VOLUME 3 ISSUE 5 MAY 2024

If graduation isn't in the immediate future for your child (because they are between the ages of 6 and 12) and you are still looking for something for them to do this summer, check out Lake Park's summer camp. There's a flyer at the end of this newsletter or you can call **561-881-3338** for more information. If you're looking for something to do this weekend, I'd like to invite you to help me celebrate my birthday in a unique way this year. On Saturday, May 4, I will

MAYOR STAYING SAFE

ON THE WATER

operator inattention or improper lookout. **Navigation and Speed** Familiarize yourself with the area, adhere to local boating speed regulations, and maintain a safe speed at all times.

Equip your boat with multiple functioning communication devices such as VHF radios and emergency locator beacons for effective communication in case of

emergencies. **Additional Precautions**

Communication

Supervise activities on the water closely, avoid swimming alone, and always wear a life jacket. Enjoy the holiday safely, and remember the importance of drowning prevention!

The Palm Beach North Chamber of Commerce's Palm Beach North Education Foundation works with schools and students in the Palm Beach North region to support the educational future of local youth. The Foundation's Early Readers Initiative program, which launched last summer, is dedicated to enhancing thirdgrade literacy outcomes in order to provide a strong foundation for future success, provides literacy intervention kits to school classrooms and facilitates classroom reading sessions with community volunteers. Lake Park Elementary School was one of the first two schools selected to benefit from this initiative.

Earlier this year, Foundation Board members met with school principal Dr. Castro and the first grade team to begin the exciting process, and the program

No matter how long you've been here, or how many hurricanes you have lived through, one can never be too safe during the hurricane season. The forecast for 2024 shows a highly active season with the potential for several named storms and hurricanes. There is no need to worry, but there is always a need to prepare. And it is never too soon! Although the height of hurricane season is in September, hurricane season begins June 1, which is right around the corner.

Having a packed suitcase with crucial on-the-go items can be a lifesaver in a rushed or unexpected evacuation. If you already have one, be sure to restock your existing kit for you and anyone in your care. **Checklist:** Personal hygiene items (soap, toilet paper, toothbrush/toothpaste, feminine hygiene items, etc.) Change of clothes, towels, and linens Gasoline · First aid kit Photocopies of IDs and important information Car repair tools (tire kits, pumps, flares) Whistle

graduates, and wish them all the best as they take the next step in their journey, whether it's going to college, entering a trade school, becoming part of the workforce, joining the military or anything else. be starting my birthday off by taking part in the Great American Cleanup. Come meet me at Town Hall at 9:00 AM to help clean up Lake Park. There will be a DJ to get the cleaning party started, and free hot dogs and t-shirts for everyone who participates. On the other end of the event spectrum, Sunset Celebration will take place, as always, on the last Friday of the month. This month the party moves to its new home in Kelsey Park, but it will still feature food vendors, a cash bar (including happy hour pricing), art and craft vendors, and, of course, free admission and parking. Larry Johnson's Essence of Motown will be providing the musical entertainment, so you it's going to be a great party! And finally, I want to thank Noel Martinez, Kathleen Joy and Corey Saban from the Palm Beach North Chamber of Commerce for coming to meet with me, the Town Manager and staff to discuss ongoing collaborations and the continued growth of our partnership. We were all particularly excited to hear about the Chamber's education initiative benefitting Lake Park Elementary School, which you can read about later in this newsletter.

Remain aware of your surroundings at all times to avoid accidents caused by

For more information on water safety lessons and water safety/drowning prevention education, please visit the Drowning Prevention Coalition's website at www.pbcgov.org/dpc or call 561-616-7068. The coalition is funded by the Palm Beach County Board of County Commissioners and the Children's Services Council of Palm Beach County and managed by Palm Beach County Fire Rescue.
