Commissioner Linden expressed concerns and referred to “Section 10-36 Appeal procedures” of Ordinance No. 07-2019. He questioned if the required fee of \$200.00 was necessary. Community Development Director Nadia DiTommaso explained that the fee was necessary due to the incurred costs of processing an appeal application (Staff, Town Attorney, and Special Magistrate Fees). She explained that the fee of \$200.00 was a minimal cost that did not cover the extent of the incurred costs, but provides an initial recovery of the incurred costs. Town Manager D’Agostino explained that the fees of \$200.00 was in the previous Ordinance. Community Development Director DiTommaso that most of the provision within Ordinance No. 07-2019 was a combination nuisances indicated in Chapters 10 and 54 of the Town Code of Ordinances. She explained that Ordinance No. 07-2019 expands the nuisance criteria in terms of repeat violators. Commissioner Linden expressed additional concerns regarding the aforementioned associated application fees. He expressed concerns regarding the language within Ordinance No. 07-2019, he explained that the language omitted a clear distinction between Internal and External code compliance inspections. He referred to Ordinance No. 07-2019, Section 10-34 “Notice of the existence of a nuisance and general procedure.” He asked for clarification of 10 days, he explained that it was unclear whether the Ordinance permitted calendar or business days. He explained that he was unable to locate Section 162-12, F.S. on the Town of Lake Park Website. Community Development Director DiTommaso explained that the Ordinance permitted 10 calendar days, and that Section 162-12, F.S. was part of the Florida State Statutes. Commissioner Linden asked if the Town of Lake Park could override a Florida State Statute. Town Attorney Baird answered, “No.” Commissioner Flaherty questioned the frequency of the appeals process. Community Development Director DiTommaso explained that the Town of Lake Park did not have many appeals. **11. Final (Step 2) Approval for a Mural Application for Front Building Wall of 1045 Silver Beach Road.**

Town Manager D'Agostino provided a brief summary explanation of the item. He explained that the location of the mural was approved (5-0) at the September 4, 2019 Regular Commission Meeting and that the minimum criteria for the mural had been met. Commissioner Flaherty questioned if the applicant was comfortable with the requirements of the application. Brent Dell, owner of 1045 Silver Beach Road explained that he would comply with the requirements of the application. Commissioner Linden questioned if Mr. Dell would incur costs per the addition of a painted border for the mural. Mr. Dell explained that additional costs may be incurred but had not been determined. Discussion ensued, Commissioner Linden expressed concerns regarding the delay of the application process, and the mural application security deposit. Community Development Director DiTommaso explained that the mural was installed without a permit, she explained that a text amendment process had taken place in order to expand the mural boundaries to include the entire Community Redevelopment Agency. She explained that the text amendment process had taken months to complete, and thereafter the mural application was delayed for quite a few months by the owner. She explained that the burden of providing the requirements of the application was that of the owner, not the Town of Lake Park. She explained that applications do not move forward until all requirements were met. She reiterated that the delays included illegal installation, the text amendment process, and the late submittal of the application and meeting requirements. Commissioner Flaherty commented that he was content with the recommendation of Staff. Commissioner Linden suggested that the Town waive the retroactive cost of \$250.00 due to the Town's responsibility in the delay of the application process. Vice-Mayor Glas-Castro explained that she was offended and not in support of Commissioner Linden's suggestion, she reiterated that the mural was illegally installed.

**Motion: Commissioner Linden moved to approve the "white area" to include the 20% without the borders, the row of hedges, the mural expiration of September 18, 2024, and that Mr. Dell would pay \$250.00 as if it were year one; Commissioner Flaherty seconded the motion.**

He explained that a hard copy of Exhibit “I” was provided to the Commission. Commissioner Linden asked if the Palm Beach County Sheriff’s Office (PBSO) would supplement any costs due to the shared benefits of expanding the Town’s LPRS. Captain Thomas Gendreau explained that PBSO owned a small percentage of the LPRS, and most of the LPRS are the responsibility of the respective Cities. He explained that the Town of Lake Park has reciprocal benefits per the information shared via County-Wide LPRS. Public Works Director Richard Scherle explained that pages 4-8 of Exhibit “I” detailed the associated costs of software, hardware, and electrical services. **CAMP COUNSELOR RECOGNITION**

Dear Summer Camp Parents:

This summer you will have the opportunity to recognize any of your child's counselors for something special they have done, the way they encouraged your child, or any time you feel they have gone "the extra mile."

When you drop your child off each day, there will be cards on the front desk that say "You Are Magical" on one side, and have space for you to write on the other. Please feel free to pick one (or two, or three or four) up whenever you wish to let us know what magical thing a counselor has done. There will be a "Magical Box" on the desk, as well, and you can drop your card off when you pick up or drop off your camper.

I'm excited to be able to let our counselors know they make a difference each and every day, because they really do! Every time a counselor receives a "You Are Magical" card, you will be making them feel special, appreciated...and magical.

Sincerely,  
 Ms. Brittany
