will be able to visit the library to charge them in order to call, email, or use

social media to reassure their loved ones of their safety. Having internet access through a mobile device will also allow users to contact insurance companies, fill out forms, and be able to start to get their lives back to normal. The presence of charging stations at the Lake Park Public Library will ensure that anyone who needs to charge their devices during times of emergency will be able to do so.

All tasks associated with this project, will be performed by September 30, 2022.

- b) The Subgrantee agrees to provide the following **Deliverables** related to the Scope of Work for payments to be awarded.

#	Payment Type	Deliverable Description	Documentation	Payment Amount
1	Fixed Price	Lake Park Public Library will have developed Requests for Proposals (RFPs) for purchase of equipment.	To document evidence of completion of the deliverables Lake Park Public Library will provide copies of the RFPs issued.	\$3,087
2	Fixed Price	Lake Park Public Library will have: 1. Purchased and installed five (5) charging stations. 2. Developed publicity about the charging stations.	To document evidence of completion of the deliverables Lake Park Public Library will provide: 1. Invoices for the purchases. 2. Copies of publicity developed.	\$3,087
Totals				\$6,174

- c) The Subgrantee has provided an Estimated Project Budget (which is incorporated as part of this Agreement and titled Attachment A). All expenditures for this agreement shall be in accordance with this budget.

2. **Length of Agreement.** This Agreement shall begin on **July 1, 2021** and shall end **September 30, 2022** unless terminated in accordance with the provisions of Section 38 of this Agreement.
3. **Expenditure of Grant and Matching Funds.** The Subgrantee shall only obligate or expend grant or matching funds during the length of the agreement. No costs incurred after the ending date of the Agreement or other termination of the Agreement shall be allowed.
4. **Contract Administration.** The parties are legally bound by the requirements of this agreement. Each party's contract manager, named below, will be responsible for monitoring its performance under this Agreement and will be the official contact for each party. Any notice(s) or other communications in regard to this agreement shall be directed to or delivered to the other party's contract manager by utilizing the information below. Any

change in the contact information below should be submitted in writing to the contract manager within 10 days of the change.

The total grant award shall not exceed \$6,174 which shall be paid by the Division in consideration for the Subgrantee's minimum performance as set forth by the terms and conditions of this Agreement. The grant payment schedule is outlined below:
 - a) All payments will be made in the amounts identified with the Deliverables in Section 1 of this Agreement.
 - b) All payments will be made in accordance with the completion of those Deliverables.
6. **Electronic Payments.** The Subgrantee can choose to use electronic funds transfer (EFT) to receive grant payments. All Subgrantees wishing to receive their award through EFT must submit a Vendor Direct Deposit Authorization form (form number DFS-AI-26E rev 6/2014), incorporated by reference, to the Florida Department of Financial Services. If EFT has already been set up for your organization, you do not need to submit another authorization form unless you have changed bank accounts. To download this form visit myfloridacfo.com/Division/AA/Forms/DFS-AI-26E.pdf. The form also includes tools and information that allow you to check on payments.
7. **Florida Substitute Form W-9.** A completed Substitute Form W-9 is required from any entity that receives a payment from the State of Florida that may be subject to 1099 reporting. The Department of Financial Services (DFS) must have the correct Taxpayer Identification Number (TIN) and other related information in order to report accurate tax information to the Internal Revenue Service (IRS). To register or access a Florida Substitute Form W-9 visit flvendor.myfloridacfo.com. If the Subgrantee has not previously submitted a copy of the

Subgrantee's Florida Substitute Form W-9, a copy must be submitted with the executed Agreement.

8. **Changes to Project.** Should the Subgrantee wish to make changes to the outcomes, Scope of Work, equipment to be purchased, key personnel, expenditures or deliverables, the Subgrantee must request permission to revise the project. This is done by submitting a Change Request. Changes within a budget category that are more than ten percent (10%) of the award or that move funds from one budget category to another require submission of a Change Request. Approval must be obtained from the Division before the changes are implemented in the project. Approval will be granted for changes that are consistent with the intent of the approved application or prior Change Requests. Changes to the project must be requested using the Change Request in the DOS Grants System at dosgrants.com.
9. **Amendment to Contract.** Either party may request modification of the provisions of this Agreement by filing a Change Request with the Division. The Change Request must be submitted using the DOS Grants System at dosgrants.com. Changes that are agreed upon shall be valid only when amended in writing, signed by each of the parties and attached to the original of this Agreement. If changes are implemented without the Division's written approval, the organization is subject to noncompliance, the grant award is subject to partial or complete refund to the State of Florida and this agreement is subject to termination.
10. **Financial Consequences.** The Department shall apply the following financial consequences for failure to perform the minimum level of services required by this Agreement in accordance with Sections 215.971 and 287.058, *Florida Statutes*:

Payments will be withheld if the Deliverables identified in Section 1 of this Agreement are not satisfactorily completed.

11. **Grant Reporting Requirements.** The Subgrantee must submit a Mid-Year Report on or by **January 31, 2022**. The Mid-Year report must be submitted using the DOS Grants System at dosgrants.com. At the completion of the project, the Subgrantee must submit a Final Report on or by **November 1, 2022**. The Final Report must be submitted using the DOS Grants System at dosgrants.com.
12. **Matching Funds.** If a project is awarded less than \$10,000 (\$0-\$9,999) in grant funds or is a statewide project administered by a local organization as part of a Division statewide program, no matching funds are required. All other projects must provide local matching funds that equal a minimum of one-third (1/3) of the amount of federal grant funds awarded. Upon request, the Division will waive the financial matching requirements on grants for libraries located in counties or communities with rural status in compliance with Sections 288.0656 and 288.06561, *Florida Statutes*.

In addition, the following are not allowed as matching expenditures:

- Other federal grant funds.
 - Volunteer time.
13. **Grant Completion Deadline.** The grant completion deadline is **September 30, 2022**. The Grant Completion Deadline is the date by which all grant and matching funds have been expended in accordance with the work

described in the Scope of Work as detailed in the Estimated Project Budget.

- 14. Acknowledgement of Grant Funding.** Both the Institute of Museum and Library Services (IMLS) and the Division require public acknowledgement of Library Services and Technology Act (LSTA) grant funding for activities and publications supported by grant funds. Any announcements, information, press releases, publications, brochures, videos, webpages, programs, etc. created as part of an LSTA project must include an acknowledgment that LSTA funds were used to create them.

Use the following text:

“This project was funded under the provisions of the Library Services and Technology Act from the Institute of Museum and Library Services. Florida’s LSTA program is administered by the Department of State’s Division of Library and Information Services.”

Additionally, when the subgrantee issues statements, press releases, requests for proposals, bid solicitations and other documents describing the programs funded in whole or in part with federal money, all of the following must be clearly stated:

1. Percentage and dollar amount of the total costs of the program or project which will be financed with federal government money.
 2. Percentage and dollar amount of the total costs of the project or program financed with state government money.
 3. Percentage and dollar amount of the total costs of the project or program financed with local government money.
 4. Percentage and dollar amount of the total costs of the program or project financed with other non-governmental money.
- 15. Grant Expenditures.** The Subgrantee agrees to expend all grant funds received under this agreement solely for the purposes for which they were authorized and appropriated. Expenditures shall be in compliance with the state and federal guidelines for allowable project costs. State guidelines for allowable costs are outlined in the Department of Financial Services’ Reference Guide for State Expenditures (as of January 2020), incorporated by reference, which are available online at <https://www.myfloridacfo.com/division/aa/manuals/documents/ReferenceGuideforStateExpenditures.pdf>. Federal guidelines for allowable costs can be found at gpo.gov/fdsys/pkg/CFR-2014-title2-voll/pdf/CFR-2014-title2-voll-part200-subpartE.pdf in 2 CFR Part 200, Subpart E – Cost Principles (as of September 2019), incorporated by reference.

In addition, the following are not allowed as grant expenditures:

- a) Construction. Funds may not be used to build, remodel or expand library facilities. However, they may be used to retrofit a building to accommodate technologies (e.g., wiring).
- b) Audits. If the Subgrantee’s governing entity has received less than \$750,000 in federal funds, LSTA funds may not be used to cover audit costs.
- c) Food. Although food may be served at a program being paid for with grant funds, the food may not be purchased with grant or matching funds.

- d) Motor vehicles. Grant funds may not be used for the purchase or continuous lease of motor vehicles.
16. **Travel Expenses.** The Subgrantee must pay any travel expenses, from grant or local matching funds, in accordance to the provisions of Section 112.061, *Florida Statutes*.
17. **Equipment Purchased With Grant Funding.** Before the Subgrantee can purchase any equipment with a purchase price of more than \$5,000 (per item), the Division must request approval from the Institute of Museum and Library Services. The Subgrantee will be notified once the approval has been obtained.
18. **Unobligated and Unearned Funds and Allowable Costs.** In accordance with Section 215.971, *Florida Statutes*, the Subgrantee shall refund to the State of Florida any balance of unobligated funds which has been advanced or paid to the Subgrantee. In addition, funds paid in excess of the amount to which the Subgrantee is entitled under the terms and conditions of the agreement must be refunded to the state agency. Further, the Subgrantee may expend funds only for allowable costs resulting from obligations incurred during the specified agreement period. Expenditures of state and federal financial assistance must be in compliance with the laws, rules and regulations applicable to expenditures of funds. For state funds, guidelines for allowable costs are outlined in the Department of Financial Services' Reference Guide for State Expenditures (as of January 2020) <https://www.myfloridacfo.com/division/aa/manuals/documents/ReferenceGuideforStateExpenditures.pdf>), incorporated by reference. For federal funds, guidelines for allowable costs can be found [gpo.gov/fdsys/pkg/CFR-2014-title2-voll/pdf/CFR-2014-title2-voll-part200-subpartE.pdf](https://www.gpo.gov/fdsys/pkg/CFR-2014-title2-voll/pdf/CFR-2014-title2-voll-part200-subpartE.pdf) in 2 *CFR* Part 200, Subpart E – Cost Principles (as of September 2019), incorporated by reference.
19. **Repayment.** All refunds or repayments to be made to the Department under this agreement are to be made payable to the order of "Department of State" and mailed directly to the following address: Florida Department of State, Attention: David Beach, Library Program Specialist, Division of Library and Information Services, 500 South Bronough Street, Mail Station #9D, Tallahassee, FL 32399. In accordance with Section 215.34(2), *Florida Statutes*, if a check or other draft is returned to the Department for collection, Subgrantee shall pay to the Department a service fee of \$15.00 or five percent (5%) of the face amount of the returned check or draft, whichever is greater.
20. **Single Audit Act.** Each Subgrantee, other than a Subgrantee that is a state agency, shall submit to an audit pursuant to the federal Single Audit Act, 2 Code of Federal Regulations Part 200, Subpart F – Audit Requirements ([gpo.gov/fdsys/pkg/CFR-2014-title2-voll/pdf/CFR-2014-title2-voll-part200.pdf](https://www.gpo.gov/fdsys/pkg/CFR-2014-title2-voll/pdf/CFR-2014-title2-voll-part200.pdf) (as of September 2019)), incorporated by reference. See Attachment B for additional information regarding this requirement. If a Subgrantee is not required by law to conduct an audit in accordance with the Florida Single Audit Act because it did not expend at least \$750,000 in state financial assistance, it must submit a Financial Report on its operations pursuant to Section 218.39, *Florida Statutes* within nine months of the close of its fiscal year.
21. **Retention of Accounting Records.** Financial records, supporting documents, statistical records and all other records, including electronic storage media pertinent to the Project, shall be retained through June 30, 2029. If any litigation or audit is initiated or claim made, the records shall be retained until June 30, 2029 or five fiscal years after the litigation, audit or claim has been completed and all issues arising from it have been resolved, whichever is later.

- 22. Obligation to Provide State Access to Grant Records.** The Subgrantee must make all grant records of expenditures, copies of reports, books, and related documentation available to the Division or a duly authorized representative of the State of Florida for inspection at reasonable times for the purpose of making audits, examinations, excerpts and transcripts.
- 23. Obligation to Provide Public Access to Grant Records.** The Division reserves the right to unilaterally cancel this Agreement in the event that the Subgrantee refuses public access to all documents or other materials made or received by the Subgrantee that are subject to the provisions of Chapter 119, *Florida Statutes*, known as the *Florida Public Records Act*. The Subgrantee must immediately contact the Division's Contract Manager for assistance if it receives a public records request related to this Agreement.
- 24. Noncompliance.** Any Subgrantee that is not following Florida statutes or rules, the terms of the grant agreement, Florida Department of State (DOS) policies and guidance, local policies or other applicable law, or that has not submitted required reports or satisfied other administrative requirements for other Division of Library and Information Services grants or grants from any other DOS Division will be in noncompliance status and subject to the DOS Grants Compliance Procedure. DOS Divisions include the Division of Arts and Culture, the Division of Historical Resources, the Division of Elections and the Division of Library and Information Services. Grant compliance issues must be resolved before a grant award agreement may be executed and before grant payments for any DOS grant may be released.
- 25. Accounting Requirements.** The Subgrantee must maintain an accounting system that provides a complete record of the use of all project funds as follows:
- a) The accounting system must be able to specifically identify and provide audit trails that trace the receipt, maintenance and expenditure of project funds.
 - b) Accounting records must adequately identify the sources and application of funds for all grant activities and must classify and identify grant funds by using the same budget categories that were approved in the grant application. If Subgrantee's accounting system accumulates data in a different format than the one in the grant application, subsidiary records must document and reconcile the amounts shown in the Subgrantee's accounting records to those amounts reported to the Division.
 - c) An interest-bearing checking account or accounts in a state or federally chartered institution may be used for revenues and expenses described in the Scope of Work and detailed in the Estimated Project Budget.
 - d) The name of the account(s) must include the grant award number.
 - e) The Subgrantee's accounting records must have effective control over and accountability for all funds, property and other assets.
 - f) Accounting records must be supported by source documentation and be in sufficient detail to allow for a proper pre-audit and post-audit (such as invoices, bills and canceled checks).
- 26. Availability of Grant Funds.** The State of Florida's performance and obligation to pay grant funds under any Agreement are contingent upon an annual appropriation by the Florida Legislature and upon an annual appropriation of the U.S. Congress. In the event that the state or federal funds upon which this Agreement is

dependent are withdrawn, this Agreement will be automatically terminated, and the Division shall have no further liability to the Subgrantee beyond those amounts already expended prior to the termination date. Such termination will not affect the responsibility of the Subgrantee under this Agreement as to those funds previously distributed. In the event of a state revenue shortfall, the total grant may be reduced accordingly.

27. Excluded or Disqualified. The Subgrantee certifies that to the best of the Subgrantee's knowledge and belief the Subgrantee and its principals:

- a) Are not presently excluded or disqualified (debarment, suspension and other responsibility matters).
- b) Have not been convicted within the preceding three years of any of the offenses listed in 45 *CFR* 1185.800(a), (gpo.gov/fdsys/pkg/CFR-2005-title45-vol3/pdf/CFR-2005-title45-vol3-part1185-subpartH.pdf (as of September 2019)) incorporated by reference, or had a civil judgment rendered against them for one of those offenses within that time period.

28. Drug-Free Workplace. The Subgrantee will provide or continue to provide a drug-free workplace by complying with the requirements in 45 *CFR*, Subtitle A, Subchapter A, Part 76, Subpart F, Drug Free Workplace Requirements (Grants) (gpo.gov/fdsys/pkg/CFR-1999-title45-vol1/pdf/CFR-1999-title45-vol1-part76-subpartF.pdf (as of September 2019)), incorporated by reference.

This includes making a good faith effort, on a continuing basis, to maintain a drug-free workplace; publishing a drug-free workplace statement; establishing a drug-free awareness program for employees; taking actions concerning employees who are convicted of violating drug statutes in the workplace; and identifying (either with this application, upon award, or in documents kept on file in the Subgrantee's office) all known workplaces under the award.

29. Lobbying. The Subgrantee will not use any grant funds for lobbying the state legislature, the state judicial branch or any state agency. The Subgrantee shall insert a list of similar provisions in all subcontracts for services required by this agreement.

32. **Copyright and License.** When publications, films or similar materials are developed, directly or indirectly,

from a program, project or activity supported with grant funds, Subgrantee (and any of its subcontractors, if applicable) shall grant the Department of State an irrevocable, royalty-free, non-transferable, non-exclusive right and license to reproduce or otherwise use, to make derivative works from, and to display and distribute any copyrighted material developed under this Agreement for any state governmental purpose. The Subgrantee also grants the federal awarding agency a royalty-free, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for federal government purposes:

- b) Any rights of copyright to which the grantee, subgrantee or a contractor purchases ownership with grant support.

The Subgrantee shall include the foregoing paragraph in all of its subcontracts.

33. **Independent Contractor Status of Subgrantee.** The Subgrantee, if not a state agency, agrees that its officers, agents and employees, in performance of this Agreement, shall act in the capacity of independent contractors and not as officers, agents or employees of the state. The Subgrantee is not entitled to accrue any benefits of state employment, including retirement benefits and any other rights or privileges connected with employment by the State of Florida.
34. **Subgrantee's Subcontractors.** The Subgrantee shall be responsible for all work performed and all expenses incurred in connection with this Agreement. The Subgrantee may subcontract, as necessary, to perform the services and to provide commodities required by this Agreement. The Division shall not be liable to any subcontractor(s) for any expenses or liabilities incurred under the Subgrantee's subcontract(s), and the Subgrantee shall be solely liable to its subcontractor(s) for all expenses and liabilities incurred under its subcontract(s). The administration of resources awarded by the Department of State to the Subgrantee may be subject to audits and/or monitoring by the Department of State as described in this Addendum to the Grant Award Agreement.

Monitoring

In addition to reviews of audits conducted in accordance with 2 CFR 200, Subpart F - Audit Requirements, and section 215.97, *Florida Statutes (F.S.)*, as revised (see Audits below), monitoring procedures may include, but not be limited to, on-site visits by Department of State staff, limited scope audits as defined by 2 CFR 2 §200.425, or other procedures. By entering into this agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of State. In the event the Department of State determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department of State staff to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

Exhibit 1 to this agreement lists the federal resources awarded through the Department of State by this agreement. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department of State. The determination of amounts of federal awards expended should be in accordance with the guidelines established by 2 CFR 200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR 200.514, will meet the requirement of this Part.
2. For the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR 200.508-512.
3. A recipient that expends less than \$750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR 200, subpart F - Audit Requirements. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for federal program matching requirements.
2. For the audit requirements addressed in Part II, paragraph 1, the recipient shall ensure that the audit complies with the requirements of Section 215.97(8), *F.S.* This includes submission of a financial reporting package as defined by Section 215.97(2) *F.S.*, and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
3.
