

Mobility Print Android

How To Print From Your Android Device

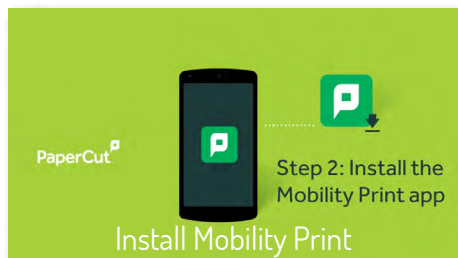

Step 1

Make sure your Wi-Fi is turned on and your Android is connected to your organization's network

Scan the QR code to continue on a mobile device
Some devices might need to download a QR code scanner app

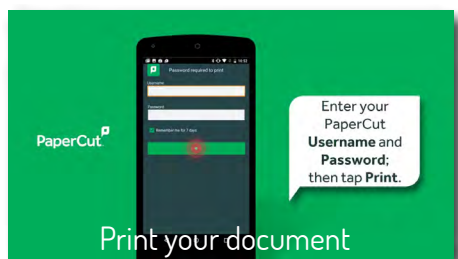

Alternate Option: <http://MJ-PRINTER:9163/setup>

Step 2

- Install the Mobility Print app from the Google Play Store.
- Launch the app.
- Tap Android settings.
- Tap Mobility Print.
- Tap the enable toggle.
- Exit out of Settings.

Step 3

- Print your document
- You will be prompted to enter your PaperCut Username "**print**" and Password "**print**"

When you select a printer, make sure you select a Mobility Print printer as identified by the PaperCut icon PaperCut logo 

If you select the Remember me checkbox, your phone will remember your login details for that printer for one week.
