

RESOLUTION NO. 77-09-19

A RESOLUTION OF THE TOWN COMMISSION OF THE TOWN OF LAKE PARK, FLORIDA, MAKING SEPARATE AND SEVERAL APPROPRIATIONS FOR ITS NECESSARY OPERATING EXPENSES, THE EXPENSES OF THE VARIOUS FUNDS AND DEPARTMENTS OF THE TOWN FOR THE FISCAL YEAR BEGINNING OCTOBER 1, 2019, AND ENDING SEPTEMBER 30, 2020, AND PROVIDING FOR THE EFFECTIVE DATE THEREOF.

WHEREAS, pursuant to Article VIII, §2 of the Florida Constitution the Town of Lake Park has the governmental, corporate and proprietary powers to conduct municipal government; and

WHEREAS, pursuant to Section 166.241, Florida Statutes, each municipality in the state of Florida is required to establish a fiscal year beginning October 1 of each year and ending September 30 of the following year and shall adopt a budget each fiscal year.

NOW, THEREFORE, BE IT RESOLVED BY THE TOWN COMMISSION OF THE TOWN OF LAKE PARK, FLORIDA, AS FOLLOWS:

Section 1. As hereinafter stated in this resolution, the term "fiscal year" shall mean that period of time beginning October 1, 2019, and including September 30, 2020.

Section 2. The revenues hereinafter incorporated by reference shall be, and the same hereby are, appropriated to provide the monies to be used to pay the necessary operating and other expenses of the respective funds and departments of the Town of Lake Park for the above described fiscal year.

Section 3. Sums hereinafter incorporated by reference listed as operating and other expenses of the respective funds and departments of the Town shall be, and the same hereby are, appropriated and shall be paid out of the revenues herein appropriated for said fiscal year.

Section 4. The revenues and the expenses for which appropriations are hereby made, all set forth above, shall be as follows:

- A. As set out in the amended proposed Town of Lake Park General Fund Budget as on file in the Office of the Town Clerk of the Town of Lake Park.
- B. As set out in the amended proposed Town of Lake Park Debt Service Fund Budget as on file in the Office of the Town Clerk of the Town of Lake Park.
- C. As set out in the amended proposed Town of Lake Park Insurance Fund Budget as on file in the Office of the Town Clerk of the Town of Lake Park.
- D. As set out in the amended proposed Town of Lake Park Special Projects Fund Budget as on file in the Office of the Town Clerk of the Town of Lake Park.
- E. As set out in the amended proposed Town of Lake Park Streets and Roads Fund Budget as on file in the Office of the Town Clerk of the Town of Lake Park.
- F. As set out in the amended proposed Town of Lake Park Marina Fund Budget as on file in the Office of the Town Clerk of the Town of Lake Park.

- G. As set out in the amended proposed Town of Lake Park Stormwater Fund Budget as on file in the Office of the Town Clerk of the Town of Lake Park.
- H. As set out in the amended proposed Town of Lake Park Sanitation Fund Budget as on file in the Office of the Town Clerk of the Town of Lake Park.

Section 5. The sums hereinbefore incorporated by reference based upon departmental estimates prepared by the Town Manager and the Finance Director shall be, and the same hereby are, fixed and adopted as the budget for the operation of the Town of Lake Park Government and its other enterprises for the fiscal year beginning October 1, 2019.

Section 6. The Annual Budget establishes limitations on expenditures by fund and by department within funds, and the total appropriation of each fund may not be increased or decreased without specific authorization by a duly enacted resolution effecting such amendment or transfer. However, specific activity and department amounts may be exceeded upon authorization of the Town Manager so long as excesses exist in other activities within said fund budget. Notwithstanding the forgoing, the Town Commission shall approve by resolution the transfer of all appropriations in excess of \$10,000 and all transfers from the Town's Unassigned Fund Balance Account or the Town's Contingency Account;

Section 7. The Town of Lake Park adopts the provisions of Florida Statutes 200 which provides for the expenditures of monies for the fiscal year based upon the proposed budget approved by the Town Commission of the Town of Lake Park.

Section 8. This Resolution shall take effect immediately upon adoption.

THE REST OF THIS PAGE HAS BEEN LEFT BLANK INTENTIONALLY.

The foregoing Resolution was offered by Commissioner Michaud, who moved its adoption. The motion was seconded by Commissioner Flaherty and upon being put to a roll call vote, the vote was as follows:

	AYE	NAY
MAYOR MICHAEL O'ROURKE	<u>Absent</u>	
VICE-MAYOR KIMBERLY GLAS-CASTRO	<u>/</u>	
COMMISSIONER ERIN FLAHERTY	<u>/</u>	
COMMISSIONER JOHN LINDEN	<u>/</u>	
COMMISSIONER ROGER MICHAUD	<u>/</u>	

The Town Commission thereupon declared the foregoing Resolution No. 77-09-19 duly passed and adopted this 19 day of September, 2019.

Re: Budget Transmittal Letter

Dear Mayor Michael O'Rourke, Vice Mayor Kim Glas-Castro and Members of the Town Commission and the Residents of Lake Park:

The purpose of this Budget Transmittal Letter is to highlight the changes to the Operating and Enterprise Budgets for the upcoming Fiscal Year 2019-2020.

The budget process commenced with the submission of budget initiatives from each department director. Budget submittals are what Town departments need to deliver the highest and best services to our residents. Initially, budget initiatives and line item expenditures increased the budget deficit by more than **\$1,000,000**. Unfortunately, revenues never match up with budget and initiative requests. The budget process requires us to pare down the budget to ensure that the operating budget, along with each enterprise fund is balanced. This process required the budget team members consisting of Lourdes Cariseo Finance Director, Bambi Turner, Assistant Town Manager and Human Resource Director, Janet Perry Assistant to the Town Manager and each Department Director to meet with the budget team to achieve a balanced budget.

Staff is proposing a balanced operating budget for the upcoming Fiscal without an increase to the millage rate. The rate remains at 5.3474. The Fire MSTU is **3.4581**. Together, the total millage rate is 8.8055. The state has capped the millage rate for municipalities at \$10.00 per \$1,000. The millage rate will increase to **\$3,689,136** from **\$3,384,406**, increasing property values. The associated revenue to support a budget of more than **\$8,980,345** permits departments to develop after-school programs designed to enable after school-age children to get involved in constructive recreational activities throughout the school year at no charge to families. The difference is made up from other revenue sources outside of the millage rate. The total revenue from outside of the millage rate is **\$6,074,315**.

The financial condition of the Town continues to improve. Staff is mindful of the increase in value increasing property taxes. If the Town decided to roll back the rate and eliminate the rise in taxable value, the Town would need to reduce the budget by **\$410,292**. We can only reach the rollback rate when significant new reoccurring revenues hit the operating budget. The Federal Highway development project, which has an estimated value of 160 million dollars, will generate Ad Valorem tax revenue of approximately \$1.4 million per year. Our current Ad Valorem revenue is **\$2,737,304**. Until new revenue streams are added to the budget, we cannot reach the rollback rate without significant reductions in personnel, programs, and services.

Sixtyfive percent of single-family homes are renter-occupied. Roughly 35 percent of our housing stock is owner-occupied. Younger residents and families continue to move into Lake Park in part because of low property values, the unique location of the Town between Jupiter and West Palm Beach and quick

535 Park Avenue
Lake Park, FL 33403
Phone: (561) 881-3304
Fax: (561) 881-3314

www.lakeparkflorida.gov

access to the waterfront. Young families are finding Lake Park affordable. We must provide these families with the services they desire to remain a livable community. The challenges we face as leaders are to stem the tide of rental housing. The goal of this administration is to encourage homeownership opportunities throughout Lake Park. The town remains attractively affordable and a community on the move. This budget year, Strategic Marketing Inc. will begin to implement an overall strategy for the Community Redevelopment Agency (CRA) to attract millennials to the PADD (Park Avenue Downtown District) and to fill vacant commercial space and create a sense of excitement around the newly established Park Avenue Downtown Brewery District. The CRA funded branding initiative continues in the next fiscal year's CRA budget at \$55,000. The objective is to promote the CRA as a hipster place to eat, drink, and recreate. Property values in the CRA increased by over 16.5 percent (in the last fiscal year) while property values throughout the rest of the town increased over eight and a half percent. As the CRA continues to outpace the rest of the town in property value increase, creating a synergistic balance among businesses, restaurants, breweries, live entertainment, the arts, and a live-work and recreational environment in the downtown area is critical. The vibrancy of any rebirth of a downtown area requires residents to live and work in the downtown district. The Special Events Department will work with downtown businesses to assist in the planning of special events in the PADD, which will contribute to the revitalization and success of the CRA.

MILLAGE RATE:

The Millage Rate has remained at 5.3474. The rate remains steady for the past five fiscal years. The increase in your tax bill is related to the rise in property values. The most significant increase in property values occurred within the CRA boundaries. The CRA continues to be a good investment for the business community.

HOMESTEAD EXEMPTION:

Homestead exemptions reduce the overall tax burden to residents by **\$522,405** each year. However, the homestead exemption only applies to homeowners living in their residence. Remember, 65 percent of the property in the Town is rental and therefore not eligible for the exemption.

FUNDED INITIATIVES:

Each year, the ability for the Town to fund department initiatives remains problematic. Nautilus is in plan review. The building permit fee for an estimated \$160 million project is calculated to be close to \$2 million, and staff expects to collect the payment in the 2019-2020 budget year. Therefore, I am recommending the Commission reopen the budget process to fund one-time budget initiatives later in the FY 2019-2020 fiscal year. The following initiatives are funded in the FY 2019-2020. Those initiatives include: extending Lambda Rail (Second Phase) \$180,000, Web Hosting \$4,000, part-time to full-time Project Manager at \$30,000, Town Hall Doors at \$70,000, Town Clerk's Ceiling Assessment at \$28,000 (Historical Grant Approval), water supply update at \$9,800, the Back To School Extravaganza at \$3,000, afterschool youth activities at \$5,000 and funds to complete the CDBG funded additional playground equipment and canopy at \$7,000. The total of public initiatives added to the operating budget is \$336,800.00. The upgrade of a Stormwater Technician to a Stormwater Infrastructure Manager for \$9,464 was added to the Stormwater Budget.

Furthermore, the continuation of the grant program for **\$25,000** to assist not-for-profit and for-profit organizations in our community will continue in the FY 2019-2020. Last year the Commission decided to fund the Lake Park Baptist youth soccer program. Bike racks

along Park Avenue and to provide funding for \$4,000 to assist the Brewhouse Gallery back alley Mural Project. The youth Soccer camp staff saw approximately 150 youth participate in the one week program between the time school ended and the start of summer camp programs in Palm Beach County. The initiative provided working parents with a structured recreational program for their children.

PERSONNEL CHANGES:

The budget for FY19-20 will fund the full-time equivalent Code Compliance Officer's position in its entirety. Last year's budget supported the full-time Code Compliance Officer on a partial basis using CDBG grant funds, with the general fund picking up the balance of salary and benefits. While the CDBG program may be extended an additional six months into FY 19-20, Palm Beach County will not make this decision for possibly another 30 days; therefore, the position must be funded in its entirety now.

Further, the budget continues to support a Part-Time Planner at twenty-five hours per week. With the continued increase in projects projected for this budget year, additional personnel including the need for a second Community Development Technician for is necessary but remains unfunded. Even with the assistance/relief provided by other department employees, Community Development is experiencing delays and anticipates these delays will increase in the next budget cycle given the limited resource with hundreds of Business Tax Receipt applications per year (minus the daily customer interactions – front counter, phones and email – which average approximately 70 customer interactions per day).

The Town Clerk's Office needs a Records Retention Clerk to enable the various departments to scan and retrieve public records electronically. With the introduction of Laserfiche as the document retrieval backbone, documents scanned into the system are readily available to staff, and residents via the Town Website and will allow staff to respond to records requests in an expeditious manner.

ENTERPRISE FUNDED INITIATIVES:

Public Works Department Streets and Road Fund Budget:

The Public Works Department Streets and Roads fund budget will continue to fund the sidewalk repair and replacement program. The budget supports the program at **\$418,041**. Future roadwork projects, such as 10th street from Sliver Beach Road to Park Avenue, will require grant funding to complete. The road lacks proper drainage, and the streets and roads budget funds are insufficient to meet the financing needs to complete the roadwork. Staff believes the entire roadway from Silver Beach to Park Avenue will require a full re-acclimation. The addition of green infrastructure drainage swales throughout the corridor will enhance the Town's ability to secure funding from the Lake Worth Lagoon Initiative. Our approach will be to aggressively seek grant funding to implement a trial sustainable green initiative of bioswales along 10th Street. The need to achieve sustainable green initiatives means that the Town will position itself for future grant funding from funding sources that support clean water initiatives.

Lake Harbor Marina Fund Budget:

The FY 2019-2020 Marina Fund Budget is **\$ 1,541,868**. The Marina Fund will look to increase revenues by establishing a new methodology for slip rentals. The Marina currently charges slip fees based on the actual length of the boat. The new method will calculate the exact length of the vessel size plus the motor, which will slightly increase revenues per month, per slip. The Marina budget

will continue to fund the Marina Maintenance II position. For years, the Marina has deferred maintenance resulting in significant costs for building repairs and maintenance. Considerable building maintenance and repair work remains a top priority.

The administration is proposing to enter into a public-private partnership to fund upgrades to the Marina. The upgrades, including the expansion of the Marina, is estimated at \$20-\$30 million dollars. We will need to balance necessary repair work with prospects of moving the funding for the Marina to a private investor. Continual maintenance to the property will be required. Air conditioning units have been replaced. The fuel pumps at the Marina require further evaluation and may need replacement shortly. One of the most significant challenges to the Marina budget continues to be the funding of large-scale capital projects. The administration is proposing to move the current Dockmater to the Marina Director's position and hire a Dockmaster to support the day-to-day operations. The need to re-evaluate how services are delivered at the Marina remains a top priority. For years, the Marina has thought to be this quaint park-like Marina. Development near the marina has changed the dynamic of what the Lake Park Harbor Marina will look like in the future. A resort-style marina that is expanded to accommodate larger vessels with possible mixed-use on the Marina Peninsula. The proposed public-private partnership envisioned for the Marina will move the Marina to a full-scale resort-style Marina.

Stormwater Utility Fund Budget:

The Stormwater Budget has a balance of **\$2,002,263**. The further development of the Comprehensive Stormwater Management Plan incorporates best practices for sustainable green initiatives throughout the Town. Every aspect of drainage in the Town will include retaining and treating run-off on-site for as long as possible before discharging to the Intracoastal. Rather than expand piping, which is incredibly expensive and not necessary, the emphasis will be on water retention and the utilization through a series of bioswales from the west to east ends of the town and eventually into the Intracoastal Waterway. The initiatives in the bioswale areas will act as a natural filter before discharging into the Lake Worth Lagoon, thereby contributing to cleaner outflows into the water body. In the upcoming year, we also intend to acquire a new street sweeper, implement an additional pipe repair (similar to the repairs completed in FY2018-2019 at Kalmia and Palmetto), and perform in-depth engineering of the large 60 inch pipe that serves a large portion of the Town, which runs along the southern part of Lake Park. We have previously completed repairs to this large pipe – but the entire pipeline will be examined for structural integrity and need for further maintenance.

Sanitation Fund Budget:

The Sanitation Budget has a balance of \$23,250 after the purchase of two refuse trucks.

CONCLUSION:

The Fiscal Year 2019-2020 budget is balanced. Service levels will either remain the same or increase slightly. The turn around time for permits in the Community Development Department is approaching a week to a week and a half for simplified permits and several weeks for permits that involve the more extensive review, or outside agency review (this is one area that may suffer additional delays next budget cycle). In my opinion, extending that time beyond a week is unacceptable. The need to hire a second Community Development Technician will be a priority in the next budget cycle. The Public Works Department is near capacity with almost all positions filled.

I look forward to working with the Commission to further the goals and objectives of both the Commission and the administration as together we move the Town forward in a positive direction.

I want to thank the Commission for its insight, vision, and direction as together we have balanced the budget with the best intentions of the Town at the heart of what we do on behalf of the residents of Lake Park.

Sincerely yours,

John D'Agostino
