

RESOLUTION 04-01-23

A RESOLUTION OF THE TOWN COMMISSION OF THE TOWN OF LAKE PARK, FLORIDA, URGING MEMBERS OF THE FLORIDA LEGISLATURE TO SUPPORT THE 2023 FLORIDA LEAGUE OF CITIES LEGISLATIVE PLATFORM.

WHEREAS, the Town of Lake Park (“Town”) is a municipal corporation of the State of Florida with such power and authority as has been conferred upon it by the Florida Constitution and Chapter 166, Florida Statutes; and

WHEREAS, the Florida Legislature will convene the 2023 Legislative Session on March 7, 2023; and

WHEREAS, the membership of the Florida League of Cities (FLC) adopted the 2023 FLC Legislative Platform during the FLC Legislative Conference on December 2, 2022; and

WHEREAS, the Town of Lake Park supports the 2023 FLC Legislative Platform, which includes:

Supporting the preservation of municipal authority to manage municipal revenue sources and realize a reasonable rate of return on their proprietary assets, investments, and services.

Supporting legislation that defines and clarifies mobility plans in order to provide a clear and concise regulatory framework for Florida cities to acquire, construct and implement both traditional and alternative modes of transportation.

Supporting legislation that restores authority to local governments for the regulation of short-term rental properties as necessary for quality of life, public safety and the creation of fair lodging standards. Supporting legislation clarifying that existing, grandfathered municipal short-term rental ordinances can be amended without penalty. Opposing legislation that preempts municipal authority as it relates to the regulation of short-term rental properties.

Supporting legislation that requires all money from the Sadowski State and Local Housing Trust Fund be used only for Florida’s affordable housing programs that are targeted to meet the needs of workforce housing, including home ownership and rental availability.

Supporting legislation establishing a statewide coordinated planning and prioritization approach for water resource investments that funds Florida’s current and projected water needs in an equitable manner and authorizing Comprehensive Watershed Management projects to qualify for funding under the state Water Protection and Sustainability Trust Fund.

WHEREAS, The Town of Lake Park also supports the FLC policy positions relating to:

- Property Tax Protection
- Residential Zoning
- Transportation Funding
- Water and Wastewater Plant Operator Licensure

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COMMISSION OF LAKE PARK, FLORIDA:

Section 1. The Town of Lake Park will work with our local legislative delegation in support of these and other issues affecting Florida's cities, towns and villages during the upcoming 2023 Legislative Session.

Section 2. A copy of this resolution shall be provided to members of our local legislative delegation and the Florida League of Cities, Inc.

Section 3. This resolution shall take effect immediately upon adoption.

The foregoing Resolution was offered by Commissioner Michaud who moved its adoption. The motion was seconded by Commissioner Linden and upon being put to a roll call vote, the vote was as follows:

	AYE	NAY
VICE-MAYOR KIMBERLY GLAS-CASTRO	<u>/</u>	—
COMMISSIONER JOHN LINDEN	<u>/</u>	—
COMMISSIONER ROGER MICHAUD	<u>/</u>	—
COMMISSIONER MARY BETH TAYLOR	<u>/</u>	—

The Town Commission thereupon declared the foregoing Resolution 04-01-23 duly passed and adopted this 4 day of January, 2023.

2	Nextran Assurance Inspection [999-999-999] Complaint: check-22 front icc light inop rear p/s turn signals inop valve cover gasket leak tube between valve cover and CCV leaking at CCV oil level sensor pushing oil oil fill tube leaking at oil pan Labor:				\$0.00
3	Preliminary Diagnostics SPM-NEXDIAG Complaint: Customer states there is no boost, exhaust is making a hissing noise, large air leak when brakes are applied check and advise Cause: found that the band clamp holding the turbine housing for the turbo to the center section of the turbo failed. All the exhaust gasses from the engine are now exiting from around the middle of the turbo causing the loss of power and exhaust leak. Will need to replace the turbo. Also recommend sending the DPF and DOC out to be serviced as the turbocharger failure may have sent pieces of debris into the aftertreatment system. Found that the exhaust leak at the turbo caused the F/R P/S brake line to melt near the frame rail. Will need to replace this line and repair any other melted air lines cause by the turbo exhaust leak. Labor:				\$495.00
