

one more reason to be proud to be a Lake Park resident. But just because the Centennial Celebration is over doesn't mean the events stop. It's actually quite the opposite! Our Holiday Decorating Contest is in full swing, and it's running through December 8, plus Santa will be checking his mailbox at the Lake Park Public Library until December 20, so he has plenty of time to write back to everyone who sends him a letter! Today at 6:00 PM we kick off not one, but TWO events. Our annual Holiday Celebration, which includes the official lighting of the Town's Christmas Tree, Menorah, and Kinara, as well as photos with Santa, raffle prizes, and more, takes place from 6:00 PM to 8:00 PM. I'm also excited to let you know that our inaugural Holiday

PM tonight, and runs through January 1, 2024. To make this new event extra special, these three blocks will be closed to motorists from 6:00 PM until 10:00 PM on Fridays and Saturdays (as well as Sunday, December 31, and Monday, January 1) so you and your friends and family can stroll through to see the displays up close and take some fun selfies. And, last but definitely not least, Santa will be taking his magical ride through Lake Park on Saturday, December 9, from 6:00 PM until 8:00 PM! It's a month full of fun, and I'm looking forward to ALL of it – I may even send my own letter to Santa! From my personal family and my Town of Lake Park family to you and yours, I wish you a happy, healthy holiday season! for Hickory **MAYOR**

away. With that in mind, we offer the following simple tips that will help to keep Lake Park clean and make it possible for the Town's sanitation staff to maintain efficient waste collection: Break down all cardboard boxes for easy collection Keep trash contained and easy to pick up Avoid a fee by keeping your trash to less than 20 cubic yards Make sure household debris is placed at the curb prior to 7:30 AM on scheduled collection days Do not block sanitation receptacles or place them against a wall

It has long been reported that Americans create 25% more solid waste (such as food waste, shopping bags, old electronics, decorations, etc.) between Thanksgiving and New Year's Day than they do throughout the rest of the year. While it is always advised to recycle as much of your trash as possible (or donate items you no longer want but are still in good condition), we understand that there will always be items that you need to throw
