

RESOLUTION NO. 91-11-24

A RESOLUTION OF THE TOWN COMMISSION OF THE TOWN OF LAKE PARK, FLORIDA, SUPPORTING THE PROCUREMENT AND OVERSIGHT OF CONSULTANTS FOR THE DEVELOPMENT OF A COUNTYWIDE TRANSPORTATION PLAN; SUPPORTING THE FORMATION OF A TECHNICAL ADVISORY COMMITTEE FOR THE SAME; AND, PROVIDING FOR AN EFFECTIVE DATE

WHEREAS, the movement of people, goods, and services in, around and throughout Palm Beach County relies on an interconnected transportation network and related transportation services; and

WHEREAS, the transportation network and transportation services are the responsibility of multiple jurisdictions and governmental agencies such as the Florida Department of Transportation (FDOT), Palm Beach County, municipalities, and various taxing districts and authorities; and

WHEREAS, citizens are focused on going to and from their destinations and are mostly unaware of jurisdictional boundaries, ownership responsibilities, and funding sources for these transportation networks and services; and

WHEREAS, the quality, manner, and time required for people, goods, and services to move in the county has tremendous impacts on every aspect of life in Palm Beach County; and

WHEREAS, population growth in recent years has consistently outpaced the existing transportation network's capabilities creating traffic jams, longer travel times, safety issues, extra expenses, and frustration; and

WHEREAS, population growth is expected to continue to increase for the foreseeable future due to the desirability and quality of life in south Florida and Palm Beach County; and

WHEREAS, a Countywide Transportation Plan is the only way to effectively address the issues involved with the transportation network and services that exist now and, in the future; and

WHEREAS, the Board of County Commissioners, the Town of Lake Park, the other municipalities, and the taxing districts recognize that working together in a constructive and proactive manner is the only way forward for the benefit of all our citizens; and

WHEREAS, expertise in developing a collaborative and comprehensive Countywide Transportation Plan requires the engagement of a Consulting Firm of National/International repute, experience and capabilities; and

WHEREAS, the only entity of which the cities and the County are officially connected for purposes of working together to address issues of a countywide nature is the Intergovernmental Coordination Program (ICP); and

WHEREAS, the ICP is identified in the County and the cities' Comprehensive Plan Intergovernmental Coordination Elements (ICE) and whose membership is memorialized via Interlocal Agreements; and

WHEREAS, the ICP membership also includes the taxing authorities and districts who build and maintain transportation infrastructure; and

WHEREAS, the ICP can provide unified, trusted, and collaborative outcomes instead of ones that are ones weighted towards one side or the other; and

WHEREAS, the ICP will need the full support of the members both at the Policy level (elected officials) and the staff levels in order to make this process work; and

WHEREAS, the Town Commission of the Town of Lake Park finds that joining with fellow municipalities, Palm Beach County, and other local governments in a collaborative process for purposes of developing and creating a true Countywide Transportation Plan is in the best interests of the Town and serves a valid public purpose.

NOW THEREFORE, BE IT RESOLVED BY THE TOWN COMMISSION OF THE TOWN OF LAKE PARK, FLORIDA;

Section 1. The recitals set forth above are incorporated into this Resolution as true findings of fact by the Town Commission.

Section 2. The Town Commission supports the following as necessary for the achievement of a Countywide Transportation Plan:

- 2) The ICP's Multijurisdictional Issues Coordination Forum Executive Committee (MICFEC) shall serve as the Oversight Board for the Consulting Firm hired to craft the Countywide Transportation Plan providing policy level activities specifically related to the contractual relationship, holding of public meetings with

the Consulting Firm, providing direction to IPARC 2.0, facilitating engagement and participation of the ICP membership, and making recommendations to the governing bodies of the County, municipalities and others.

- 3) The formation of an expanded version of the Intergovernmental Plan Amendment Review Committee (IPARC) by adding municipal and County Engineers, Public Works, IT, TPA, FDOT, Tri Rail, Palm Tran, and others as deemed appropriate by MICFEC to serve as the Technical Advisory Committee (TAC). The Technical Advisory Committee, IPARC 2.0, will provide information as required by the Consulting Firm as the subject matter experts and providing input and advice to the Consulting Firm and MICFEC.

Dear Mayor Michaud:

A handwritten signature in blue ink that reads "Roger,".

Please find attached Village Resolution 2024-51 regarding the much-discussed countywide Transportation Plan. Unanimously approved by the Council at the October 11th meeting, the Resolution expresses support for a truly collaborative process. It accomplishes this by sanctioning the use of the **Intergovernmental Coordination Program's Multijurisdictional Issues Coordination Forum Executive Committee (MICFEC)** and an expanded **Intergovernmental Plan Amendment Review Committee (IPARC)**, now known as **IPARC 2.0**. The former will oversee the Consultants process and work product while the latter will provide technical assistance. Each municipality as well as the County and Special Taxing Districts are all a part of the **Intergovernmental Coordination Program** through existing Interlocal Agreements.

Review the Resolution and consider placing it on your agenda for your municipality to join efforts to address transportation in a structured, collaborative and positive way.

In Public Service,
