COMPREHENSIVE ALCOHOL AND DRUG ABUSE
POLICY FOR

THE TOWN OF LAKE PARK MUNICIPAL EMPLOYEES AND PUBLIC WORKERS

FEDERATION OF PUBLIC EMPLOYEES, A DIVISION OF THE NATIONAL
FEDERATION OF PUBLIC AND PRIVATE EMPLOYEES (AFL-CIO)

Agreement between the Town at Lake Park (the Town) and the Federation of Public Employees, A Division of the National Federation of Public and Private Employees (AFL-CIO) (The Union) with regard to substance abuse on the job and employee testing for alcohol and drug abuse. The Town and the Union agree as follows:

I. PURPOSE

As a part of its commitment to safeguard the health of its employees, to provide a safe place for its employees to work and to promote a drug-free community, the Town has established its Drug Free Workplace Policy and Procedures on the use or abuse of alcohol and drugs by its employees. Substance and alcohol abuse, while at work or otherwise, seriously endangers the safety of employees, as well as the general public, and creates a variety of workplace problems including increased injuries on the job, increased absenteeism, increased health care and benefit costs, increased theft, decreased morale, decreased productivity and a decline in the quality of products and services provided. Continuing research and practical experience have proven that even limited quantities of narcotics, abused prescription drugs or alcohol can impair reflexes and judgment. For these reasons, the Town policy requires that all employees must report to work and work completely free from the presence of illegal drugs or alcohol in their bodies, and to assist employees in overcoming any dependence on drugs and/or alcohol in accordance with the following guidelines.

This policy is hereby implemented pursuant to the Drug-Free Workplace Program under Florida law, Chapter 440, Florida Statutes. This law provides that an employee who is injured in the course and scope of his/her employment and who either tests positive on a drug or alcohol test or who refuses to be tested forfeits his/her eligibility for workers' compensation medical and indemnity benefits.

Questions concerning the Town's policy should be presented to the Human Resources Director for guidance or clarification.

II. SCOPE

All current and future applicants and employees are covered by this policy and, as a condition of employment, are required to abide by the terms of this policy. Because of state

or federal laws and regulations, certain employees may be subject to additional requirements. Employees covered by a Collective Bargaining agreement may have specific language in their agreement concerning the Town's Drug Free Workplace policy; however, all employees of the Town are expected to comply with the provisions contained in the Town's policy, including any enacted amendments or supplements to Florida law or administrative regulations.

III. DEFINITIONS

The definitions set forth in Chapter 440, Florida Statutes, and the Florida Administrative Code will apply to the terms used in this policy.

IV. ALCOHOL USE PROHIBITIONS

- A. All employees are prohibited from distributing, dispensing, possessing, using or being impaired, intoxicated or under the influence of alcohol while on duty, operating a Town vehicle or equipment or on Town property including parking areas or while otherwise performing Town duties away from the Town.
- B. Off-duty abuse of alcohol which adversely affects an employee's job performance, or which can be expected to cause harm to the Town's image or relationship with other employees or the public, is prohibited.
- C. For the purpose of this policy, an employee is presumed to be impaired, intoxicated or under the influence of alcohol if a blood test or other scientifically acceptable testing procedure shows that the employee has a level of at least .05 percent blood alcohol in his/her system at the time of testing.
- D. An employee who is perceived to be under the influence of alcohol will be removed immediately from the workplace and may be evaluated by medical personnel, if reasonably available. The Town will take further action based on medical information, work history and other relevant factors. The determination of what action is appropriate in each case rests solely with the Town.
- E. Employees arrested for an alcohol or drug related incident shall immediately notify their supervisor or Department Head who shall immediately notify the Human Resources Director.

V. DRUG USE PROHIBITIONS

- A. All employees are prohibited from manufacturing, distributing, dispensing, possessing or using illegal drugs or other unauthorized or mind-altering or intoxicating substances while on duty, operating a Town vehicle or equipment or on Town property (including parking areas and grounds) or while otherwise performing Town duties away from the Town. Included within this prohibition are

lawful controlled substances which have been illegally or improperly obtained. Employees are also prohibited from reporting to work or working with the presence of any such illegal or unauthorized controlled substances or excessive amounts of otherwise lawful controlled substances in their systems.

- B. For the purpose of this policy, an employee is presumed to be impaired by drugs if the results of a urine test or any other accepted testing procedure is positive for the presence of one or more of the illegal substances for which the Town will test.
- C. The proper use of medication prescribed by your physician is not prohibited; however, this policy expressly prohibits the misuse of prescribed medications. Prescription drugs may also affect the safety of the employee, fellow employees or members of the public. Therefore, any employee who is taking any prescription drug which might impair safety, performance or any motor functions must advise his/her supervisor before reporting to work under such medication. Failure to do so may result in disciplinary action. It is the employee's responsibility to determine from his/her physician whether a prescribed drug may impair job performance. If the Town determines that such use does not pose a safety risk, the employee will be permitted to work. If such use impairs the employee's ability to safely or effectively perform his or her job the Town may, at its sole discretion, temporarily reassign the employee or grant a leave of absence during the period of treatment. Improper use of prescription drugs is prohibited and may result in disciplinary action, up to and including termination of employment. Prescription medication must be kept in its original container if such medication is taken during working hours or on Town property, or the prescription must be available to be brought in by the employee and made available upon request by the employee's supervisor within a reasonable period of time.
- D. It shall be the responsibility of each employee who observes or has knowledge of another employee in a condition which impairs the employee to perform his/her job duties, or who presents a hazard to the safety and welfare of others or is otherwise in violation of this policy, to promptly report that fact to his/her immediate supervisor.

VI. TESTING

The Town shall conduct drug tests in the following circumstances:

- A. Applicant Testing
 - 1. All job applicants will be tested for the presence of illegal drugs as part of the application process.

2. The Town may elect to conduct limited testing of job applicants and only test applicants who apply for certain job positions, based on a reasonable classification basis.
3. The Town may allow a job applicant to begin work pending the results of the drug test; however, any such employment is conditional and may be revoked if the applicant/employee fails the required test.
4. Any job applicant who refuses to submit to drug testing, refuses to sign a consent form, fails to appear for testing, tampers with the test, or fails to pass the pre-employment drug test will be ineligible for hire. Such an individual may not reapply for employment with the Town for at least one (1) year from the date of the drug test.

B. Reasonable Suspicion Testing

Employees must submit to a drug test if the Town has reasonable suspicion that they have violated any of the rules set forth in this policy. "Reasonable suspicion" may arise from, among other factors:

1. Direct observation of drug use or of the physical symptoms or manifestations of being under the influence of a drug.
2. Deterioration in work performance.
3. A report of drug use provided by a reliable and credible source.
4. Evidence that an individual has tampered with a drug test during his/her employment with the Town.
5. Evidence that an employee has used, possessed, sold, solicited or transferred drugs while working or while on Town premises or while operating Town vehicles, machinery or equipment.
6. Abnormal conduct or erratic behavior while at work.

C. Routine Fitness For Duty Testing

An employee will submit to a drug test if the test is conducted as part of a routinely scheduled employee fitness-for-duty medical examination that is part of the Town's established policy or that is scheduled routinely for all members of an employment classification or group.

D. Follow-up Testing

If the employee in the course of employment enters an employee assistance program for drug related problems, or an alcohol and drug rehabilitation program, the employee must submit to drug testing as a follow-up to such a program, at least once a year for a two-year period after completion of the program. Advance notice of follow-up testing will not be given to the employee being tested.

E. Random Testing

Employees who are required to have a commercial driver's license (CDL) will be required to submit to drug testing on a random basis.

Selection of employees for random testing will be conducted through the use of a neutral selection process.

When an employee is selected for random testing, both the employee and the employee's supervisor will be notified on the day the test is scheduled to occur.

Testing may be postponed only when an employee's supervisor agrees that there is a compelling need for deferral.

An employee whose random drug test is deferred will be subject to an unannounced test within sixty (60) days.

F. Job Related Accident or Injury

An employee who has a job related accident or injury shall report the incident to the appropriate Department Head immediately, and shall submit to a post-accident drug test immediately following such incident.

G. Additional Testing

Additional testing may also be conducted as required by applicable state or federal laws, rules or regulations, or as deemed necessary by the Town.

VII. PRIOR TO TESTING

A. The Town may test for any or all of the following drugs:

Alcohol

Amphetamines (Desoxyn, Dexedrine)

Cannabinoids (e.g., marijuana)

Cocaine

Phencyclidine (e.g., PCP)

Methaqualone

Opiates (e.g., opium)

Barbiturates (Phenobarbital, Tuinal, Amytal)

Benzodiazepines (Ativan, Azene, Clonopin, Dalmane, Diazepam, Halcion, Librium, Restoril, Serax, Tranxene, Valium, Vertron, Xanax)

B. Job applicants required to submit to drug testing and employees required to submit to drug and alcohol testing must sign a consent agreement and release of liability prior to testing.

C. Because of the potential adverse consequences of positive test results on employees, the Town will employ a very accurate testing program. All samples will be analyzed by a qualified independent laboratory which has been selected by the Town and certified by the Agency for Health Care Administration or the U.S. Department of Health and Human Services.

D. Applicants and employees will be given an opportunity prior to and after testing to provide any information to the Medical Review Officer which they consider relevant to the test including listing all drugs they have taken recently, including prescribed drugs, and to explain the circumstances of the use of those drugs. This medical information is confidential and should be given only to the Medical Review Officer. Applicants and employees will also be provided with a notice of the most common-medications by brand name, as well as the chemical name, which may alter or affect a drug test. Finally, applicants will receive a summary of this policy and a list of employee assistance - programs and local drug rehabilitation programs.

E. An employee injured at the workplace is required to be drug tested and will be taken if necessary to a medical facility for immediate treatment of injuries. If the injured employee is not at a designated collection site, the employee will be transported to one as soon as it is medically feasible and specimens will be obtained. If it is not medically

feasible to move the injured employee, specimens will be obtained at the treating facility and transported to an approved testing laboratory.

F. No specimens will be taken prior to the administration of emergency medical care. Once this condition has been satisfied, an injured employee must release to the employer the results of any tests conducted for the purpose of showing the presence of alcohol or drugs in his/her system.

G. Urine will be used for the initial test for all drugs except alcohol and for the confirmation of all drugs except alcohol. Blood will be used as the initial and confirmation test for alcohol.

H. The Town will pay the cost of initial and confirmation drug tests which it requires of employees and job applicants. An employee or job applicant will pay the cost of any additional drug tests not required by the Town.

VIII. PROCEDURE

- A. The Human Resources Director will coordinate all testing requests except for the random testing carried out under the DOT regulations. Questions regarding this policy or requests for testing should be directed to the Human Resources Director or the Town Manager.
- B. Drug testing shall be conducted in accordance with the following procedures:
1. Collection, transportation and storage of samples shall be conducted with due regard to the privacy of the individual providing the sample and in a manner reasonably calculated to prevent substitution or contamination of the sample. The Town shall use chain-of-custody procedures as established by state and federal rules and guidelines.
 2. Each specimen container shall be labeled.
 3. Employees and applicants shall be given a form on which they may provide any information relevant to the test, including identification of currently or recently used prescription or non-prescription medications or other relevant medical information. The form shall provide notice of the most common medications by brand name, as well as the chemical name, which may alter or affect a drug test. The providing of information shall not preclude the administration of the drug test, but shall be taken into account in interpreting any positive confirmed test results.
 4. Tests shall be conducted by a laboratory licensed and approved by the Agency for Health Care Administration or certified by the United States Department of Health and Human Services.

5. Specimens may be taken or collected by a physician, a physician assistant, a registered professional nurse, a licensed practical nurse, a nurse practitioner or certified paramedic who is present at the scene of an accident for the purpose of rendering emergency medical service or treatment or by a qualified person employed by a licensed or certified laboratory.
6. A person who collects or takes a specimen for a drug test shall collect an amount sufficient for two (2) drug tests as determined by the Agency for Health Care Administration.
7. Specimens yielding a positive confirmed test result shall be preserved by the licensed or certified laboratory that conducted the confirmation test:
 - a. for at least 210 days after the result of the test was mailed or otherwise deliver to the Medical Review Officer; or
 - b. if the employee or job applicant undertakes an administrative or legal challenge to the test result and notifies the laboratory of such, until the case or administrative appeal is settled.
8. During the 180 day period after written notification of a positive test result, the employee or job applicant may obtain a portion of the sample for retesting at the employee's or job applicant's expense, by another licensed laboratory licensed and approved by the Agency for Health Care Administration. The laboratory which performed the original test and confirmation is responsible for the transfer of the sample and for the integrity of the chain-of-custody during the transfer.
9. Within five (5) workdays after receipt of a positive confirmed test result from the Medical Review Officer, the Town shall notify the employee or job applicant in writing of the result, its consequences and the employee's or job applicant's options.
10. The Town shall provide a copy of the test results to the employee or job applicant upon request.
11. Within five (5) workdays after receipt of a positive confirmed test result, the employee or job applicant may submit information to the Medical Review Officer explaining or contesting the test results, or to the Town explaining why the results do not constitute a violation of this policy. If the challenge or explanation is unsatisfactory, the employee or job applicant shall be provided with a written explanation as to why the

employee's or job applicant's explanation is unsatisfactory, along with a report of the test results. All such documentation shall be kept confidential and shall be retained by the employer for at least one (1) year.

C. Employee Protection

1. The drug testing laboratory will not disclose any information concerning the health or mental condition of the tested employee.

3. The Town will not discharge, discipline, refuse to hire, discriminate against or request or require rehabilitation of an employee or job applicant on the sole basis of a positive test result that has not been verified by a confirmation test and by a Medical Review Officer.
4. The Town shall not discharge, discipline or discriminate against an employee solely upon the employee's voluntarily seeking treatment, while under the employ of the employer, for a drug-related problem if the employee has not previously tested positive for drug use, entered an employee assistance program for drug-related problems, or entered a drug rehabilitation program. The Town retains the right to select the employee assistance program or drug rehabilitation program if the Town pays the cost of the employee's participation in the program.
5. All authorized remedial treatment, care and attendance provided by a health care provider to an injured employee before medical and indemnity benefits are denied must be paid for by the carrier or self-insurer. However, the carrier or self-insurer must have given reasonable notice to all affected health care providers that payment for treatment, care and attendance provided to the employee after a future date certain will be denied. An employee who voluntarily comes forward before being confronted, tested or involved in a drug-related incident may be provided rehabilitative opportunities, leave or an opportunity to resign as determined by management in consultation with a Town coordinating physician.
6. The Town shall promptly detail in writing the circumstances which formed the basis of a determination that reasonable suspicion existed to warrant testing and shall provide this documentation to the employee

upon request. The original documentation shall be kept confidential and shall be retained by the Town for at least one (1) year.

IX. DISCIPLINARY ACTION

- A. In the case of a first-time violation of the Town's policy, including a positive drug or alcohol test result, the employee will be subject to discipline, up to and including termination of employment. Refusal to submit to testing under this policy will result in forfeiture of eligibility for all medical and indemnity benefits and will subject the employee to termination of employment.
- B. The Town may, at its sole discretion, suspend employees without pay under this policy pending the results of a drug test or investigation.
- C. Any employee having a second positive drug test during his/her employment with the Town will be terminated from employment.

 - 2. That in exchange for the Town not terminating employment for this instance of testing positive or otherwise violating the policy, they agree to undergo rehabilitation, counseling or other activities prescribed by the Town's coordinating physician in conjunction with management; to undergo periodic unannounced drug testing for a period of two (2) years, and be subject to termination from employment for any future violation of the policy.
- E. Employees who test positive, admit to drug or alcohol use or related misconduct, or voluntarily seek assistance, and are not terminated from employment, will not be returned to work or continue working until they have been evaluated by the Town's EAP Program Provider in conjunction with administration to determine if they can safely return to work.

X. INVESTIGATIONS/SEARCHES

- A. Where the Town has reasonable suspicion that an employee has violated the substance abuse policy, the Town may inspect vehicles, lockers, work areas, desks, purses, briefcases, tool boxes and other locations or belongings on the Town's premises without prior notice, in order to ensure a work environment free of prohibited substances. An employee may be asked to be present and remove a personal lock. Where the employee is not present or refuses to remove a personal lock, the Town may do so for him or her, and

compensate the employee for the lock. Any such searches will be coordinated with a representative of management.

B. Individuals may be requested to display personal property for visual inspection upon Town request. Failure to consent to a search or display personal property for visual inspection will be grounds for discharge or denial of access to Town premises.

D. Employees will be subject to discipline, up to and including termination of employment, for refusing to cooperate with searches or investigations.

XI. ARREST OR CONVICTION FOR DRUG-RELATED CRIME

A. If an employee is arrested for or convicted of a drug-related crime, the Town will investigate the circumstances and direct the implementation of drug-testing procedures if cause is established by the investigator. In most cases, an arrest for a drug-related crime constitutes reasonable suspicion of drug use under this policy. The following procedures will apply:

1. During investigation, an employee may, at the Town's discretion, be placed on leave without pay. After the investigation is completed, the leave may be converted to a suspension without pay or other disciplinary action, or the employee may be reinstated depending upon the facts and circumstances.
2. If convicted of a drug-related crime, an employee will be terminated from employment.
3. If an employee has been suspended and the case has been dismissed or otherwise disposed of, the Town will make a determination as to whether to authorize the employee's return to work based on its investigation. If the employee is authorized to return to work, the employee must agree in writing to unannounced, periodic testing for a period of up to two (2) years.
4. Because of the seriousness of such situations, the Town reserves the right to alter or change its policy or decision on a given situation depending upon its investigation and the totality of the circumstances.

As a condition of employment, an employee shall immediately notify the Town of any criminal drug statute arrest or conviction.

XII. CONFIDENTIALITY

All information received by the Town as a result of a drug testing program is confidential and may not be used or received in evidence, obtained in discovery, or disclosed in any public or private proceedings, except:
