(C) SUBCONTRACTS

Any work or services subcontracted hereunder shall be specifically by written contract, written agreement, or purchase order. All subcontracts shall be subject to the requirements of this Agreement. This includes Subrecipient ensuring that all consultant contracts and fee schedules meet the minimum standards as established by Palm Beach County and HUD. Contracts for architecture, engineering, survey, and planning shall be fixed fee contracts. (G) PROGRAM - GENERATED INCOME

All income earned by the Subrecipient from activities financed, in whole or in part, by funds provided hereunder must be reported and returned annually to HES. Such income shall only be used to undertake the activities authorized by this Agreement. HES must verify and approve the eligibility and reasonableness of all expenses which the Subrecipient requests to be deducted. Accounting and disbursement of such income shall comply with 2 CFR 200 and other applicable regulations incorporated herein by reference.

The Subrecipient may request that said program income be used to fund other eligible uses, subject to HES approval, and provided that the Subrecipient is in compliance with its obligations as contained within this Agreement (including the attached Exhibits herein). The Subrecipient shall only use such program income to fund "basic eligible activities" as defined by Federal Community Development Block Grant Regulations (24 CFR Part 570). The Subrecipient hereby agrees that the provisions of this Agreement shall also apply to these "basic eligible activities" as funded with the Subrecipient's program income.

**The requirements of this section shall survive the expiration or early termination of this Agreement.**

**10. CIVIL RIGHTS COMPLIANCE AND NON-DISCRIMINATION POLICY**

The Subrecipient acknowledges that the County is committed to assuring equal opportunity in the award of grants or contracts and complies with all laws prohibiting discrimination. Pursuant to Palm Beach County Resolution R2017-1770, as may be amended, the Subrecipient warrants and represents that throughout the term of this Agreement, including any renewals thereof, all of its employees are treated equally during employment with regard to race, color, ancestry, disability, national origin, religion, age, familial status, marital status, sex, gender, sexual orientation, gender identity and expression, or genetic information. Failure to meet this requirement shall be considered cause for termination of this Agreement.

In furtherance of such policy, the Subrecipient shall not, on the basis of race, color, ancestry, disability, national origin, religion, age, familial status, marital status, sex, gender, sexual orientation, gender identity and expression, or genetic information, exclude any person from the benefits of, or subject any person to discrimination under, any activity carried out by the performance of this Agreement. Upon receipt of evidence of such discrimination, the County shall have the right to terminate this Agreement.

**11. OPPORTUNITIES FOR RESIDENTS AND SMALL/MINORITY/WOMEN-OWNED BUSINESS ENTERPRISES**

To the greatest extent feasible, lower-income residents of the project areas shall be given opportunities for training and employment; and to the greatest feasible extent eligible business concerns located in or owned in substantial part by persons residing in the project areas shall be awarded contracts in connection with the project. The Subrecipient shall comply with the Section 3 Clause of the Housing and Community Development Act of 1968.

In the procurement of supplies, equipment, construction, or services to implement this Agreement, the Subrecipient shall make a positive effort to utilize small business and minority/women-owned business enterprises of supplies and services, and provide these sources the maximum feasible opportunity to compete for contracts to be performed pursuant to this Agreement. To the maximum extent feasible these small business and minority/women-owned business enterprises shall be located in or owned by residents of the CDBG areas designated by Palm Beach County in the CDBG Annual Consolidated Plan approved by U.S. HUD.

**12. PROGRAM BENEFICIARIES**

At least fifty-one percent (51%) of the beneficiaries of a project funded through this Agreement must be Low- and Moderate- Income Persons. If the project is located in an entitlement city, as defined by U.S. HUD, or serves beneficiaries countywide, at least fifty-one percent (51%) of the beneficiaries directly assisted through the use of funds under this Agreement must reside in unincorporated Palm Beach County or in municipalities participating in the County's Urban County Qualification Program. The project funded under this Agreement shall assist beneficiaries as defined above for the time period designated in this Agreement. Upon request from HES, the Subrecipient shall provide written verification of compliance.

**13. EVALUATION AND MONITORING**

The Subrecipient agrees that HES will carry out periodic monitoring and evaluation activities as determined necessary by HES and that payment, reimbursement, or the continuation of this Agreement is dependent upon satisfactory evaluation conclusions based on the terms of this Agreement. The Subrecipient agrees to furnish upon request to HES, or the County's designees copies of transcriptions of such records and information as is determined necessary by HES. The Subrecipient shall submit status reports required under this Agreement on forms approved by HES to enable HES to evaluate progress. The Subrecipient shall provide information as requested by HES to enable HES to complete reports required by the County or HUD. The Subrecipient shall allow HES, or HUD to monitor the Subrecipient on site. Such visits may be scheduled or unscheduled as determined by HES or HUD.

**15. REPAYMENT PROVISIONS**

In the event the Subrecipient fails to comply in whole or in part with the terms and conditions of this Agreement and/or the referenced regulations pertaining to the use of CDBG funds, and where HES, the County, or U. S. HUD as determined that the County or Subrecipient has a repayment obligation required due to the Subrecipient's performance or lack thereof, the Subrecipient shall be responsible to reimburse the County in the amount requested by the County within 60 days of the date of written notification from the County to the Subrecipient.

**The requirements of this Section shall survive the early termination or expiration of the Agreement.**

**16. UNIFORM ADMINISTRATIVE REQUIREMENTS**

The Subrecipient agrees to comply with the applicable uniform administrative requirements as described in Federal CDBG Regulations 24 CFR 570.502.

**17. REVERSION OF ASSETS**

Upon expiration of this Agreement, the Subrecipient shall transfer to the County any CDBG funds on hand at the time of expiration and any accounts receivable attributable to the use of CDBG funds. Any real property under the Subrecipient's control upon expiration of this Agreement which was acquired or improved in whole or part with CDBG funds must either be used to meet one of the national objectives in Federal Community Development Block Grant Regulations 24 CFR 570.508 for a period of five years after expiration of this Agreement (unless a longer period is specified elsewhere in this Agreement), or, the Subrecipient shall pay the County an amount equal to the current market value of the property less any portion of the value attributable to expenditures of non-CDBG funds for the acquisition of, or improvement to, the property. This provision shall survive the expiration or termination of this Agreement.

**18. DATA BECOMES COUNTY PROPERTY**

All reports, plans, surveys, information, documents, maps, and other data prepared, assembled, or completed by the Subrecipient for the purpose of this Agreement shall be made available to the County at any time upon request by the County, HES, or the Palm Beach County Inspector General's office, as indicated herein. Upon completion of all work contemplated under this Agreement copies of all documents and records relating to this Agreement shall be surrendered to HES if requested. In any event, the Subrecipient shall keep all documents and records for five (5) years after expiration of this Agreement.

**19. INDEMNIFICATION**

Each party to this Agreement shall be liable for its own actions and negligence and, to the extent permitted by law, the County shall indemnify, defend, and hold harmless the Subrecipient against any actions, claims, or damages arising out of the County's negligence in connection with this Agreement, and the Subrecipient shall indemnify, defend, and hold harmless the County against any actions, claims, or damages arising out of the Subrecipient's negligence in connection with this Agreement. The foregoing indemnification shall not constitute a waiver of sovereign immunity beyond the limits set forth in Florida Statute, section 768.28, nor shall the same be construed to constitute agreement by either party to indemnify the other party for such other party's negligent, willful or intentional acts or omissions. The Subrecipient shall hold the County harmless and shall indemnify the County for funds which the County is obligated to refund the Federal Government arising out of the conduct of activities and administration of the Subrecipient.

The provisions of this indemnification clause shall survive the expiration and/or early termination of this Agreement.

**20. INSURANCE BY SUBRECIPIENT (MUNICIPALITY):**

Without waiving the right to sovereign immunity as provided by section 768.28, Florida Statutes, (Statute), the MUNICIPALITY represents that it is self-insured with coverage subject to the limitations of the Statute, as may be amended.

If MUNICIPALITY is not self-insured, MUNICIPALITY shall, at its sole expense, purchase and maintain in full force and effect at all times during the life of this contract, insurance coverage at limits not less than those contained in the Statute.

Should MUNICIPALITY purchase excess liability coverage, MUNICIPALITY agrees to include COUNTY as an Additional Insured.

The MUNICIPALITY agrees to maintain or to be self-insured for Workers' Compensation insurance in accordance with Chapter 440, Florida Statutes.

Should MUNICIPALITY contract with a third-party (Contractor) to perform any service related to the AGREEMENT, MUNICIPALITY shall require the Contractor to provide the following minimum insurance:

- Commercial General Liability insurance with minimum limits of \$500,000 combined single limit for property damage and bodily injury per occurrence. Such policy shall be endorsed to include MUNICIPALITY and COUNTY as Additional Insureds. MUNICIPALITY shall also require that the Contractor include a Waiver of Subrogation against COUNTY.
- Business Automobile Liability insurance with minimum limits of \$500,000 combined single limits for property damage and bodily injury per occurrence.
- Workers' Compensation insurance in compliance with Chapter 440, Florida Statutes, and which shall include coverage for Employer's Liability.

When requested, the MUNICIPALITY shall provide an affidavit or Certificate of Insurance evidencing insurance or self-insurance.

Compliance with the foregoing requirement shall not relieve the MUNICIPALITY of its liability and obligations under this Agreement.

**21. MAINTENANCE OF EFFORT**

The intent and purpose of this Agreement is to increase the availability of the Subrecipient's services. This Agreement is not to substitute for or replace existing or planned projects or activities of the Subrecipient. The Subrecipient agrees to maintain a level of activities and expenditures, planned or existing, for projects similar to those being assisted under this Agreement which is not less than that level existing prior to this Agreement.

**22. CONFLICT OF INTEREST**

The Subrecipient covenants that no person who presently exercises any functions or responsibilities in connection with the Project, has any personal financial interest, direct or indirect, in the target area or any parcel therein, which would conflict in any manner or degree with the performance of this Agreement and that no person having any conflict of interest shall be employed by or subcontracted by the Subrecipient. Any possible conflict of interest on the part of the Subrecipient or its employees shall be disclosed in writing to HES provided, however, that this paragraph shall be interpreted in such a manner so as not to unreasonably impede the statutory requirement that maximum opportunity be provided for employment of and participation of low and moderate-income residents of the project area.

The Subrecipient shall cooperate with HES in the implementation of the Citizen Participation Plan by establishing a citizen participation process to keep residents informed of the activities the Subrecipient is undertaking in carrying out the provisions of this Agreement. All facilities purchased or constructed pursuant to this Agreement shall be clearly identified as to funding source. The Subrecipient will include a reference to the financial support herein provided by HES in all publications and publicity. In addition, the Subrecipient will make a good faith effort to recognize HES's support for all activities made possible with funds made available under this Agreement.

**25. AGREEMENT DOCUMENTS**

The following documents are herein incorporated by reference and made a part hereof, and shall constitute and be referred to as the Agreement; and all of said documents taken as a whole constitute the Agreement between the parties hereto and are as fully a part of the Agreement as if they were set forth verbatim and at length herein:

**(A) TERMINATION FOR CAUSE**

If, through any cause, either party shall fail to fulfill in a timely and proper manner its obligations under this Agreement, or if either party shall violate any of the covenants, agreements, or stipulations of this Agreement, either party shall thereupon have the right to terminate this Agreement or suspend payments, in whole or part, by giving written notice to the other party of such termination or suspension and specify the effective date of termination or suspension. **EXHIBIT "A"**  
**WORK PROGRAM NARRATIVE**

**1. SUBRECIPIENT OBLIGATIONS:**

- A. PROFESSIONAL SERVICES:** The Subrecipient shall retain an engineering consultant (a Florida Professional Engineer) to provide design services to create plans and specifications for the purchase and installation of ADA compliant playground equipment and a shade structure at Bert Bostrom Park in the Town of Lake Park. Additionally, the Subrecipient and consultant shall prepare, obtain and review bids, prepare contract documents, inspect work in progress, recommend payment to contractors, and provide other professional services customarily provided by similar professionals for this type of project. The consultant shall also coordinate the design and construction work with the asbestos abatement contractor, should abatement become necessary.

*Alternatively, the Subrecipient shall have the option of performing any portion of the consultant's services described above by its own staff provided such staff possesses the necessary competency to do so. All costs associated with the above services shall be paid for by the Subrecipient.*

- B. PROJECT SCOPE:** The scope of the improvements at Bert Bostrom Park may include the purchase and installation of ADA playground equipment, a shade structure along with restoration of any areas disturbed by the construction. Items consistent with these types of playground improvement projects are also deemed eligible.

Should the Subrecipient use a brand name or multiple brand names in its bid package/drawings/ specifications for this project, then these documents shall:

- (a) Clearly note that specified brand name(s) are used for descriptive purposes only,
- (b) State that "equal" equipment or materials will be accepted, and
- (c) Identify the minimum requirements to establish equality.

(2) The Subrecipient shall prepare a bid package complete with drawings, specifications, and any items required for a competitive bid of the project. The bid process shall not allow for any local procurement preferences with regard to contract award.

The Subrecipient's advertisement for bid shall contain language noting that the project is federally funded through funds provided by Palm Beach County via of the US Department of HUD, and that Davis-Bacon and Related Acts and wage rates apply. The advertisement shall also encourage participation by MBE/WBE and Section 3 businesses.

Following the bid process, the Subrecipient shall submit to HES a copy of the bid document package including any addendums, a notice of contract award, a copy of the executed construction contract, and documentation regarding any protests filed regarding the bids.

Prior to the Subrecipient's first reimbursement, HES shall review the Subrecipient's procurement process and contract award to determine compliance with 2 CFR 200 and all procurement regulations applicable to CDBG funding and this Agreement.

(3) The Subrecipient shall prioritize the work in the project, and shall bid such work in a manner that requires the receipt of itemized costs from bidders. This would then allow the award of items that can be funded by the budget provided such that the extent of work awarded will result in a functioning facility in the opinion of HES.

(4) The Subrecipient shall not award the construction contract for the project until sufficient funding is available to complete the established scope of work. All construction work shall be included in one contract.

(5) Should the amount of eligible costs exceed the amount to be funded by the County through this Agreement, then the Subrecipient shall fund all amounts in excess of the amount to be funded by the County.

(6) The Subrecipient shall inform HES of any environmental findings or conditions discovered during project implementation. Applicable mitigation measures must be incorporated into the project by the Subrecipient in order to proceed with the project. Such mitigation measures may affect the total project cost. Where funds are not available from the CDBG allocation contained herein, the Subrecipient shall be responsible for all costs of mitigation.

(7) The Subrecipient shall recognize Palm Beach County as a funding participant in the project's implementation and shall affix the County's logo to any project sign on the project site during the construction process. The Subrecipient shall also acknowledge the County's participation whenever the situation presents itself.

**The Subrecipient further agrees that HES, in consultation with any parties it deems necessary, shall be the final arbiter on the Subrecipient's compliance with this Agreement's requirements and shall make the final determination of the Subrecipient's compliance with applicable regulations governing the CDBG funding of this project.**

C. **ASBESTOS REQUIREMENTS:** The Subrecipient shall comply with all applicable requirements contained in Exhibit "C", attached hereto, for construction work in connection with the project funded through this Agreement.

D. **DAVIS-BACON AND RELATED ACTS (DBRA):**  
The Subrecipient shall request from the County a copy of the Requirements for Federally Funded Projects and the applicable DBRA Wage Decision for the project PRIOR to advertising the construction work. The Subrecipient shall incorporate a copy of the DBRA Wage Decision and the Requirements for Federally Funded Projects in its bid documents and shall include these documents as part of the construction contract. The Subrecipient shall require the contractor to include these in all subcontracts for the work performed under the construction contract.

The Subrecipient shall perform all tasks required for DBRA compliance, including, but not limited to the following:

- Contractor and sub-contractor debarment clearance
- Obtaining contractor and subcontractor certified payrolls
- Review of certified payrolls and documentation related thereto
- Compliance actions for payroll related issues
- Employee/worker interviews and follow-up review of certified payrolls
- Ensure restitution due underpaid workers has been paid prior to project completion

The Subrecipient shall certify, at the time they request a reimbursement from HES that payrolls from the contractor and sub-contractors are current, have been reviewed and approved by Subrecipient staff, and that any DBRA compliance issues have been or are in the process of being resolved.

The Subrecipient shall submit a copy of the reviewed payrolls from the contractor and any subcontractors at the time each reimbursement request is submitted to HES.

The Subrecipient shall certify, at the time they request final reimbursement from HES that payrolls from the contractor and sub-contractors are current, have been reviewed and approved by Subrecipient staff, and shall certify to HES that the project meets DBRA compliance and all workers have been paid in accordance with DBRA requirements.

HES may monitor the Subrecipient, its contractors, and subcontractors for DBRA compliance at any time per Section 13 of this Agreement.

**Required Use of the Labor Compliance Reporting System (LCRS)**

As part of the County's commitment to assist the Subrecipient and its contractors/subcontractors to conveniently comply with legal and contractual requirements including Davis Bacon and Related Acts (DBRA), the Department of Housing & Economic Sustainability has established a Labor Compliance Reporting System ("LCRS") for this

project. The Subrecipients contractors/subs will no longer be required to submit paper copies of fringe benefits statements, weekly-certified payroll reports and/or work performance reports, and shall instead use the LCRS for all DBRA reporting and tracking. The LCRS is available for use 24-hours a day, 7 days a week, at no cost for reporting weekly certified payrolls and labor compliance related documents. Utilization of this system should also prove helpful in expediting the process of reviewing payrolls, approving progress payments to contractors and reimbursement payments to subrecipients/developers.

#### **User Responsibilities**

1. Subrecipients, and its contractors/subs shall NOT create internet links to the Service or Frame or mirror any content on any other server or wireless or internet-based device.
2. Subrecipient and its contractors/subs are responsible for all activity occurring under User account and shall abide by all applicable local, state, national laws, treaties and regulations in connection with the use of the service, including those related to data privacy, international communications and the transmission of technical data. The LCRS Web Address for contractors/subs use will be provided by DHES, along with Federal Requirements and Wage Decision(s).
3. Subrecipient shall require its contractor and subs to register through the Labor Compliance Reporting System. This language shall be contained in the Subrecipient's Bid and Construction documents.
4. Subrecipient shall require All fringe benefits statements, weekly-certified payroll reports to be submitted through the LCRS and this language shall be contained in the Subrecipient's Bid and Construction documents.

- E. **BONDING REQUIREMENTS:** The Subrecipient shall comply with the requirements of 2 CFR 200 in regard to bid guarantees, performance bonds, and payment bonds. For contracts exceeding \$150,000, the Subrecipient shall require a bid guarantee from each bidder equivalent to five percent (5%) of the bid price. The "bid guarantee" shall consist of a firm commitment such as a bid bond, certified check, or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of the bid, execute such contractual documents as may be required within the time specified. In addition, for contracts exceeding \$150,000, the Subrecipient shall also require a performance bond on the part of the contractor for 100 percent (100%) of the contract price and a payment bond on the part of the contractor for 100 percent (100%) of the contract price. A "performance bond" is one executed in connection with a contract to secure fulfillment of all the contractor's obligations under such contract. A "payment bond" is one executed in connection with a contract to assure payment as required by law of all persons supplying labor and material in the execution of the work provided for in the contract. All bonds shall be executed by a corporate surety company of recognized standing, authorized to do

business in the State of Florida. The Subrecipient may follow its own requirements relating to bid guarantees, performance bonds, and payment bonds for contracts of \$150,000, or less.

**F. CONSTRUCTION PAYMENT RETAINAGE:** Throughout the term of this contract, the Subrecipient shall withhold retainage upon each progress draw at the maximum percentage allowed by Florida law as specified in the construction contract. The Subrecipient shall abide by Florida law and this Agreement regarding the payment of retainage funds and project closeout procedures. The Subrecipient shall certify to HES that the contractor and subcontractors have complied with the requirements of DBRA, that all wages and restitution due to workers has been paid, and that satisfactory project closeout documentation has been reviewed and approved by the Subrecipient prior to releasing retainage/final payment.

**G. MONTHLY PERFORMANCE REQUIREMENTS:** The time-frame for completion of the outlined activities shall be as follows:

Complete Project Design by:	November 2019

**NOTE: 100% of these CDBG funds awarded must be expended by June 2020 and all necessary reimbursement documentation to meet this expenditure requirement must be submitted to HES, no later than May 2020.**

If unforeseen circumstances occur that impact the accuracy of the performance dates and require revisions thereto, the Subrecipient shall request, in writing, that the dates used as performance requirements listed above be revised/amended. The County Administrator, or his/her designee may, at their sole discretion, revise/amend the performance dates via written notification to the Subrecipient. The Completion Date for all activities may be revised only by an Amendment to this Agreement.

**The Subrecipient may be subject to decrease and/or recapture of funds by the County if the Monthly Performance Requirements are not met. Failure by the Subrecipient to comply with these requirements may negatively impact ability to receive future grant awards.**

Each Report must account for the total activity for which the Subrecipient is funded under this Agreement, and a Subrecipient representative must certify that all of the Subrecipient's Monthly Performance Requirements contained herein have been met during the reporting period. These Monthly Performance Reports shall be used by HES to assess the Subrecipient's progress in implementing the project.

**I. USE OF THE PROJECT FACILITY/PROPERTY:** The Subrecipient agrees in regard to the use of the facility/property whose acquisition or improvements are being funded in part or in whole by CDBG funds as provided by this Agreement, that for a period of five (5) years after the expiration date of this Agreement (as may be amended from time to time):

(1) The Subrecipient shall properly maintain the facility/project, and may not change the use or planned use, or discontinue use, of the facility/property (including the beneficiaries of such use) from that for which the acquisition or improvements are made, unless the Subrecipient provides affected citizens with reasonable notice of, and opportunity to comment on, any such proposed change and either:

- a. The new use of the facility/property qualifies as meeting one of the national objectives defined in the regulations governing the CDBG program, and is not a building for the general conduct of government; or
- b. The requirements of paragraph (2) of this section are met.

- (2) If the Subrecipient determines, after consultation with affected citizens, that it is appropriate to change the use of the property to a use which does not qualify under paragraph (1) (a) of this section or discontinue the use of the facility/property, it may retain or dispose of the facility for such use if the County is reimbursed in the amount of the current fair market value of the facility/property less any portion thereof attributable to expenditures of non-CDBG funds for acquisition of, or improvements to the facility/property. The final determination of the amount of any such reimbursement to the County under this paragraph shall be made by the County.
- (3) Following the reimbursement of CDBG funds by the Subrecipient to the County pursuant to paragraph (2) above, the facility/property will then no longer be subject to any CDBG requirements.

**The provisions of this clause shall survive the expiration or early termination of this Agreement.**

- J. SECTION 3 REQUIREMENTS:** The Subrecipient agrees to comply with all Section 3 requirements applicable to contracts funded through this Agreement. Information on Section 3 is available at HES upon request. The Subrecipient shall include the following, referred to as the Section 3 Clause, in every solicitation and every contract for every Section 3 covered project:

**Section 3 Clause**

- (1) The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 170 1u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3 shall, to the greatest extent feasible, be directed to low-and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- (2) The parties to this contract agree to comply with HUD's requirements in 24 CFR Part 135, which implement Section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the Part 135 regulations.
- (3) The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers representative of the contractor's commitment under this Section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- (4) The contractor agrees to include this Section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR 135.
- (5) The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected but before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR Part 135.

- (6) Noncompliance with HUD's regulations in 24 CFR Part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.

**K. ENVIRONMENTAL CONDITIONS:** The County shall perform an Environmental Review (ER) of the project to assess existing conditions and identify all potential environmental impacts, whether beneficial or adverse, and any required conditions or mitigation measures that the Subrecipient must consider in the design and implementation of the project. The Subrecipient acknowledges that construction may not start until HES notifies the Subrecipient of the results of the ER and the Release of Funds from HUD. Where applicable, the Subrecipient shall submit to HES a plan of action and an implementation schedule for complying with any identified conditions requiring mitigation. The Subrecipient shall comply with all requirements established by the County emanating from the completion of the ER.

ER costs incurred by the County may be charged to the project identified above. In addition, the Subrecipient shall immediately inform HES of any environmental findings or conditions discovered during activity implementation, and agrees that applicable mitigation measures, subject to HES approval, shall be incorporated in order to proceed with the project. The Subrecipient acknowledges that such mitigation measures may affect the total project cost and that Subrecipient may be responsible for implementation of corrective actions and the costs associated therewith.

**2. COUNTY OBLIGATIONS:**

- A.** Provide funding for the above-specified improvements as described above in "Project Scope", during the term of this Agreement, in the amount of **\$36,689**. However, the County shall not provide any funding for the construction work until the Subrecipient provides documentation showing that sufficient funds are available to complete the project.
- B.** County shall not provide any funding for the consulting and/or construction work until the Subrecipient provides documentation showing that Subrecipient's procurement of the consulting and/or construction contract has been made in compliance with applicable requirements for the CDBG funds provided under this Agreement.
- C.** Provide technical assistance to the Subrecipient when requested.
- D.** Monitor the Subrecipient at any time during the term of this Agreement. Visits may be announced or unannounced, as determined by HES, and will serve to ensure compliance with HUD regulations that planned activities are conducted in a timely manner, and to verify the accuracy of reporting to HES on program activities.
- E.** Allowable costs that may be paid by the County under this Agreement in addition to those stated in 2.A above:
  - (1) Costs of asbestos surveys, asbestos abatement, and abatement monitoring.
  - (2) Costs of any other services customarily associated with projects of the nature of the project contemplated by this Agreement.

The County shall review requests by the Subrecipient for expenditures on the above items prior to undertaking the services associated with them, and approve any such expenditure it deems appropriate for this project

**I. DEFINITIONS**

ACM:	Asbestos Containing Materials
ASHERA:	Asbestos Hazard Emergency Response Act
EPA:	Environmental Protection Agency
FLAC:	Florida Licensed Asbestos Consultant
HES:	Palm Beach County Department of Housing and Economic Sustainability
NESHAP:	National Emission Standards for Hazardous Air Pollutants
NRCA:	National Roofing Contractors Association
NVLAP:	National Voluntary Laboratory Accreditation Program
OSHA:	Occupational Safety & Health Administration
PBCAC:	Palm Beach County Asbestos Coordinator (in Risk Management)
PLM:	Polarized Light Microscopy
RACM:	Regulated Asbestos Containing Materials
TEM:	Transmission Electron Microscopy

**II. ASBESTOS SURVEYS**

All properties scheduled for renovation or demolition are required to have a comprehensive asbestos survey conducted by a Florida Licensed Asbestos Consultant (FLAC). The survey shall be conducted in accordance with ASHERA guidelines. Analysis must be performed by a NVLAP accredited laboratory.

For Renovation Projects (projects which will be reoccupied):

- Point counting should be conducted on all RACM indicating 1% - 10% asbestos by PLM analysis. If the asbestos content by PLM is less than 10%, the building owner/operator can elect to:
  1. Assume the material is greater than 1% and treat it as RACM, or
  2. Require verification by point counting
- Samples of resilient vinyl floor tile indicating asbestos not detected must be confirmed by transmission electron microscopy (TEM)
- Joint compound shall be analyzed as a separate layer
- Roofing material shall be sampled only if a renovation requires the roof to be disturbed. In lieu of sampling the roof, it will be presumed to contain asbestos

For Demolition Projects:

- Point counting should be conducted on all RACM indicating 1% - 10% asbestos by PLM analysis. If the asbestos content by PLM is less than 10%, the building owner/operator can elect to:
  1. Assume the material is greater than 1% and treat it as RACM, or
  2. Require verification by point counting
- Composite sample analysis is permitted for drywall systems (combining the drywall and joint compound constituents)
- All Category I and II non-friable materials, as defined in EPA/NESHAP, shall be sampled to determine asbestos content

If the Subrecipient has a recent asbestos survey report prepared by a Florida Licensed Asbestos Consultant, a copy may be provided to HES for review by the PBCAC to determine if the survey is adequate to proceed with renovation/demolition work. If no survey is available, a survey may be initiated by the Subrecipient or requested by HES. If the survey is through HES, a copy of the completed survey will be forwarded to the Subrecipient.

### III. ASBESTOS ABATEMENT

#### A. RENOVATION

- (a) Prior to a renovation, all asbestos containing materials that will be disturbed during the renovation, must be removed by a Florida Licensed Asbestos Contractor under the direction of a FLAC. Exceptions may be granted by HES prior to the removal. The Subrecipient must obtain approval for all exceptions from HES. HES will request the PBCAC to review and approve all exceptions.
- (b) Asbestos abatement work may be contracted by the Subrecipient or by HES upon request.
- (c) If the Subrecipient contracts the asbestos abatement, the following documents are required to be provided to the HES.
  1. An Asbestos Abatement Specification (Work Plan)
  2. Post Job submittals, reviewed and signed by the FLAC
- (d) If the Subrecipient requests HES to contract the asbestos abatement, HES will initiate the request through the PBCAC who will contract the asbestos abatement. HES will provide a copy of all contractor and consultant documents to the Subrecipient.
- (e) Materials containing <1% asbestos are not regulated by EPA/NESHAPS. However, OSHA compliance is mandatory. OSHA requirements include training, wet methods, prompt cleanup in leak tight containers, etc. The renovation contractor must comply with US Dept of Labor, OSHA Standard Interpretation, "Compliance requirements for renovation work involving material containing <1% asbestos", dated 11/24/2003. The renovation contractor must submit a work plan to HES prior to removal of the materials.

#### B. DEMOLITION

All RACM must be removed by a Florida Licensed Asbestos Contractor under the direction of an FLAC prior to demolition. Examples of RACM include: popcorn ceiling finish, drywall systems, felt or paper-backed linoleum, resilient floor tile which is not intact, asbestos cement panels/pipes/shingles ("transite").

NESHAP Category I non-friable materials, such as intact resilient floor tile & mastic and intact roofing materials, may be demolished with the structure, using adequate controls. The demolition contractor shall be made aware of the asbestos-containing materials and shall exercise adequate control techniques (wet methods, etc.). Any exceptions to these guidelines shall be requested through and approved by HES prior to the removal. Demolition work should be monitored by a FLAC to ensure proper control measures and waste disposal. This is the responsibility of the Subrecipient.

- (a) Asbestos Abatement work may be contracted by the Subrecipient or by HES upon request.
- (b) If the Subrecipient contracts the asbestos abatement, the following documents must be provided to the HES and reviewed by the PBCAC.
  1. An Asbestos Abatement Specification (Work Plan).
  2. Post Job submittals, reviewed and signed by the FLAC.

- (c) If the Subrecipient requests HES to contract the asbestos abatement, HES will initiate the request through the PBCAC who will contract the asbestos abatement. HES will provide a copy of all contractor and consultant documents to the Subrecipient.
- (d) Recycling, salvage or compacting of any asbestos containing materials or the substrate is strictly prohibited.
- (e) In all cases, compliance with OSHA "Requirements for demolition operations involving material containing <1% asbestos" is mandatory.
- (f) If suspect materials are discovered that were not previously sampled and identified in the survey, stop all work that will disturb these materials and immediately notify HES.

**IV. NESHAP NOTIFICATION**

**A. RENOVATION**

A NESHAP form must be prepared by the Subrecipient or its Contractor and submitted to the Palm Beach County Health Department at least ten (10) working days prior to an asbestos activity that involves removal of regulated asbestos containing material, including linoleum, greater than 160 square feet or 260 linear feet or 35 cubic feet. For floor tile removal greater than 160 square feet, the Subrecipient or its Contractor shall provide a courtesy NESHAP notification to the Palm Beach County Health Department at least three (3) working days prior to removal.

The Subrecipient shall provide a copy of the asbestos survey to the renovation contractor to keep onsite during the work activity.
