Town Manager D’Agostino stated that a gas station was a business and businesses were included in the Ordinance. Commissioner O’Rourke agreed to include gas stations. He announced that Governor Scott’s Deputy Chief of Staff in Tallahassee has scheduled a meeting (2/10/16 at 8:30 a.m.) for possible funding the Lake Shore Drive drainage issues and economic development. He thanked House of Representatives Bobby Powell for helping to schedule the meeting. Commissioner O’Rourke volunteered to attend the meeting with the Town Manager and staff. He asked that the Mixed-Use Federal Highway vision should be included in the packet presented in Tallahassee. Town Manager explained that the Mixed-Use vision could be included as well as what one of the buildings would mean economically. He announced that the Friends of the Library are having an exhibit on Thursday, February 4th at the Library. He announced that the position of the Recreation Director was being redefined because bundling the Park & Recreation with an Events Planner does not work. He stated that only two (2) municipalities have the same staff member conduct both roles in our area. He explained many unique activities that would benefit the Town.

He announced that the Florida Department of Law Enforcement Justice Assistance Grant for cameras in Town Hall needed to have the Mayor’s signature in order to proceed with the grant application. Mayor DuBois suggested that the cameras be placed at Kelsey and Lake Shore Park’s. Town Manager D’Agostino explained that the Town Hall cameras

were installed 8-years ago, but they are not high definition nor were they infrared. Commissioner Flaherty asked if the cameras would cover the Library. Town Manager D'Agostino stated that they could cover the Library. Mayor DuBois stated that during the next opportunity the cameras could be installed at the parks.

He announced that the Marina Director has developed a business plan/marketing study.

Commissioner Rapoza asked if the Town of Lake Park could host a Palm Beach County League of Cities meeting. Town Manager D'Agostino explained that several venues outside of Lake Park have been explored to accommodate the meeting. He stated that the venue was in North Palm Beach on the corner of Northlake Blvd and US 1. He stated that he would reach out to the Village of North Palm Beach manager to collaborate to host the meeting. Commission came to consensus to pursue that venue.

Commissioner Flaherty thanked the Library staff and the Friends of the Library for the presentation. He expressed concern with the picketing that took place at the Sunset Celebration and how aggressive they were to those attending. Town Manager D'Agostino explained that he met with the organizers of the group against the cell tower and explained where they could set-up. He stated that he shared the same information with the Commissioners. Commissioner Flaherty stressed that they were aggressive. Mayor DuBois stated that the group exploited the Sunset Celebration and it was a poor decision on the group's part to exploit the Town facility in that manner.

Commissioner O'Rourke asked when would the cell Tower item be heard by the Commission. Town Manager D'Agostino stated that it was scheduled for the March 16, 2016 Commission meeting agenda. He announced that the Lake Park Tennis Pro Darryl Fornatora has gone missing while on vacation in the Dominican Republic. He urged anyone with information to contact the authorities. He asked if the Town was ready to hire a Recreation Director since the Town does not have the proper grass at the parks. He asked Lt. Vassalotti for an update on the spree of car break-ins on Lake Shore Drive. Lt. Vassalotti stated that there was no update at the time. He stated that many municipalities are dealing with the same issue. He explained that DNA was pulled from the cars on Lake Shore Drive and further investigations are being conducted. He stated that PBSO was trying to budget to place cameras around the Town.

Vice-Mayor Glas-Castro announced that the founder of the Lake Park Historical Society Dorothy Gooding had passed away. She announced that former Commissioner John Butterly had passed away. She stated that at the Palm Beach County League of Cities meeting Lake Clarke Shore made a presentation requesting appropriation funding for the "Blue Way Trail" project. She asked that the Town join in with a Resolution of support. Town Manager D'Agostino suggested that it be included in the next agenda. Vice-Mayor Glas-Castro asked what the Northlake Blvd signage compliance date was. Community Development Director DiTommaso explained that it was July 5, 2016. Vice-Mayor Glas-Castro asked Attorney Baird a question regarding the cell tower. She asked since we were in the lease option phase of the agreement could the lease be terminated because they failed to get a favorable recommendation from the Planning & Zoning Board. Attorney Baird stated "no". She clarified an email exchange that took place between the Town Manager regarding proclamations and how her tone was

misinterpreted. She described the different types of proclamation that are presented. She stated that the proclamation that recognize individuals or businesses for extraordinary achievements were typically requested by the Town Commission. She stated that in her opinion a proclamation honoring an individual should come from the Commission and not from staff or the Town Manager. She suggested that the Town Manager should recommend such proclamation before placing them on an agenda. Town Manager D'Agostino explained the email string and the understanding of those emails. Vice-Mayor Glas-Castro suggested that a proclamation policy be created which would include the criteria. The policy should be brought back to the Commission for recommendation and adoption.

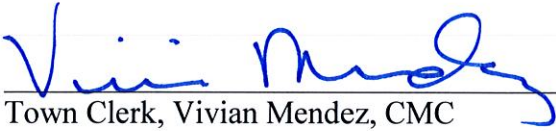

Mayor DuBois announced that he attended the North County Intergovernmental Coordination meeting where quiet zones were discussed. He stated that Kim Delaney from the Treasurer Coast Regional Planning Council made a presentation regarding Tri-Rail and All Aboard Florida's bright line and quiet zones projects. He stated that there are tiger grants that are associated with either of the projects for funding of quiet zones from the Metropolitan Planning Organization (MPO). He stated that the Town was part of their phase II part of the project and the Town may be waiting further time than originally anticipated. He suggested that the Town pursue getting these funds. He stated that he has read the City of Delray Beach Resolution regarding Impact fees and would be interested in reading the West Palm Beach Resolution. Vice-Mayor Glas-Castro stated that the Village of Palm Springs was creating a similar Resolution. He recommended that Commissioner Rapoza receive a proclamation of appreciation for her time as Commissioner. Town Manager D'Agostino stated that a proclamation has been scheduled for April 6, 2016.

Summary Explanation/Background:

Throughout 2015, murals were discussed by the Town Commission. They were discussed in an attempt to introduce the concept of wall art on structures within the Town's Community Redevelopment Area (CRA). The intent of this Ordinance is codify certain provisions that would enable business owners to apply for murals that are strictly art-related without any business signage. Some key elements of the proposed Ordinance include:

- Emphasis on content neutral messages.
- Distance separation of 100 feet to residential structures.
- Application and fee (\$250) requirements involving Community Development Department initial review and final approval by the Town Commission – includes proof of public liability insurance for applicants who are corporations, limited liability companies or partnerships in the amount of \$1,000,000 and a letter of credit in the amount of \$1,500 to ensure the Town is able to collect in the event the mural is found to be in non-compliance with any mural provisions.
- Maximum size not to exceed 80% of a wall, and in no event more than 10,000 square feet with predominantly pictorial images without text.
- Maximum duration of 12 months for a mural, with a one-time 12 month extension if desired (extension may be approved administratively).
- Maintenance and enforcement provisions whereby the mural is required to be maintained in good repair, or is subject to the Town's code enforcement proceedings.

Please refer to the complete proposed Ordinance found herein.

Recommended Motion: I move to APPROVE Ordinance 02-2016 on first reading.

Summary Explanation/Background:

Staff was approached by the Palm Beach County's Sheriff's Office regarding the implementation of a panhandling Ordinance similar to the Ordinances adopted by Palm Beach County and the Village of North Palm Beach. Since the Town has certain *hot-spots* for panhandlers and some of these *hot-spots* present life-safety and public welfare concerns, specifically when panhandlers are soliciting in roadway medians or at Automatic Teller Machines, the Town Attorney reviewed those Ordinances that have already been enacted and has recommended that the Town adopt a similar Ordinance. This Ordinance, in part, prohibits panhandling (solicitation) pursuant to the following:

1. No person shall panhandle in an aggressive manner within the Corporate Limits of the Town.
2. No person shall panhandle within twenty (20) feet of any automated teller machine, an entrance or exit to a banking facility, or an entrance or exit to a business establishment open to the public or a governmental building.
3. No person shall panhandle when either the person soliciting or the person being solicited is at a bus stop or within a public transportation vehicle.
4. No person shall panhandle in any parking lot or parking garage.
5. No person alongside or within the median of any roadway shall panhandle from any occupant of a motor vehicle that is on a roadway nor shall any person stand alongside a roadway or within the median for the purpose of panhandling.
6. No person shall panhandle on private property without the permission of the owner.

Please refer to the complete proposed Ordinance found herein.

Recommended Motion: I move to APPROVE Ordinance 03-2016 on first reading.
