Payment Agreement for Commercial Sanitation Services

Completed forms should be returned to the Town of Lake Park Public Works Department, at 640 Old Dixie Highway, Lake Park, FL 33403, e-mailed to publicworks@lakeparkflorida.gov, or faxed to (561) 881-3349. Customer Service hours are Monday through Friday from 7:30 am to 4:00 pm.

The undersigned property owner, or the tenant or owner of a business thereon (user), of the property located at service address above, hereby applies for sanitation services to that premise for commercial use, to be effective as indicated in the attached Application for Commercial Sanitation Services. As the property owner, or user of the property pursuant to the operation of a business thereon, I agree to pay for solid waste services, including the removal and disposal of garbage and trash (solid waste services), in accordance with the rates established in the exhibit which is attached hereto and incorporated herein, until I provide written notice to the Town that the services it is providing pursuant to this Commercial Sanitation Payment Agreement are to be discontinued.

The undersigned is legally authorized to bind the owner of the property or business user of the property referenced as being located herein above and hereby agrees to pay the Town of Lake Park for the services provided by the Town within 30 days of the receipt of a bill from the Town for solid waste services. Furthermore, the undersigned acknowledges that the rates charged by the Town are subject to periodic review and changes by the Town Commission. In addition, pursuant to section 24-111 of the Town's Code of Ordinances (the Code), the Town reserves the right to require prepayments or deposits based upon the credit history of the business user on the property or the property owner as the Town, in its sole discretion deems appropriate.

As provided in Section 24-13 of the Code, the property owner is ultimately responsible for compliance with the provisions of Chapter 24 of the Code as it pertains to solid waste services, and has the responsibility of obtaining solid waste services for the users of its property. In the event that the user of the property is someone other than the property, then both the property owner and the user of the property shall execute this Commercial Sanitation Payment Agreement. The property owner and owner's user of the property shall be jointly and severally liable to the Town for the payment of the rates or debt to the Town pursuant to this Commercial Sanitation Payment Agreement.

The execution of this Commercial Sanitation Services and Payment Agreement by a user of the property other than the property owner represents the property owner's authorization to permit the user or tenant to set up a Commercial Sanitation Services Account with the Town for which the user of the property owner's property shall be responsible for payment. In the event that the user does not make the required payment, or is delinquent in its payment to the Town, the property owner and user shall be jointly and severally liable for the debt to the Town.

The failure to make a timely payment may result in the Town discontinuing service to the property, and if the user is a business the Town may elect to revoke the business' Business Tax Receipt. In addition to these remedies, the Town shall assess interest on the amount of the delinquent payment; record a lien against the real property or the personal property of the property owner or user who is located on the property and, ultimately pursuant to Code § 24-112, may foreclose on the lien for the amount of the fees and any accrued interest. In addition, the Town may recover its attorney fees and costs incurred for the enforcement of this Commercial Sanitation Services and Payment Agreement and foreclosure on the lien against the real and the personal property located on the property.
