EVERYONE COUNTS! IN LAKE PARK CENSUS 2020

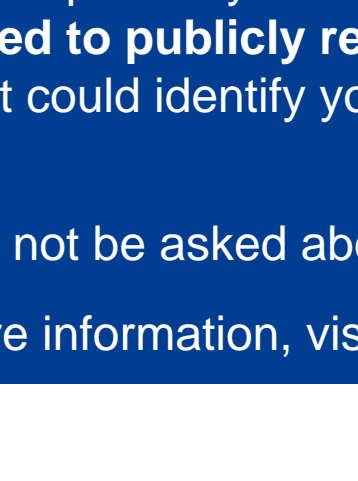

\$13,000,000

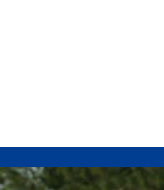

The amount of federal funding Lake Park could receive if everyone is counted.

Just some of the services in Lake Park that would benefit from money based on how many residents are counted.

The first day you can be counted in the 2020 Census. You can be counted by phone, online, or by mail.

In mid-March, Lake Park residents will begin receiving letters to complete the 2020 Census. Once the invitation arrives, you should respond for your home in one of three ways: online, by phone, or by mail.

Everyone must be counted:

- All adults and all children
- All citizens and all non-citizens
- All renters, tenants, and owners

The law ensures your private data is protected. Your answers **cannot be used against you** by any government agency or court.

The Census Bureau **cannot release any personally identifiable information about you**, your home, or your business, even to law enforcement.

You are kept anonymous. The Census Bureau is **not permitted to publicly release** your responses in any way that could identify you or anyone else in your home.

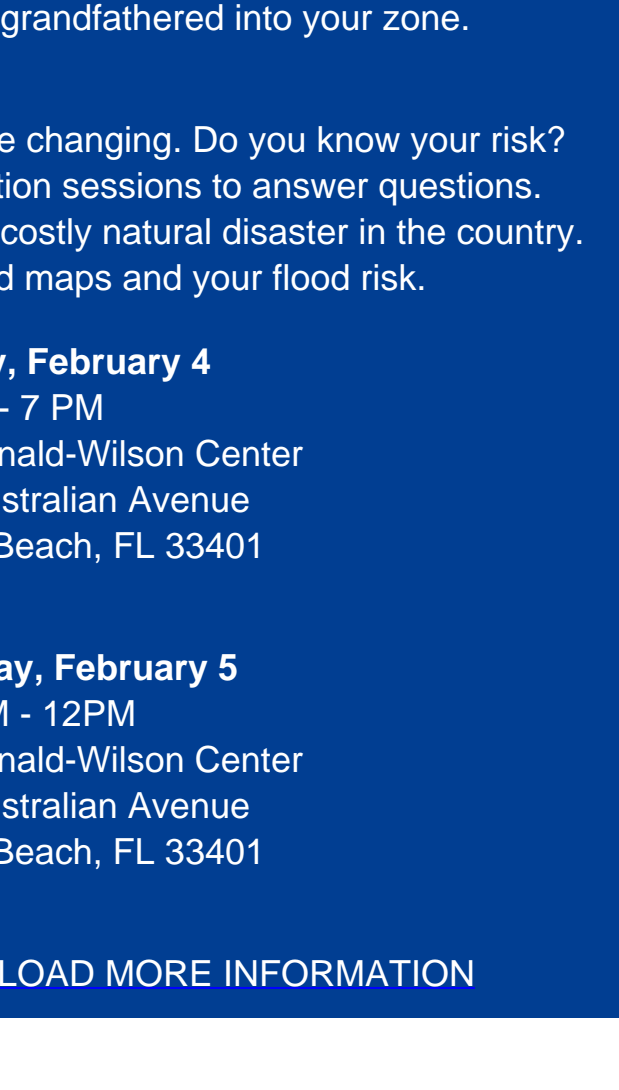

You will not be asked about your citizenship.

For more information, visit 2020census.gov.

Other Lake Park News

Improvements begin in Bert Bostrom Park

Work has begun on new upgrades to Bert Bostrom Park. The Town is putting in a new shade structure and an ADA-compliant swing set. Work is expected to be finished in about two weeks.

Plan ahead: Several railroad crossings closing for construction

Brightline Virgin Trains will be closing several railroad crossings temporarily beginning next month.

- The crossing at Park Avenue will be closed from March 15 to March 20.
- The crossing at Silver Beach Road will be closed from March 25 to March 26.
- The crossing at Northlake Boulevard will be closed from May 17 to May 23.

All the closures are to allow the company to install track upgrades for expansion of service.

Your flood zone could be changing. How does this affect you?

DID YOU KNOW...

- You could have a lower insurance premium by being grandfathered into your current flood zone.
- Over 20% of flood insurance claims come from outside the high-risk flood zone.
- You should purchase flood insurance at least 30 days before flood maps become effective to be grandfathered into your zone.

Palm Beach County flood maps are changing. Do you know your risk? The County is holding two information sessions to answer questions. Flooding is the most common and costly natural disaster in the country. Learn about the updated PBC flood maps and your flood risk.
