ATTACHMENT 4 – ABSTRACT

Applicant: Town of Lake Park

Name of Project: Eyes on Park Avenue

Goals: Project objectives are to lower the crime rate in the commercial district, increase public safety, increase the number and or size of businesses, and increase the number of jobs.

Success will be measured by:

- Lower crime rates in the district;
- *Increased number of businesses locating in the district;**
- *Expansion of businesses in the district;**
- *Number of jobs created in the district;**
- *Location of public transit site (station) in the district;**
- Increase in area foot traffic (as provided by the CRA Sheriff's Officers)

***Note:** These factors will measure the ARRA Benefits

Strategies: We believe that the cameras will allow the local Sheriff's Department to monitor the street corners where a majority of the problems take place. The major deliverables will be lower crime rates, and increased economic viability for the area.
