This Agreement is by and between the State of Florida, Department of State, Division of Library and Information Services, hereinafter referred to as the "Division," and the Town of Lake Park for and on behalf of Lake Park Public Library hereinafter referred to as the "Subgrantee."

The Subgrantee has made application and has met all eligibility requirements and has been awarded a Library Services and Technology Act Grant (CFDA 45.310) by the Division: grant number 17-LSTA-B-03 for the project "Barcode Technology Conversion" in the amount of \$39,798. Federal funds are provided through the Library Services and Technology Act under Florida's long range plan approved by the Institute of Museum and Library Services. State of Florida authority for this grant has been appropriated in the FY 2017-2018 General Appropriations Act on line 3127. The Division, as administrator of federal funds in accordance with Section 257.12, *Florida Statutes*, has the authority to administer this grant. By reference, the application and any approved revisions are hereby made a part of this agreement.

In consideration of the mutual covenants and promises contained herein, the parties agree as follows:

1. Grant Purpose. This grant shall be used exclusively for the "Barcode Technology Conversion," the public purpose for which these funds were awarded.

a) The Subgrantee shall perform the following **Scope of Work**:

The Lake Park Public Library will convert the Library's barcode system of checking out books to a Radio Frequency Identification (RFID) system of checkout and circulation processes. Converting to an RFID system involves the purchase and installation of two security gate readers, one self-checkout kiosk, and two RFID workstations. Library staff will retag its 36,000 item collection and convert the barcode database to the RFID system using a rented conversion station. Library staff will be trained and the public will receive educational training sessions about the upgrades.

All tasks associated with this project, as outlined in the Project Description (see Attachment A), will be performed by September 30, 2018.

b) The Subgrantee agrees to provide the following **Deliverables** related to the Scope of Work for payments to be awarded.

Payment 1:

- The first payment will be a fixed price advance in the amount of 25% (\$9,950) of the grant award.

Payment 2, Deliverable/Task 1:

- The fifth payment will be a fixed price in the amount of 5% (\$1,988) of the grant award. Lake Park Public Library will have received the database conversion rental equipment and tags and installed the RFID equipment (two security gate readers, one self-checkout kiosk, and two RFID workstations).

To document evidence of completion of the deliverables Lake Park Public Library will provide copies of invoices for the equipment and installation.

- c) The Subgrantee has provided an Estimated Project Budget (which is incorporated as part of this Agreement and titled Attachment B). All expenditures for this agreement shall be in accordance with this budget.
2. **Length of Agreement.** This Agreement shall begin on the date the agreement is signed by both the Subgrantee's Governing Body and the Division. The Agreement shall end September 30, 2018 unless terminated in accordance with the provisions of Section 38 of this Agreement.

Approval must be obtained from the Division before the changes are implemented in the project. Approval will be granted for changes that are consistent with the intent of the approved application or prior Change Requests. Changes to the project must be requested using the Change Request in the DOS Grants System at dosgrants.com.

Changes that are agreed upon shall be valid only when amended in writing, signed by each of the parties and attached to the original of this Agreement. If changes are implemented without the Division's written approval, the organization is subject to noncompliance, the grant award is subject to partial or complete refund to the State of Florida and this agreement is subject to termination.

10. Financial Consequences. The Department shall apply the following financial consequences for failure to perform the minimum level of services required by this Agreement in accordance with Sections 215.971 and 287.058, *Florida Statutes*:

- a) The full amount of the first payment (fixed-price advance in the amount of 25% of the grant award) will be returned to the State of Florida if Deliverable 1 is not satisfactorily completed.
- b) Second payment will be withheld if Deliverables are not satisfactorily completed.
- c) Third payment will be withheld if Deliverables are not satisfactorily completed.
- d) Fourth payment will be withheld if Deliverables are not satisfactorily completed.
- e) Fifth payment will be withheld if Deliverables are not satisfactorily completed.

11. Grant Reporting Requirements. The Subgrantee must submit a Mid-Year report on or by April 1, 2018. The Mid-Year report must be submitted using the DOS Grants System at dosgrants.com. At the completion of the project, the Subgrantee must submit a Final Report on or by November 1, 2018. The Final Report must be submitted using the DOS Grants System at dosgrants.com.

12. Matching Funds. If a project is awarded less than \$10,000 (\$0-\$9,999) in grant funds or is a statewide project administered by a local organization as part of a Division statewide program, no matching funds are required. All other projects must provide local matching funds that equal a minimum of one-third (1/3) of the amount of federal grant funds awarded. Upon request, the Division will waive the financial matching requirements on grants for libraries located in counties or communities with rural status in compliance with Sections 288.0656 and 288.06561, *Florida Statutes*.

In addition, the following are not allowed as matching expenditures:

- Other federal grant funds.
- Volunteer time.

13. Grant Completion Deadline. The grant completion deadline is **September 30, 2018**. The Grant Completion Deadline is the date by which all grant and matching funds have been expended in accordance with the work described in the Scope of Work as detailed in the Estimated Project Budget.

14. Acknowledgement of Grant Funding. Both the Institute of Museum and Library Services (IMLS) and the Division require public acknowledgement of Library Services and Technology Act (LSTA) grant funding for activities and publications supported by grant funds. Any announcements, information, press releases, publications, brochures, videos, web pages, programs, etc. created as part of an LSTA project must include an acknowledgment that LSTA funds were used to create them.

Use the following text:

“This project was funded under the provisions of the Library Services and Technology Act from the Institute of Museum and Library Services. Florida’s LSTA program is administered by the Department of State’s Division of Library and Information Services.”

15. Non-allowable Grant Expenditures. The Subgrantee agrees to expend all grant funds received under this agreement solely for the purposes for which they were authorized and appropriated. Expenditures shall be in compliance with the state and federal guidelines for allowable project costs. State guidelines for allowable costs are outlined in the Department of Financial Services’ Reference Guide for State Expenditures, incorporated by reference, which are available online at myfloridacfo.com/aadir/reference_guide. Federal guidelines for allowable costs can be found in 2 *CFR* 2 Subpart E – Cost Principles at www.ecfr.gov.

In addition, the following are not allowed as grant expenditures:

1. Construction. Funds may not be used to build, remodel or expand library facilities. However, they may be used to retrofit a building to accommodate technologies (e.g., wiring).
2. Audits. If the Subgrantee’s governing entity has received less than \$750,000 in federal funds, LSTA funds may not be used to cover audit costs.
3. Food. Although food may be served at a program being provided with grant funds, the food may not be purchased with grant funds.

16. Travel Expenses. The Subgrantee must pay any travel expenses, from grant or local matching funds, in accordance to the provisions of Section 112.061, *Florida Statutes*.

17. Equipment Purchased With Grant Funding. Before the Subgrantee can purchase any equipment with a purchase price of more than \$5,000 (per item), the Division must request approval from the Institute of Museum and Library Services. The Subgrantee will be notified once the approval has been obtained.

18. Unobligated and Unearned Funds and Allowable Costs. In accordance with Section 215.971, *Florida Statutes*, the Subgrantee shall refund to the State of Florida any balance of unobligated funds which has been advanced or paid to the Subgrantee. In addition, funds paid in excess of the amount to which the Subgrantee is entitled under the terms and conditions of the agreement must be refunded to the state agency. Further, the Subgrantee may expend funds only for allowable costs resulting from obligations incurred during the specified agreement period. Expenditures of state and federal financial assistance must be in compliance with the laws, rules and regulations applicable to expenditures of funds. For state funds, guidelines include, but are not limited to, the *Reference Guide for State Expenditures*. For federal funds, guidelines for allowable costs can be found in 2 *CFR* 2 Subpart E – Cost Principles.

- 19. Repayment.** All refunds or repayments to be made to the Department under this agreement are to be made payable to the order of "Department of State" and mailed directly to the following address: Florida Department of State, Attention: David Beach, Division of Library and Information Services, 500 South Bronough Street, Mail Station #9D, Tallahassee, FL 32399. In accordance with Section 215.34(2), *Florida Statutes*, if a check or other draft is returned to the Department for collection, Subgrantee shall pay to the Department a service fee of \$15.00 or five percent (5%) of the face amount of the returned check or draft, whichever is greater.
- 20. Single Audit Act.** Each Subgrantee, other than a Subgrantee that is a State agency, shall submit to an audit pursuant to the federal Single Audit Act, 2 *CFR* 2 Subpart F – Audit Requirements. See Attachment C for additional information regarding this requirement. If a Subgrantee is not required by law to conduct an audit in accordance with the Florida Single Audit Act because it did not expend at least \$750,000 in state financial assistance, it must submit a Financial Report on its operations pursuant to Section 257.41(3), *Florida Statutes* within nine months of the close of its fiscal year.
- 21. Retention of Accounting Records.** Financial records, supporting documents, statistical records and all other records, including electronic storage media pertinent to the Project, shall be retained through June 30, 2024. If any litigation or audit is initiated or claim made, the records shall be retained until June 30, 2024 or five fiscal years after the litigation, audit or claim has been completed and all issues arising from it have been resolved, whichever is later.
- 22. Obligation to Provide State Access to Grant Records.** The Subgrantee must make all grant records of expenditures, copies of reports, books, and related documentation available to the Division or a duly authorized representative of the State of Florida for inspection at reasonable times for the purpose of making audits, examinations, excerpts and transcripts.
- 23. Obligation to Provide Public Access to Grant Records.** The Division reserves the right to unilaterally cancel this Agreement in the event that the Subgrantee refuses public access to all documents or other materials made or received by the Subgrantee that are subject to the provisions of Chapter 119, *Florida Statutes*, known as the *Florida Public Records Act*. The Subgrantee must immediately contact the Division's Contract Manager for assistance if it receives a public records request related to this Agreement.
- 24. Noncompliance.** Any Subgrantee that is not following Florida statutes or rules, the terms of the grant agreement, Florida Department of State policies and guidance, local policies, or other applicable law or that has not submitted required reports or satisfied other administrative requirements for other Division of Library and Information Services grants or grants from any other Office of Cultural, Historical, and Information Programs (OCHIP) Division will be in noncompliance status and subject to the OCHIP Grants Compliance Procedure. OCHIP Divisions include the Division of Cultural Affairs, the Division of Historical Resources and the Division of Library and Information Services. Grant compliance issues must be resolved before a grant award agreement may be executed and before grant payments for any OCHIP grant may be released.

25. Accounting Requirements. The Subgrantee must maintain an accounting system that provides a complete record of the use of all grant funds as follows:

- a) The accounting system must be able to specifically identify and provide audit trails that trace the receipt, maintenance and expenditure of state funds;
- b) Accounting records must adequately identify the sources and application of funds for all grant activities and must classify and identify grant funds by using the same budget categories that were approved in the grant application. If Subgrantee's accounting system accumulates data in a different format than the one in the grant application, subsidiary records must document and reconcile the amounts shown in the Subgrantee's accounting records to those amounts reported to the Division;
- c) An interest-bearing checking account or accounts in a state or federally chartered institution may be used for revenues and expenses described in the Scope of Work and detailed in the Estimated Project Budget;
- d) The name of the account(s) must include the grant award number;
- e) The Subgrantee's accounting records must have effective control over and accountability for all funds, property and other assets; and
- f) Accounting records must be supported by source documentation and be in sufficient detail to allow for a proper pre-audit and post-audit (such as invoices, bills and canceled checks).

26. Availability of Grant Funds. The State of Florida's performance and obligation to pay grant funds under any Agreement are contingent upon an annual appropriation by the Florida Legislature and upon an annual appropriation of the U.S. Congress. In the event that the state or federal funds upon which this Agreement is dependent are withdrawn, this Agreement will be automatically terminated and the Division shall have no further liability to the Subgrantee beyond those amounts already expended prior to the termination date. Such termination will not affect the responsibility of the Subgrantee under this Agreement as to those funds previously distributed. In the event of a state revenue shortfall, the total grant may be reduced accordingly.

27. Excluded or Disqualified. The Subgrantee certifies that to the best of the Subgrantee's knowledge and belief the Subgrantee and its principals:

- a) Are not presently excluded or disqualified (debarment, suspension and other responsibility matters);
- b) Have not been convicted within the preceding three years of any of the offenses listed in 45 *CFR* 1185.800(a), incorporated by reference, or had a civil judgment rendered against them for one of those offenses within that time period;

- c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (federal, state or local) with commission of any of the offenses listed in 45 *CFR* 1185.800(a), incorporated by reference; and

- e) Will comply with 45 *CFR* Part 1185 Subpart C (Responsibilities of Participants Regarding Transactions), incorporated by reference, and will require similar compliance with Subpart C by persons at the next lower tier with whom the primary tier participant enters into covered transactions.

28. Drug-Free Workplace. The Subgrantee will provide or continue to provide a drug-free workplace by complying with the requirements in Subpart B of 45 *CFR* Part 1186, incorporated by reference.

This includes making a good faith effort, on a continuing basis, to maintain a drug-free workplace; publishing a drug-free workplace statement; establishing a drug-free awareness program for employees; taking actions concerning employees who are convicted of violating drug statutes in the workplace; and identifying (either with this application, upon award, or in documents kept on file in the Subgrantee's office) all known workplaces under the award.

29. Lobbying. The Subgrantee will not use any grant funds for lobbying the state legislature, the state judicial branch or any state agency. The Subgrantee will not use any grant funds for lobbying an officer or employee of any federal agency, Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with any of the following federal actions:

- a) The awarding of any federal contract.
- b) The making of any federal grant.
- c) The making of any federal loan.
- d) The entering into of any cooperative agreement.
- e) The extension, continuation, renewal, amendment or modification of any federal contract, grant, loan or cooperative agreement.

30. Delinquent in Repayment of Federal Debt. The Subgrantee certifies that, to the best of the Subgrantee's knowledge and belief, the Subgrantee is not delinquent in the repayment of any federal debt.

The Subgrantee shall insert a list of similar provisions in all subcontracts for services required by this agreement.

32. Copyright and License. When publications, films or similar materials are developed, directly or indirectly, from a program, project or activity supported with grant funds, Subgrantee (and any of its subcontractors, if applicable) shall grant the Department of State an irrevocable, royalty-free, non-transferable, non-exclusive right and license to reproduce or otherwise use, to make derivative works from, and to display and distribute any copyrighted material developed under this Agreement for any state governmental purpose. The Subgrantee also grants the federal awarding agency a royalty-free, nonexclusive and irrevocable license to reproduce, publish or otherwise use, and to authorize others to use, for federal government purposes:

- a) The copyright in any work developed under a grant, subgrant or contract under a grant or subgrant; and
- b) Any rights of copyright to which the grantee, subgrantee or a contractor purchases ownership with grant support.

The Subgrantee shall include the foregoing paragraph in all of its subcontracts.

33. Independent Contractor Status of Subgrantee. The Subgrantee, if not a state agency, agrees that its officers, agents and employees, in performance of this Agreement, shall act in the capacity of independent contractors and not as officers, agents or employees of the state. The Subgrantee is not entitled to accrue any benefits of state employment, including retirement benefits and any other rights or privileges connected with employment by the State of Florida.

- 34. Subgrantee's Subcontractors.** The Subgrantee shall be responsible for all work performed and all expenses incurred in connection with this Agreement. The Subgrantee may subcontract, as necessary, to perform the services and to provide commodities required by this Agreement. The Division shall not be liable to any subcontractor(s) for any expenses or liabilities incurred under the Subgrantee's subcontract(s), and the Subgrantee shall be solely liable to its subcontractor(s) for all expenses and liabilities incurred under its subcontract(s). The Subgrantee must take the necessary steps to ensure that each of its subcontractors will be deemed to be independent contractors and will not be considered or permitted to be agents, servants, joint venturers or partners of the Division.
- 35. Liability.** The Division will not assume any liability for the acts, omissions to act or negligence of the Subgrantee, its agents, servants or employees; nor may the Subgrantee exclude liability for its own acts, omissions to act or negligence to the Division.
- a) The Subgrantee shall be responsible for claims of any nature, including but not limited to injury, death and property damage arising out of activities related to this Agreement by the Subgrantee, its agents, servants, employees and subcontractors. The Subgrantee shall indemnify and hold the Division harmless from any and all claims of any nature and shall investigate all such claims at its own expense. If the Subgrantee is governed by Section 768.28, *Florida Statutes*, it shall only be obligated in accordance with this Section.
 - b) Neither the state nor any agency or subdivision of the state waives any defense of sovereign immunity or increases the limits of its liability by entering into this Agreement.
 - c) The Division shall not be liable for attorney fees, interest, late charges or service fees, or cost of collection related to this Agreement.
 - d) The Subgrantee shall be responsible for all work performed and all expenses incurred in connection with the project. The Subgrantee may subcontract as necessary to perform the services set forth in this Agreement, including entering into subcontracts with vendors for services and commodities, provided that such subcontract has been approved in writing by the Department prior to its execution and provided that it is understood by the Subgrantee that the Department shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and that the Subgrantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.
- 36. Strict Compliance with Laws.** The Subgrantee shall perform all acts required by this Agreement in strict conformity with all applicable laws and regulations of the local, state and federal law. For consequences of noncompliance, see Section 24, Noncompliance.
- 37. Breach of Agreement.** The Division will demand the return of grant funds already received, will withhold subsequent payments and/or will terminate this agreement if the Subgrantee improperly expends and manages grant funds; fails to prepare, preserve or surrender records required by this Agreement; or otherwise violates this Agreement.

- 38. Termination of Agreement.** The Division will terminate or end this Agreement if the Subgrantee fails to fulfill its obligations herein. In such event, the Division will provide the Subgrantee a notice of its violation by letter and shall give the Subgrantee fifteen (15) calendar days from the date of receipt to cure its violation. If the violation is not cured within the stated period, the Division will terminate this Agreement. The notice of violation letter shall be delivered to the Subgrantee's Contract Manager, personally, or mailed to his/her specified address by a method that provides proof of receipt. In the event that the Division terminates this Agreement, the Subgrantee will be compensated for any work completed in accordance with this Agreement prior to the notification of termination if the Division deems this reasonable under the circumstances. Grant funds previously advanced and not expended on work completed in accordance with this Agreement shall be returned to the Division, with interest, within thirty (30) days after termination of this Agreement. The Division does not waive any of its rights to additional damages if grant funds are returned under this Section.
- 39. Preservation of Remedies.** No delay or omission to exercise any right, power or remedy accruing to either party upon breach or violation by either party under this Agreement shall impair any such right, power or remedy of either party; nor shall such delay or omission be construed as a waiver of any such breach or default or any similar breach or default.
- 40. Non-Assignment of Agreement.** The Subgrantee may not assign, sublicense or otherwise transfer its rights, duties or obligations under this Agreement without the prior written consent of the Division, which shall not unreasonably be withheld. The agreement transferee must demonstrate compliance with the requirements of the project. If the Division approves a transfer of the Subgrantee's obligations, the Subgrantee shall remain liable for all work performed and all expenses incurred in connection with this Agreement. In the event the Legislature transfers the rights, duties and obligations of the Division to another governmental entity, pursuant to Section 20.06, *Florida Statutes* or otherwise, the rights, duties and obligations under this Agreement shall be transferred to the succeeding governmental agency as if it was the original party to this Agreement.
- 41. Required Procurement Procedures for Obtaining Goods and Services.** The Subgrantee shall provide maximum open competition when procuring goods and services related to the grant-assisted project in accordance with Section 287.057, *Florida Statutes*.
- a) **Procurement of Goods and Services Not Exceeding \$35,000.** The Subgrantee must use the applicable procurement method described below:
1. **Purchases Up to \$2,500:** Procurement of goods and services where individual purchases do not exceed \$2,500 do not require competition and may be conducted at the Subgrantee's discretion.
 2. **Purchases or Contract Amounts Between \$2,500 and \$35,000:** Goods and services costing between \$2,500 and \$35,000 require informal competition and may be procured by purchase order, acceptance of vendor proposals or other appropriate procurement document.

42. **Conflicts of Interest.** The Subgrantee hereby certifies that it is cognizant of the prohibition of conflicts of interest described in Sections 112.311 through 112.326, *Florida Statutes* and affirms that it will not enter into or maintain a business or other relationship with any employee of the Department of State that would violate those provisions. The Subgrantee further agrees to seek authorization from the General Counsel for the Department of State prior to entering into any business or other relationship with a Department of State Employee to avoid a potential violation of those statutes.
43. **Binding of Successors.** This Agreement shall bind the successors, assigns and legal representatives of the Subgrantee and of any legal entity that succeeds to the obligations of the Division of Library and Information Services.
44. **Employment of Unauthorized Aliens.** The employment of unauthorized aliens by the Subgrantee is considered a violation of Section 274A (a) of the Immigration and Nationality Act. If the Subgrantee knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement.
45. **Severability.** If any term or provision of the Agreement is found to be illegal and unenforceable, the remainder will remain in full force and effect, and such term or provision shall be deemed stricken.
46. **Americans with Disabilities Act.** All programs and facilities related to this Agreement must meet the standards of Sections 553.501 through 553.513, *Florida Statutes* and the Americans with Disabilities Act of 1990.
47. **Governing Law.** This Agreement shall be construed, performed and enforced in all respects in accordance with the laws and rules of Florida. Venue or location for any legal action arising under this Agreement will be in Leon County, Florida.

Project Description

(The project description below was extracted from the original application submitted in June 2017.)

The Town of Lake Park will convert Lake Park Public Library's (the Library) barcode system of checking out books and materials to a more efficient Radio Frequency Identification (RFID) system of checkout and circulation processes. By migrating to automated processes through RFID, Library staff will be able to provide personalized customer service to assist with Library resources, as RFID allows staff to reallocate time spent on tasks. The efficiency the RFID system provides will also enable the addition of requested programming for the community and allow patrons to utilize a self-checkout station that saves time spent in lines.

The RFID Conversion project involves:

- Procuring RFID equipment
- Installing RFID equipment
- Training Library staff
- Converting the barcode database records to RFID
- Tagging the 36,000 item collection
- Promoting the system to the public through education and training sessions.

AUDIT REQUIREMENTS

The administration of resources awarded by the Department of State to the Grantee may be subject to audits and/or monitoring by the Department of State as described in this Addendum to the Grant Award Agreement.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR 200.501 Section 215.97, *Florida Statutes*, monitoring procedures may include, but not be limited to, on-site visits by Department of State staff, limited scope audits as defined by 2 CFR 2 §200.425, and/or other procedures. By entering into this agreement, the recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Department of State. In the event the Department of State determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by the Department of State staff to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer or Auditor General.

AUDITS

PART I: FEDERALLY FUNDED

This part is applicable if the recipient is a State or local government or a non-profit organization as defined in 2 CFR 200.90, 200.64 & 200.70 as revised.

1. In the event that the recipient expends \$750,000 for fiscal years ending after December 31, 2014 or more during the non-Federal entity's fiscal year in Federal awards in its fiscal year, the recipient must have a single or program-specific audit conducted in accordance with the provisions of 2CFR 200.501. Exhibit 1 to this agreement indicates Federal resources awarded through the Department of State. The determination of amounts of Federal awards expended should be in accordance with the guidelines established by 2 CFR 200.502. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR 200.514, as revised, will meet the requirement of this part.
2. In connection with the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR 200.508.
3. If the recipient expends less than \$750,000 for fiscal years ending after December 31, 2014 in Federal awards in its fiscal year, an audit conducted in accordance with the provisions of 2 CFR 200.501 is not required. In the event that the recipient expends less than \$750,000 for

fiscal years ending after December 31, 2014 in Federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200.501, the cost of the audit must be paid from non-Federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained from other than Federal entities). (d) *Exemption when Federal awards expended are less than \$750,000.* A non-Federal entity that expends less than \$750,000 during the non-Federal entity's fiscal year in Federal awards is exempt from Federal audit requirements for that year, except as noted in 2 CFR §200.503 Relation to other audit requirements, but records must be available for review or audit by appropriate officials of the Federal agency, pass-through entity, and Government Accountability Office (GAO).

In determining the state financial assistance expended in its fiscal year, the recipient shall consider all sources of state financial assistance, including state financial assistance received from the Department of State, other state agencies, and other nonstate entities. State financial assistance does not include Federal direct or pass-through awards and resources received by a nonstate entity for Federal program matching requirements.
2. In connection with the audit requirements addressed in Part II, paragraph 1, the recipient shall ensure that the audit complies with the requirements of Section 215.97(7), *Florida Statutes*. If the recipient expends less than \$750,000 in state financial assistance in its fiscal year (for fiscal years ending after June 30, 2016), an audit conducted in accordance with the provisions of Section 215.97, *Florida Statutes*, is not required. In the event that the recipient expends less than \$750,000 in state financial assistance in its fiscal year ending after June 30, 2016

and elects to have an audit conducted in accordance with the provisions of Section 215.97, *Florida Statutes*, the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the recipient's resources obtained from other than State entities).

Supplies Narrative

RFID tags will be purchased to affix to each item in the Library, including books, audio and video materials. 36,000 tags are needed; 2,000/roll of tags. One additional roll will serve as a buffer for damaged tags for a total of 38,000 tags. (\$300/roll of 2,000 x 19 rolls = \$5,700.00). In the original application, the LSTA Request was for \$5,700.00. Due to a reduced award, the Library will provide \$5,000.00 in matching funds.
