New Business:

2. History of the Town and Historical Tour Discussion.

Dianne Sophinos, member of the Historical Society discussed the five Historical Home Tours conduct over the years. She circulated newspaper articles, booklet, flyers, and other materials to the members to review. She read from some of the article to provide the Committee with historical information about the Town. She discussed, in detail, what was involved with each Historical Home Tour.

Commissioner Michaud asked if the Historical Society Members went door to door to distribute the flyers. Ms. Sophinos explained that each member was assigned one or more duties. She explained that one group worked on marketing, which included reaching out to area newspapers, news stations, and attended other events in the area and distributed the flyers to get the word out about the event.

Ms. Sophinos shared historical facts about the Town and the Historical Society. The Committee discussed cost of printing materials, fees the Historical Society charged during the Tours, and the history of the homes in Town.

Mayor O'Rourke asked Ms. Sophinos to assist the Committee with the Historical Home Tour. She agreed to help as best as possible. She strongly suggested notifying the Kelsey family members soon of next year's events. Chair/Commissioner Linden suggested hosting the Historical Home Tour for either February or March 2023.

Vice-Chair Harris Clark asked what the Historical Society could do differently to make the Tour stand out. Ms. Sophinos made suggestions for what might make this Tour different. She suggested music from students of the Arts; flowers in each of the home and an end of Tour party celebration.

Committee Member Motschenbacher suggested including the downtown businesses on the day of the events and suggested that business owners offer specials.

Vice-Chair Harris Clark asked when would the Town need to secure trolleys for the Tour. Special Events Director Franks stated that reservations are necessary and needed to be done quickly, especially if the Tour was done during the holidays. The month of March was suggested to collaborate with Florida Bicycle Month.

The Committee discussed when the Tour would work best. Ms. Sophinos explained how the trolley route was scheduled and how it ran during each tour. The Historical Society members were charged with different tasks to make the event successful. Unfortunately, the Historical Society only has a handful of members. Ms. Sophinos explained the membership fee on the Historical Society to be \$150.00 for a lifetime membership; \$5.00 for an individual, \$25.00 for a family, and \$25.00 if someone wanted to be a sponsor.

Vice-Chair Harris Clark asked if the Committee wanted two (2) tours. Would the homeowners be willing to allow people through their homes twice a year? The Committee discussed the specifics of hosting two tours, which type of tour, etc. Ms. Sophinos explained that insurance was necessary, deposit paid for the trolley and things to consider. Special Events Director Franks stated that they would ask the trolley company to add the Town as an additional insurer and have everyone boarding the trolley sign a waiver.

Ms. Sophinos gave some key points to consider, such as having a sponsor for the event would cut down on Town expense. She suggested charging for advertisement on the booklets. She stated that the Historical Society planned for six-month and as the event date got closer, the Historical Society met once a week.

Special Events Director Franks explained the solicitation process and thresholds. Vice-Chair Harris Clark asked if the Town could request the trolleys before another municipality got them. Special Events Director Franks explained that a deposit was necessary. She suggested that the holiday tour wait until 2023. She felt that December 2022 would not work because there were too many undecided factors. She reminded the Committee that the list of proposed events was long. She stated that during the next meeting they would finalize the logo and sponsorship packet. She reminded the Committee that the Town budget had not been finalized for these events.

Chair/Commissioner Linden was not in favor of waiting until December 2023 to conduct the Holiday Home Tour. Commissioner Michaud suggested decorating bicycles and not using a trolley for the Tour. Mayor O'Rourke suggested hosting the Holiday Home Tour the day after the Tree Lighting Ceremony, which was December 3rd. He suggested combining the event with the holiday decorating contest. Ms. Sophinos explained that with the state the world was in, homeowners might not want people inside of their homes. Therefore, she suggested that they have garden tours of the historical properties.

Motion: Mayor O'Rourke moved to include two (2) Holiday Home Tours, one in December 2022, which would be a scaled down version of the event with a second event later, which would be a true centennial event; Vice-Chair Harris Clark seconded the motion.

Commissioner Michaud asked if the second tour would take place in March 2023. Mayor O'Rourke stated that his motion was intended to include March 2023 as the second event. Vice-Chair Harris Clark suggested having the second event around Easter.

Committee Member Motschenbacher asked if the December tour would have any centennial significance to it. Committee Member Leduc stated that her understanding was

that the Committee was working on a logo to brand the events related to the centennial. She suggested waiting until they got feedback on the interest of hosting the event. She had many questions relating to the event and details that the Committee were still determining.

Ms. Sophinos suggested mailing letters to the historical property owners or renters asking if they wanted to participate in the tour. Chair/Commissioner Linden asked if the Historical Society organized the December tour, then the Committee could piggyback off the event in February or March and know how much interest there was from property owners. He asked how many historic homes were in Town. Ms. Sophinos stated that there were 18 on the local register. Chair/Commissioner Linden suggested if a sponsor would pick up the charge for the mailing through the Historical Society, the event would not be as costly. That would give an opportunity to the Committee to know what did and did not work to prepare for the next event.

Ms. Sophinos stated that the Historical Society only has a few members. She suggested that she and the Mayor would speak to homeowners and renters and get feedback about an event. Chair/Commissioner Linden suggested the letter be mailed first before the Mayor goes out with her to speak to property owners and renters.

Mayor O'Rourke asked how the sponsorship portion would work. Special Events Director Franks stated that her understanding was that the Committee would use the Sponsorship Packet. The Committee members would present the packet to the business owner and the business would choose which level and event they wanted to sponsor.

Commissioner Taylor suggested hosting a spring event and then hosting the tour later next year. She said it was too much for the Historical Society to accomplish.

Ms. Sophinos stated that letters need to go out next week and she would have a response by the next meeting. Mayor O'Rourke suggested that the second event be held in March instead of February. Ms. Sophinos stated that Harry Kelsey's birthday was March 26, so the event could take place on that date. She suggested that the event take place from 1-3:00 p.m. and end at the Evergreen House.

The Committee discussed the event, cost, sponsorship, concerns with which organization would spearhead the event. Ms. Sophinos stated that she would be the only member that would be working on this event and she could not organize the event by December. The Committee members agreed to volunteer their time to the event. Ms. Sophinos explained that depending on the number of homes and the details involved, they could pull it off. She suggested that the Committee meet more often. Commissioner Michaud posed the question to the Committee on how they were going to accomplish the entire task before the end of the year.

Chair/Commissioner Linden suggested that the two organizations work together for a successful event. Town Clerk Mendez explained that only one member of the Committee could meet with Ms. Sophinos at a time, otherwise they would be violating the Sunshine Law.

Motion amended as follows:

Mayor O'Rourke moved to have the Centennial Committee be a sponsor for the December 2022 Holiday Home Tour that would be run by the Historical Society and that a second Home Tour be scheduled for late March 2023, Harry Kelsey's Birthday on March 26, 2023, with some event that you all put together as part of the centennial; Vice-Chair Harris Clark seconded the motion.

Committee Member Leduc asked if there was a budget, which would authorize the Committee to sponsor an event that was different from the Centennial event. Discussion ensued regarding budget and their participation during events. Mayor O'Rourke explained that everyone could attend events; they just could not discuss items that were on the agenda outside of a meeting.

COMMITTEE MEMBER COMMENTS:

Committee Member Brabham had no comments.

Vice-Chair Harris-Clark expressed concern with how late the Committee began. She suggested more meetings. She made suggestions for the events, such as dressing in period pieces, such as the roaring 20's. She suggested creating a link of the Town's website with the Centennial celebration information, which would be a hyperlink to details of the events. She suggested that the Mayor give proclamations during the event. She suggested getting children to design the Centennial logo as a way to engage the youth in the event.

Committee Member Leduc had concerns with all the outstanding issues that have not been finalized so far and suggested more meetings to allow for the planning sections of the events.

Committee Member Motschenbacher had no comments

Town Manager D'Agostino was absent.

Chair Linden announced that the Back to School Extravaganza was taking place on Saturday, August 6th. He explained that the way the Committee operates was to follow

the agenda. He stated that ethics training was critical to their success. He felt that if the Committee wanted to meet more often that they could do so; it was up to the Committee.

Commissioner Michaud thought everyone had great suggestions. He thought the Committee should get back to the business they began during the last meeting.

Commissioner Taylor felt overwhelmed with the amount of activities being planned for the centennial year. She was very excited, but cautioned to take a step back and take a close look at all the events that were being proposed.

Mayor O'Rourke had no comments.

Special Events Director Franks none.

Summary Explanation/Background

At the August 2, 2022 Centennial Celebration Committee Meeting, the members discussed the need to select dates for each Centennial Celebration Event. Town staff has provided Exhibit A which includes a FY 2022-2023 calendar of events for the Town of Lake Park's Special Events Department. The calendar includes annual Town events, committee meetings, and suggested dates for the Centennial Celebration Events. At this time, staff would like the Committee to select dates for each event listed on Centennial Celebration Event Schedule (Exhibit B) that currently does not have a date.

Summary Explanation/Background

As part of the Centennial Celebration the Committee has expressed its interest in obtaining sponsorship funds from individuals, businesses and organizations. The funds will be used to help offset the costs of the Centennial Celebration Events & Activities. At the July 5 Centennial Celebration Committee Meeting, members discussed and finalized the sponsorship levels that will be used to help obtain the funds. Currently, Town staff is working on creating the full sponsorship packet that will include the sponsorship levels, a fundraising letter (written by the Town’s Grant Writer/Chief Public Information Officer) and more information about the Centennial. At this time, staff has provided a listing of all of the businesses located in the Town of Lake Park (Exhibit A). Those businesses that are highlighted in yellow have been a previous sponsor (in-kind or monetary) of a Town annual event within the past five years. (Please note, most businesses are listed more than once.) Staff would like the Centennial Celebration Committee to review the list and select a minimum of five businesses that they are willing to contact. As the contact person, each Committee Member will be responsible for soliciting their list of businesses to become official sponsors of the Centennial Celebration.

Recommended Motion: No motion required.

Summary Explanation/Background

At the June 7, 2022 meeting, the Centennial Celebration Committee expressed their desire to sell Centennial Celebration Commemorative Keepsakes to assist with their fundraising efforts. Staff has provided a listing of possible options (Exhibit A) that can be used. Each item will include the Centennial Celebration Logo. At this time, staff would like the Committee Members to select which items they would prefer to have as the official Centennial Celebration Commemorative Keepsakes. Once the items are selected, staff will work with a vendor to have them ready for the Centennial Celebration Kickoff Concert at the Lake Park Harbor Marina.

Recommended Motion: I motion to have the following items (list items) to be used as Centennial Celebration Commemorative Keepsakes.

Summary Explanation/Background

At the July 5, 2022 Centennial Celebration Committee Meeting, the members discussed their desire to create a Centennial Celebration Logo that can be used as the visual representation of the scheduled events and activities. At the end of the discussion, the Committee chose three examples (Sarasota County, City of Hawthorne and City of Long Beach) that best represented the logo style that they would prefer. After the meeting, Town staff met with Strategic Marketing (the Town's current Marketing Consultant) to discuss the Centennial Celebration Logo. John Molloy, Creative Director for Strategic Marketing, is currently working on three different design options for the logo. John will be using elements such as (but not limited to) the current Town Logo, Clock Tower, Kelsey Park and Lake Park Marina. Staff anticipates having three final design options to discuss with the Committee at the next meeting.

As part of the Centennial Celebration, Town staff has begun working on creating and producing a Town of Lake Park Centennial Commemorative Book. This will be an 8x8 full color hard cover book that will be unveiled at the Centennial Celebration Gala. The book will include interesting history, photographs and documents from the Town of Lake Park's 100-year history, beginning with its inception by Harry S. Kelsey. The Town has received a written estimate for the concept development, edits, proofreading, design, printing, shipping and copyright that will require a Request for a Quote (RFQ) as noted in the Town's Purchasing Policy. Staff estimates that the RFQ will be finalized by the end of September. Once a vendor is chosen, the Town's Grant Writer/Chief Public Information Officer will take the lead role on this project and will provide updates to the Centennial Celebration Committee on a monthly basis.

At the August 2, 2022 Centennial Celebration Committee Meeting it was suggested that we consider adding an additional monthly meeting date. Town staff have taken a look at the current Commission Chamber schedule which holds all Town meetings and workshop for the Town Commission, Planning and Zoning Board, Library Board and Tree Board there are not many dates to choose from. At this time, the only available additional date option is the 3rd Tuesday of every month at 6:30 pm. If the Committee agrees, we will add this additional date to the calendar.

Recommended Motion: I motion to add the 3rd Tuesday of every month as an additional meeting date for the Centennial Celebration Committee beginning _____.
