She then read from a prepared statement as follows: (Verbatim) "For Vice-Mayor Rumsey and Patricia Plasket-Osterman to say that nothing has been accomplished in the past 15 months because of Hockman and Longtin is indicative of the accounting that takes place here in Lake Park. Now I ain't got me no degree, but I learned in elementary school that one plus one equals two; I learned that two plus three equals five; I learned that three are more than two; for most of our votes majority rules. Three votes outweighs two votes, three votes out of five wins, they have had the majority, and I want them to stop whining."
