

NOTICE TO BIDDERS

NOTICE IS HEREBY GIVEN that the Town of Lake Park, Florida will be accepting bids for:

TOWN OF LAKE PARK, FLORIDA
WEST ILEX PARK
FENCE REPLACEMENT
Invitation to Bid No. 124-2023

In 2008, the Town of Lake Park converted an unused triangle piece of property into a park, called West Ilex Park due to its proximity to West Ilex Drive. A fence was erected and playground equipment was added in 2009. After more than a decade of use, coupled with the harsh Florida weather, the playground equipment has fell into disrepair. The Town is now prepared to implement some park infrastructure improvements.

This invitation to bid is for the replacement of the chain-link fencing at the park. Both the 4' high perimeter fence and the 6' high fence around the electrical and irrigation pump are to be removed and replaced; along with all associated gates.

The project is located at the intersection of West Ilex Drive and 8th Street, Lake Park, Florida 33403.

This project is funded wholly or in-part by a federally resourced CDBG grant. The procurement process and contract award for all goods shall be in compliance with the Town's Procurement Code, also with 24 CFR Part 200 of the Federal Procurement Code and all procurement regulations applicable to CDBG funding.

This project is funded by a COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) administered through Palm Beach County Department of Housing and Economic Development via funds of the US Department of HUD, and that Davis-Bacon & Related Acts, including wage rates, will apply to all construction work performed on this project. Small, women owned, minority, Section 3 companies, and/or disadvantaged businesses are encouraged to bid on this project. The project strives to meet the requirements of Build America, Buy America Act (2 CFR Part 184) and the Uniform Administrative Requirements (CFR Part 200).
