Mobility Print Chrome OS

## How To Print From Your ChromeBook

Join the wireless network
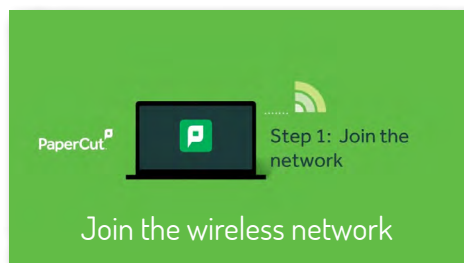

Step 1

Make sure your Wi-Fi is turn on and you are connected to your organization's network.

Scan the QR code to continue on a mobile device
Some devices might need to download a QR code scanner app

Alternate Option: *http://MJ-PRINTER:9163/setup*

Install the app

Step 2

- Install the Mobility Print Chrome app.

Print your document

Step 3

- Open the page to print.
- If printing is available, right-click; then select Print.
- Click Change to choose a printer.
- Select a printer from the list.
  Make sure you select a Mobility Print printer as identified by the PaperCut icon
- You will be prompted to enter your PaperCut Username "**print"** and Password "**print"**

If you select the Remember me checkbox, your phone will remember your login details for that printer for one week.
