INSTRUCTIONS TO BIDDERS

1. PREPARATION OF BIDS

Bid packets may be obtained at no charge by calling the Town Clerk, Monday through Friday (excluding holidays) between the hours of 8:30 a.m. and 5:00 p.m. Bids shall be submitted in duplicate, one ORIGINAL and one copy, on the form(s) provided, and must be signed by the Bidder or his/her authorized representative. Bids will be completed in ink (preferably typed), and signed in BLUE ink by an officer and/or owner of the business possessing the required authority. The bid will include all information requested.

2. ADDENDA -- CHANGES WHILE PREPARING BID

It is the responsibility of all Bidders to ascertain whether addenda have been issued pertinent to this ITB prior to submitting their bid by contacting the Town of Lake Park, Town Clerk at 561-881-3311. Failure to acknowledge all Addenda may result in rejection of your bid as non-responsive.

No interpretation of the meaning of the plans, specifications or other Contract Documents will be made to any Bidder orally. Every request for such interpretation should be in writing (email preferred) and must be received by the Town Clerk. Any and all such interpretations and any supplemental instructions will be in the form of written addenda to the specifications which, if issued, will be faxed or transmitted via email, to all companies contacted to submit a bid. Failure of any Bidder to receive any such addendum shall not relieve any Bidder from any obligations under his bid as submitted. All addenda so issued shall become part of the original bid document.

Questions pertaining to the specifications and/or any issues relating to the bid should not be directed to any department other than that of the Town Clerk. Should the Bidder acquire information from any source other than the Town Clerk and decide to use that information in the bid response, the Bidder does so at its own risk.

3. REJECTION OF BIDS

The Town reserves the right to reject any and all bids. Bids will be considered irregular and may be rejected if they show omissions, alterations of form, additions not called for, conditional or unauthorized alternate bids, or irregularities of any kind. Additionally, if the bid documents calls for unit prices, the bid may be rejected if the unit prices reflected on the Bid Form are in excess of or below the reasonable cost analysis values, or if lump sum, bids may be rejected which are significantly greater or lesser than the estimate for the project. The owner reserves the right to waive any informality in bids, at its discretion.

4. **AWARD OF CONTRACT**

- A. If the Town chooses to award a contract, it will be to the lowest responsive and responsible Bidder based on the base bid, or in the opinion of the Town, to the company whose bid is most advantageous, and provides the best value. The Town of Lake Park reserves the right to take into consideration the financial responsibility of the Bidder, proven skill, experience, adequacy of personnel and equipment and facilities, previous satisfactory performance, current and projected workload and other factors which may have a direct effect on the completion of the project.
- B. In case of error in the extension of prices, if unit prices are called for in the bid, the unit bid price shall govern.

5. **EQUAL OPPORTUNITY/MINORITY AND WOMEN BUSINESS ENTERPRISE**

- (a) The town shall use its best efforts to ensure that minority and women businesses shall have an equitable opportunity to participate in the town's procurement process and that no business shall be excluded from participation in, denied benefits of, or be otherwise discriminated against in connection with the award and performance of any contracts with the town because of race, color, religion, natural origin, age, sexual orientation, gender, marital status, handicap or physical impairment.
- (b) This division shall be read consistently with the Florida Civil Rights Act, F.S. Ch. 760, and shall not repeal existing or subsequently enacted town minority/women business enterprise ordinances.

6. **BID PREFERENCES**

The town shall provide one of the following bid preferences:

- (1) To local merchants that are within five percent of the lowest bid submitted; or
- (2) To certified minority business enterprises or women business enterprises that are within five percent of the lowest bid submitted.

7. **CONFLICT OF INTEREST**

The standards of conduct for public officers and employees as set forth in the Palm Beach County Code of Ethics and the Guide to the Sunshine Amendment and Code of Ethics for Public Officers and Employees F.S. §112.313 Part III are incorporated herein by reference as if fully set forth herein.

8. PROTESTED SOLICITATIONS AND AWARDS

(a) *Right to protest.* Any actual, or prospective, bidder or proposer that is allegedly aggrieved in connection with the solicitation or pending award of a contract may protest to the town's Finance Director.

(b) *Notice.*

(1) A written notice (e.g., letter, etc.) that a bid protest will be filed must be submitted to the office of the Finance Director no later than 5:00 p.m. Eastern Time, three business days from the time of initial posting of notice of intent to award. The notice of bid protest must be in writing, and must identify the protestant and the solicitation involved, and shall include a factual summary of the basis of the protest.

(2) The formal written protest must then be filed at the office of the Finance Director no later than 5:00 p.m. Eastern Time, within five business days after the date of filing the notice of bid protest. The formal written bid protest shall contain at a minimum the following information:

a. Identification of the name, address and contact information of the protestant and the solicitation involved;

b. A clear, brief, statement of the facts, legal arguments and other grounds on which the protest is based;

c. Identification of any applicable statutes, or ordinance(s), or other legal authority(ies) which the protestant deems applicable to the solicitation involved; and

d. A clear statement, in writing, of the specific nature of the relief requested by protestant.

e. Any additional written or physical materials, objects, statements, and arguments, which the protestant deems relevant to the issues raised in the request for review.

The protestant shall mail a copy of the notice of protest and the formal written protest to the Finance Director, and shall provide the Town Manager with evidence of such mailing.

(3) The formal written protest is considered filed with the town when it is received by the Finance Director and is not timely filed unless it is received by the Finance Director within the times specified above. Failure to file a written notice of bid protest and subsequent formal written protest within the time period specified shall result in relinquishment of all rights of protest by the vendor and abrogation of any further bid protest proceedings.

(4) These protest procedures shall be the sole remedy for challenging an award of bid or proposal. Bidders and proposers are prohibited from attempts to influence, persuade or promote through any other channels or means. Such attempts shall be cause for suspension in accordance with subsection 2-253(a).

(c) *Authority to resolve.* The Finance Director shall attempt to resolve the protest in a fair and equitable manner, and shall render a written decision within 10 business days to the protestant. The protestant may appeal such decision, in writing to the finance director within five business days of the date of the written decision, whereby a protest committee, comprised of the Finance Director, town manager, town attorney, and the department director of the originating department, shall have the authority to settle and resolve the protest.

(d) *Proceedings.* The Finance Director shall serve as the presiding officer of the protest committee in a nonvoting capacity. The town clerk shall give reasonable notice to all substantially affected persons or businesses prior to the date scheduled to consider the appeal of the protest.

(1) At or prior to the protest proceeding, the protestant may submit any written or physical materials, objects, statements, affidavits, and arguments which the protestant deems relevant to the issues raised.

(2) In the proceeding, the protestant, or its representative or counsel, may also make an oral presentation of the evidence and arguments. However, neither direct nor cross examination of witnesses will be permitted, although the presiding officer and other protest committee members may make whatever inquiries deemed pertinent to a determination of the protest.

(3) The judicial rules of evidence shall not apply and the protest committee shall base its decision on such information adduced in the course of the proceeding upon which reasonable prudent persons rely in the conduct of their affairs.

(4) A quorum of the committee consists of a majority of protest committee members. A decision shall be rendered by a majority vote of the committee members in attendance.

(5) If it is deemed that the solicitation or award is in violation of law or the procedures outlined in this resolution, the solicitation or award shall be cancelled or revised.

(6) If it is determined that the solicitation or award should be upheld, the Finance Director shall promptly issue a decision on behalf of the protest committee in writing stating the reason for the action with a copy furnished to the protestant and all substantially affected persons or businesses. The decision shall be final and conclusive as to the town. Any party may arrange for the proceedings to be

stenographically recorded, and shall bear the expense of such recording. The proceedings shall be open to the general public.

(e) *Stay of procurement during protests.* In the event of a timely protest, the Finance Director shall not proceed further with the solicitation or with the pending award of the contract until the Finance Director, with the advice of the town attorney and after consultation with the department director of the originating department makes a determination that the award of the contract without delay is necessary to protect substantial interests of the town.

(f) *Reservation of powers to settle actions pending before the courts.* Nothing in this section is intended to affect the existing powers of the town commission to settle actions pending before the courts.

(g) *Damages.* In the event that a court of competent jurisdiction upholds the protestant's claim, the court awarded damages on behalf of the protestant shall be solely limited to bid/proposal preparation costs.

9. **'DRUG FREE WORKPLACE CERTIFICATION'**

In compliance with Florida Statute (Section 287.087), the attached 'Drug Free Workplace Certification' form must be fully executed and submitted with all bids. Firms which indicate participation in a 'Drug Free Workplace' program will receive preference in the event of a tie bid.

10. **FLORIDA STATUTES, SECTION 287.133, PARAGRAPH (2)(a):**
('PUBLIC ENTITY CRIMES')

'A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of thirty six (36) months from the date of being placed on the convicted vendor list.'

11. **ANTI-KICKBACK AFFIDAVIT**

The attached anti-kickback affidavit must be fully executed and submitted. It confirms that no portion of the sum bid in connection with the work to be performed will be paid to any employee of the Town of Lake Park as a commission, kickback, reward or gift, directly or indirectly by any member of the vendor's firm or by an officer of the corporation.

12. **'CERTIFICATION OF NON-SEGREGATED FACILITIES'**

(Office of Federal Contract Compliance Programs (OFCCP), Executive Order 11246, As Amended; Equal Employment Opportunity)

SEC. 202, ...”all Government contracting agencies shall include in every Government contract hereafter entered into the following provisions:

The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex or national origin. The contractor will comply with all provisions of Executive Order No. 11246 of Sept. 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.”

In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be cancelled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with authorized procedures.

13. INSPECTIONS AND TESTS

(a) The Finance Director or department director of the originating department may inspect, or arrange for the inspection of, all deliveries of supplies, materials, equipment or contractual services to determine conformance with specifications set forth in the order of contract.

(b) Any originating department which has the staff and facilities for adequate inspection may be authorized by the Finance Director to inspect deliveries made to it.

(c) The Finance Director shall have the authority to require chemical and/or physical tests or samples submitted with bids and samples of deliveries which are necessary to determine their quality and conformance with the specifications. For such tests, the Finance Director shall have the authority to make use of any facilities of the town where such tests may be competently performed or an outside laboratory may be utilized. Should the product fail such testing, the town may require the vendor to pay the town for any expense incurred in testing.

14. SUSPENSION AND DEBARMENT

(a) *Suspension.* A vendor may be suspended for a period not to exceed two years as determined by the Finance Director based upon the following:

- (1) Vendor defaults or fails to fully comply with the conditions, specifications, or terms of any current or previous bid, quotation, proposal or contract with the town;
- (2) Vendor commits any fraud or misrepresentation or provides false information in connection with a bid, quotation proposal or contract with the town;

(3) Vendor is charged by a court of competent jurisdiction with the commission of a criminal offense as an incident to obtaining or attempting to obtain a public or private contract or subcontract, or in the performance of such contract or subcontract;

(4) Vendor is charged by a court of competent jurisdiction with the following: embezzlement, theft, forgery, bribery, falsification or destruction of records, receiving stolen property, or any other offense indicating a lack of business integrity or business honesty which currently, seriously, and directly affects responsibility as a town government contractor. If charges are dismissed or the vendor found not guilty, the suspension shall be lifted automatically upon written notification and proof of final court disposition provided by the vendor to town;

(5) Vendor becomes insolvent, has proceedings in bankruptcy instituted against it, or compounds its debts or assigns over its estate or effects for payment thereof, or has a receiver or trustee appointed over its property;

(6) Vendor violates the ethical standards set forth in local, state, or federal law;

(7) Vendor fails to comply with the minority or women business enterprise participation or minority or women business enterprise requirements of an awarded contract; or

(8) Any other cause the Finance Director determines to be so serious and compelling as to materially and adversely affect responsibility of a business to perform as a town government contractor, including but not limited to suspension by another governmental entity for substantial cause.

(b) *Debarment.* A vendor may be permanently debarred for the following:

(1) Default or failure to fully comply with the conditions, specifications, drawings, or terms of a bid, proposal or contract with the town twice in any three-year period.

(2) Conviction by or judgment obtained in a court of competent jurisdiction for commission of those offenses in connection with the vendor's commercial enterprise stated in subsections (b)(3) and (b)(4) of this section. If the conviction or judgment is reversed through the appellate process, the debarment shall be removed immediately upon written notification and proof of final court disposition from the vendor to the town.

(3) Placement of the vendor or its subcontractor(s) on the convicted vendor list maintained by the State of Florida Department of Management Services within thirty-six months from the date of submittal of the bid or proposal.

(c) *Decision.* After the Finance Director has determined there is cause to suspend or debar a vendor, the Finance Director shall notify the vendor in writing of the debarment or the period of suspension and the reasons for the action taken.

(d) *Finality of decision.* The suspension or debarment shall be final and conclusive unless the suspended or debarred vendor initiates protest proceedings pursuant to Section 2-252 within 21 days after the date of notification.

RESPONSIBILITIES OF THE CONTRACTOR – SCOPE OF WORK /
TECHNICAL SPECIFICATIONS

The 10th Street and Northern Drive / Prosperity Farms Road intersection is a signalized, five-way intersection located in the Town of Lake Park. 10th Street is a four-lane roadway, situated in a north/south direction with only the two northbound lanes affected by this scope. Northern Drive is a two-lane roadway that is situated in an east/west direction, with its western terminus located at 10th Street. The Town's engineering consultant, Calvin Giordano and Associates, Inc. (CGA), has proposed a pilot program that would temporarily adjust the traffic patterns at the intersection by the closure of one lane of traffic and one turn lane. CGA has drafted the conceptual plan identified as Exhibit A, which will need to be finalized, signed, and sealed by a qualified traffic engineer.

The scope of work generally consists of closing the eastern-most, northbound lane of 10th Street, for one block leading up to the intersection. It also consists of closing a "right turn only" lane from Northern Drive to Prosperity Farms Road. Lane closures shall be accomplished in accordance with the conceptual plan identified as "Exhibit A," which includes the installation of flexible delineator posts, painted pavement markings, static signs, and temporary retroreflective pavement markers. Spacing and placement of all items installed should be in accordance with Exhibit A, unless in conflict with FDOT standards, in which FDOT standards shall overrule. It shall be the responsibility of the Contractor to confirm compliance with all applicable federal, state, and local traffic standards. For a period of seven (7) days leading up to implementation of the traffic adjustments, variable message boards shall be placed at the locations specified within Exhibit A, which shall serve to notify motorists of pending adjustments to the traffic flow. The final exact language to be included in such signage will be determined subsequent to award of contract. Once the lane closures are in place, the message boards shall be removed.

Please consult "Exhibit A" for more detail on the scope of work. "Exhibit A" is considered part of this "Scope of Work" detail.

------------	-----------------------------

It is Bob's Barricades desire to provide a drug-free, healthful, and safe workplace. To promote this goal, employees are required to report to work in appropriate mental and physical condition to perform their jobs in a satisfactory manner.

While on BOB'S BARRICADES premises and while conducting business-related activities off BOB'S BARRICADES premises, no employee may use, possess, distribute, sell, or be under the influence of alcohol or illegal drugs. The legal use of prescribed drugs is permitted on the job only if it does not impair an employee's ability to perform the essential functions of the job effectively and in a safe manner that does not endanger other individuals in the workplace.

Violations of this policy may lead to disciplinary action, up to and including immediate termination of employment, and/or required participation in a substance abuse rehabilitation or treatment program. Such violations may also have legal consequences.

To inform employees about important provisions of this policy, BOB'S BARRICADES has established a drug-free awareness program. The program provides information on the dangers and effects of substance abuse in the workplace, resources available to employees, and consequences for violations of this policy.

Employees with questions or concerns about substance dependency or abuse are encouraged to use the resources of their company sponsored medical insurance providers.

Employees with drug or alcohol problems that have not resulted in, and are not the immediate subject of disciplinary action may request approval to take unpaid time off to participate in a rehabilitation or treatment program. Leave may be granted if the employee agrees to abstain from use of the problem substance; abides by all BOB'S BARRICADES policies, rules, and prohibitions relating to conduct in the workplace; and if granting the leave will not cause BOB'S BARRICADES any undue hardship.

Under the Drug-Free Workplace Act, an employee who performs work for a government contract or grant must notify BOB'S BARRICADES of a criminal conviction for drug-related activity occurring in the workplace. The report must be made within five days of the conviction.

Employees with questions on this policy or issues related to drug or alcohol use in the workplace should raise their concerns with their supervisor or the Office Manager without fear of reprisal.

TOWN OF LAKE PARK
10TH STREET AND NORTHERN DRIVE INTERSECTION

ANALYSIS:

The intersection of Northern Drive and Prosperity Farms was reviewed for the addition of a stop sign to improve traffic safety. A request was placed to PBSO's speed and traffic monitoring unit for a study to be completed to determine traffic volume utilizing the roadway and the intersection along Northern Drive. Approaching the intersection from the east along Northern Drive affords two lanes of travel in 4 possible directions served by both a traffic light and two stop signs in place. Traffic control at the intersection also includes a "No Turn on Red" sign on the traffic light referring to turns being made from the stop bar of Northern Drive and 10th Street to travel north and south on 10th Street.

During a three year period of review from July 11, 2014 through July 11, 2017 there were **21 Crashes** and **80 Traffic Stops** for the geographical area defined as the Northern Drive and 10th Street, Northern Drive and Prosperity Farms Road and Northern Drive and 10th Court.

The intersection is a complex intersection with some traffic signage which should be evaluated for improvement.

FINDINGS

1. Unclear, confusing stop sign location for traffic traveling westbound on Northern Drive – the placement isn't clear whether or not the stop sign is relating to westbound traffic or the turn lane. Unclear separation of the turn lane for Prosperity Farms Road and the lane heading to the 10th Street and Northern Drive intersection.

2. Missing/worn off roadway markings as traffic control device (stop bar) before entering Prosperity Farms Road.

The word "STOP" may also be painted and used as a traffic control device to improve understanding. In example;

3. Lack of marked pedestrian cross walk connecting the sidewalk of 10th Street to Prosperity Farms Road.

CONCLUSION

The area was monitored for motorist compliance which resulted in several vehicles stopping and not turning onto Prosperity Farms Road at the stop sign due to the “No Turn on Red” sign on the traffic signal. On occasions vehicles stopped at the traffic light, waited for a green light to make a right turn onto Prosperity Farms Road instead of using the stop sign and right turn lane. This review will be supplemented with information obtained from the traffic volume study but the roadway markings and signage of the intersection should be reviewed further by competent authority (Traffic Engineer).
