

Enriching our Community through Public Art

April 23, 2018

Community Redevelopment Agency Town of Lake Park Lake Park Town Hall 535 Park Avenue Lake Park, Florida 33403

Dear CRA Board Members:

As the City of Boynton Beach Public Arts Manager, I have been familiar with the Artists of Palm Beach County since 2008. Recently It was brought to my attention that the town of Lake Park has requested a proposal from the Artist of Palm Beach County to continue with Art on Park Gallery at 800 Park Avenue location.

The members of the Artists of Palm Beach County, many of whom have exhibited their artwork in the City of Boynton Beach rotating exhibitions, are committed to Art on Park Gallery by the offering numerous educational and creative activities to the public. This commitment will enrich the Town of Lake Park and create an environment for a diverse population that supports the arts, stimulates cultural interaction, and contributes to economic development.

The Artists of Palm Beach County and their dedicated professional membership will continue to be a valuable asset to the Town of Lake Park as well as to Palm Beach County.

Sincerely,

Debby Coles-Dobay, Public Arts Manager City Manager's Office, Art in Public Places

The Rickie Report

Serving the South Florida Community of Artists, Artisans and Art Patrons

For the past 5 years, Art On Park Gallery, under the leadership of Artists of Palm Beach County, has helped bring a new creative direction to the Town of Lake Park, FL.

Artists of Palm Beach County and Art on Park Gallery continue to bring free art events to the local residents. Their exhibits, classes, workshops, art salons, lectures and other events bring visitors and art patrons from outside the area to Lake Park, adding dollars to the economy of the area. Their pioneer spirit, with the support of the Town of Lake Park, has helped put Lake Park back on the cultural map of Palm Beach County.

It is an honor to recommend Art on Park Gallery and Artists of Palm Beach County, good citizens and volunteers, to continue their activities at 800 Park Avenue, Lake Park, FL.

I hope you will confirm your support as well.

Thank you for your consideration,

~ Rickie

I am Cecily Hangen Area Chairman and past President of the Florida Artists Group a state wide organization of professional artists. Our mission is to "achieve the highest standards of creative art" throughout the state of Florida. Certainly APBC Art on Park Gallery, 800 Park Ave in Lake Park fulfills this standard.

APBC is a spacious, well-appointed gallery as to lights and hanging walls.

It is centrally located in the community of Lake Park easy access for the professional artist and amateur artist. It has proven to be a wonderful opportunity for the artists to exhibit and the people of Lake Park to see their art.

I wish West Palm Beach had such a local oriented gallery.

To Whom it May Concern;

As a member of Artists of Palm Beach County displaying my work at Art On Park Gallery, I can attest to the worthiness and value of having a physical space of our own. It is difficult if an artist does not have huge name recognition or is not represented by an artist's agent or large gallery, to have a permanent presence in this area.

A short time ago, I was a member of another local artists' gallery in Jupiter which was disbanded causing the dissolution of the artists' group completely.

Artists of Palm Beach County serves the art community not only meeting the needs of individual artists, but also in its contribution to the larger community. I have seen the renewal of Lake Park in this area over the past few years. When a community is openly supportive of the arts, visual and performing, it has a mutually beneficial effect on not only the creative spirit of the community, but also the economic health and vitality of the surrounding area as well.

Artists of Palm Beach County is a local resource not only for the member artists but also because we offer the community workshops and classes at an affordable rate enabling people the opportunity to try different forms of expression which they might be reluctant to commit to on a larger scale, such as a university level.

The presence of Art On Park Gallery has been such an asset to Lake Park. We look forward to developing this benefit for all for many years to come, with support. Thank you.

To Whom It May Concern:

I am writing this letter of support for the Artists of Palm Beach county in their application for a proposal to maintain their current location at 800 Park Avenue. This grass roots based community organization has a proven track record of over five years of providing artistic opportunities to the community.

It would be a hardship on them if they had to relocate from their present facility. They provide educational, exhibition and many other arts related activities on a monthly basis which are free and open to the public. They also network with other arts organizations within the county and state.

Artists from as far away as Iceland, Finland and Russia regularly exhibit at the gallery. As a member I have had several pieces exhibited there and brought many friends and relatives from outside of Lake Park and Palm Beach County to my openings.

The Gallery on Park is one of a few places within the county that beginning and emerging artists can have their work displayed. Thirteen artists maintain studios there. This is supportive and encouraging to these artists and often spurs them on to create more works.

As a vital part if the Park Avenue Arts District, the Art on Park Gallery brings many people to the area who then enjoy dinner in restaurants nearby.

Please continue to support this vital gallery. Thank you for your attention to this matter.

Sincerely,

To Whom it may concern:

I am this letter in support of the efforts of the Artists of Palm Beach County to be re-instated at their present location.

I have been a member of the association for about a year; but over several years, I have attended the opening shows for artist friends. These events are always lively and well attended.

I was a fine art black and white photographer for over 25 years; but only recently have taken up drawing and acrylic painting. The APBC is the only venue I know of where beginning artists like me; as well as seasoned veterans can be afforded the opportunity to display our work for both critical review and appreciation. Taking away this valuable community resource would be a disservice to many people, artists and non-artists alike. It would also be extremely time consuming and disruptive for them to re-locate.

Please do the right thing and continue your support of the APBC at it's present location.

Re: Artists of Palm Beach Gardens (APBC) - APBC Art on Park Gallery

To Whom It May Concern:

South Florida is a very special and beautiful area, conducive to human expression via the Arts. People are drawn here from all over the world and Palm Beach County needs to provide support as well as benefit from the creative inspiration.

I recently relocated from New York City where I had a career at the United Nations for many years. One of the reasons I decided to relocate to Palm Beach County was the fact that it is multicultural and diverse. How exciting it was for me to find such potential outside of New York City! I believe the APBC Art on Park Gallery is a wonderful grassroots initiative for all our culturally diverse local artists at all levels of accomplishment. Its location in Lake Park is central in the County and there is no other place anywhere nearby that offers truly affordable studio workspace and gallery exhibitions opportunities for artists. Musicians and writers also benefit from having a space for concerts, lectures and book signings.

Lake Park could become an art hub in the county, like Soho did in New York in the 1980s or Long Island City in Queens in the 2010s. There are a few interesting restaurants and stores already in place, and expansion could happen with more support for the artists who are trying to bring more cultural life to what would otherwise be a backwater.

Please look more closely at the potential in Lake Park as well as the wonderful initiative of the APBC Art on Park Gallery and offer the full support it deserves.

Thank you.

Sincerely,

Deborah Fairchild

Dear CRA Members:

For over a decade, I have been a member of the Artists of Palm Beach County, and for the past six years I have been a member of the Board of Directors. I retired early in 2005 from my profession as a Licensed Mental Health Counselor in private practice to pursue my passion as a full-time artist and writer. The Artists of Palm Beach County welcomed me as an emerging artist and offered me a place where I could network and exhibit my work.

In 2012 when we acquired the Art on Park Gallery, I became even more active in the organization and involved in Lake Park. A couple of years ago, I had the good fortune to display twenty of my paintings in a solo exhibition in the Lake Park Library, a benefit for me but also for the library. When I illustrated and wrote a children's book, *The Story of Daphne the Duck*, I was invited back to the library to do a book reading and lead an art activity. This successful event was repeated in the gallery where over a dozen children from Lake Park eagerly took part in a creative experience. This is just one example of the many opportunities offered to the community, which they would not have had if not for the Artists of Palm Beach County.

The merits of our non-profit organization are many, and we have played an important role in the Town of Lake Park. The original intention of the Lake Park CRA Master Plan for 800 Park Avenue was to create an artist co-op, a cultural facility, with the vision of improving Park Avenue and stimulating a revival of Downtown Lake Park. This was and is a worthy focus, which APBC is fulfilling. We are a valuable entity on Park Avenue, and I am hoping that we will continue to be a place where multidisciplinary artists gather, offer educational programing, and further enhance the Town of Lake Park.

To Lake Park CRA (Community Redevelopment Agency),

The Art on Park Gallery and their Board of Directors for Artists of Palm Beach County are a great asset to Lake Park and surrounding cities.

The Gallery features very talented local artists and offers a variety of art from watercolors and oils to abstracts, collages, jewelry and more.

It is a special place for artists to share their works.

The Gallery has many free programs for residents and attendees. Many people turn out to enjoy the Gallery's monthly opening exhibitions where snacks and wines are served and everyone has a great time meeting the artists and seeing their works.

Being local photographers and covering many interesting events in the North County area, we look forward to the exhibition each month to meet the artists and see their new works.

Please keep this local community Art Gallery.

Dear Sirs:

It is indeed distressing to hear that the CRA is considering the removal of the Artists of the Palm Beaches from their current location in Lake Park. I am a friend and former member of this organization and it served me well when I needed the association.

This league of nearly 100 artists is one of 4 major art leagues in Palm Beach County and it is the only one that provides gallery space, studio space and the ability to provide continuous indoor shows throughout the year. It also has a very well developed website which is able to promote and advertise itself and to serve its members fully.

Moreover, it provides service to the Lake Park community by offering from time to time exhibitions to younger artists from local schools, e.g. most recently having an art exhibit by The Palm Beach Gardens High School. Also, it provides poetry readings and art demonstrations which are open to the local citizens.

It has even offered jewelry making and craft demonstrations, which are inspirational in getting folks younger and older alike started in an endeavor, all be it part time, in providing extra income, and contributing towards an individual's mental health and peace of mind by helping them to be productive members of society in difficult economic times.

Artists of the Palm Beaches is a valuable asset to the Lake Park community with a proven track record. Its dissolution will be felt by the community. Please consider your options carefully. Thank you.

Sincerely.

Joe Friedman President Artists of Palm Beach County Artist/Instructor

A resident of Palm Beach county since 1979

Mr Friedman has maintained a studio in Lake Park where he and his wife Irma work their magic with paint and brush. He works primarily in oils and Irma with acrylics. Joe has been offering art instruction from that location for several years.

Mr Friedman grew up in Philadelphia where he began his studies in art. Upon graduation from high school, he was awarded a four year scholarship to the prestigious "Pennsylvania Academy of Fine Arts" where he studied under many noted American / Philadelphia artists. The Academy was designed after the great art schools of Europe, and that which he learned from those methods he still relies on today.

Over the years his work has evolved from a strictly representational view to a more inspirational view. You might say that he has a unique "vision". And you will enjoy that view whenever you see his work. His work can be found in private collections across the country. He has been active with APBC since It's inception, serving on the steering committee and then on it's board of directors. He currently is President of Artists of Palm Beach County.

As president, Mr. Friedman introduced "sharing meetings" where artists are asked to share with other members and guests their ideas about art in general and their work in particular. He actively seeks input from all members and encourages participation in this lively and growing organization.

History of Organization Mission Statement and Board of Directors **Exhibit G** - Copy of the history of Offeror's organization, adopted mission statement and goals.

History of APBC - In February, 2006, ArtiGras contacted APBC with the need to create a "local artists only" juried section. Inclusive to APBC, 14 members applied and were accepted for this special section of the art festival. In March and April, 2006, the first juried exhibit of our Founding Members was held with the City of Palm Beach Gardens' Gardens Art exhibition program. In 2007 and 2008, we worked with Palm Beach County Cultural Council and Palm Beach County Art in Public Places to create Artavox, the first collaborative event in the county to a celebrate local artists! It is an example of the positive impact Artists of Palm Beach County has had on the community at large. By collaborating with other cultural organizations and the business community, we were all able to leverage our resources for a greater cause.

Since December 2012 we have developed, managed, and flourished in the Art on Park Gallery, 800 Park Avenue, Lake Park. There we have provided an excellent venue for hundreds of local artists (both members and non-members) to gather, show and sell their work, and we have given the public an opportunity to know the local art community. Our mailing list has reached over two thousand people who are invited to our gallery on an almost weekly basis, and the number grows. It includes contacts not just from our region but from around the U.S.A.

Our Mission

Founded in 2006, Artists of Palm Beach County (APBC) is a grassroots coalition created and managed by artists for artists of all disciplines. We are dedicated to empowering individuals in the arts by reaching out to our diverse community, cultivating professional and social resources and opportunities for our members and developing collaborative relationships.

The Barkley clubhouse is scheduled for summer upgrades. When the snowbirds return in the fall, the building will have been painted and new doors installed. The former hobby room and library are already being renovated. Thanks to our "Paint Color" committee – Janet Flynn, Terri Hextell, Judy Sobocinski, and Shelley Swope for the research and effort to come up with suitable colors. Art on Park Gallery

Art on Park Gallery opened in the fall of 2012 and has since become home to resident artists whose powerful work covers the walls on either side of the gallery. The center of the gallery is used for ongoing rotating juried exhibitions from the APBC membership and other Palm Beach County Artists.

The gallery displays drawings, paintings, sculpture, photography, glass, collage, jewelry, ceramics and other media. Art originals and reproductions are for sale.

Classes, demonstrations and workshops are available. Check the website for current listings.

Artists of Palm Beach County (APBC)

A coalition of artists of all disciplines—the first of its kind in Palm Beach County—APBC was founded in 2006. The organization is dedicated to empowering individuals in the arts by reaching out to its diverse community and cultivating professional and social resources for its members by developing collaborative relationships. The organization supports and promotes local artists and provides social and networking opportunities.

By bringing artists together for mutual benefit, APBC is also a means for enriching the community at large. To join, visit artistsofpalmbeachcounty.org.

At the Gallery

The APBC Art on Park Gallery is an exciting and inviting place to visit. Exhibits change every six weeks, and each is themed and designed to benefit a local non-profit organization. The Galley is a venue for generating funds for these organizations by donating 15% of all sales from every exhibit to them. It also pays the artists up to 80% of the sale price of their work, because APBC is dedicated to empowering local artists.

We present free and paid events and classes for you to attend, which are designed for both adults and children. Many parents and grandparents attend these events and share the creative experience with their children.

Please email us and be asked to be added to our contact list. We will send out information about events, openings, classes and calls to artists. Also contact us if you would like to host an event at the Gallery, offer a class, or are a member of a club or organization that would like to have a meeting in a venue surrounded by local art. Rental prices vary from free to reasonable!

Enabling a partnership with the Town of Lake Park to enhance high-quality development in the Park Avenue area of the Town is the goal of this proposal

The Palm Beach County Surfing History Project has demonstrated ten years of providing high-quality programs and events benefiting the Project and the local community.

- Approximately 27,500 visitors to our 2 museum locations (Delray & Lake Park) and various off-site exhibits produced by the Project over the last 2 1/2 years.
- 14 off-site exhibits statewide since 2008
- Visitors to our museum were from 216 zip codes.
- S. County exhibit at Sandoway Discovery Center alone had more than 12,000 visitors in the past 12 months
- Currently hiring a Executive Director and a grant writer.
- 112.8 million visitors came to Florida in 2017 and 65% of them visited a museum during their visit.

Our marketing outreach now includes a partnership with the Palm Beach County Tourist Development Council's "Visit the Palm Beaches" marketing program and our Surfing Florida Museum and special events will be featured on "Visit the Palm Beaches" social media platforms and website. Our events will also be marketed via the Cultural Council of Palm Beach County's website and our own website, Facebook, Twitter and Instagram postings. Constant Contact is our selected email outreach and we have three volunteer members who are proficient in website development, Photoshop and Microsoft Publisher to produce graphics for events.

Our most recent event is a partnership with Sunfest's Special Events program manager, who arranged for the Project to have a 35' booth in the Arts Section of Sunfest to promote our Surfing Florida Museum in Lake Park. Sunfest is expected to have 170,000 attendees from May 3rd to May 6th and they will be able to pose in our "Photo-Op Wave" made from 1,200 recycled water bottles. The message is to keep single-use plastic out of the ocean and invite them to our museum. We partnered with the following non-profit organizations for this Sunfest event:

- Sea to Shore Alliance
- Friends of Palm Beach
- Surfrider Foundation's Palm Beach County Chapter
- Eastern Surfing Association's Palm Beach/South Florida District

These are some of the local non-profit organizations that we have partnered with in the past and we plan to partner with them during 2018 for events in Lake Park.

Being able to plan many months in advance for special events will allow us to stage annual events such as Galas, Golf Tournaments and Paddleboard Events, which require extended planning periods. Other events planned for 2018 include family music and art events at the museum, along with frequent movie night events and environmental seminars. Our goal is to have at least 8 special events and attract more than 1,500 visitors over the next twelve months. We have a track record of attracting a wide demographic, and many of our events over the years have successfully attracted children and families.

Permitting and licensing for events has been shown by our administrators over many years, and included events in Boca Raton, Delray Beach, Boynton Beach, Lantana, Lake Worth, Jupiter and Palm Beach County, including the necessary insurance.

Visitor to our museum in Lake Park over the past 18 months have entered contact information that we have compiled, including hundreds of zip codes to show attendance on a regional scale and beyond. We expect to continue being open to the public five days per week, but also on many evenings for special events.

Our historical collection of artifacts, photographs and oral histories includes materials valued at more than \$50,000 and our equipment includes display furniture, moveable walls, wide screen and smart TV's, music equipment, office equipment, projectors, screens and gallery store inventory. Much of our collection inventory is in our Lake Park warehouse due to space limitations in our current location.

Request for Proposal #104-2018 Lease Arrangement for 800 Park Ave

To Whom It May Concern:

In response to your request for audited financial statements in association with above referenced RFP please note the following.

When providing financial records for a non-profit, charitable corporation, it is my opinion that annual IRS 990 tax returns are more thorough and onerous than a financial audit. Therefore, submitting 990 tax returns in lieu of an audit will provide sufficient documentation of finances.

Thank you in advance for your assistance and understanding in this matter if you require any further information or have any questions, please do not hesitate to contact me at (561) 312-6023.

To whom it may concern,

I was happy to provide space for the Palm Beach County Surfing History Project's museum during 2015 and 2016 at my property on US-1 in Delray Beach. Our lease agreement with the Project was adhered to in all respects, and they provided permanent improvements to the 3,000 square foot space while they were tenants of mine. One of the best parts of being their landlord was the social events they held frequently at the museum. Those events included family festivals, vintage movie nights, music recitals, a group painting party, corporate events and gallery exhibits of photos and art.

When the Project moved to their present location in Lake Park, there were no obligations left unfilled and I was sorry to see them go. They are a bunch of great folks!

I can recommend the Palm Beach County Surfing History Project as a tenant without reservation.

Feel free to contact me if you have any further questions.

Sincerely,

Matt Gracey

Dear Tom,

The Sandoway Discovery Center is happy to host the Palm Beach County Surfing History Project's exhibit and photo gallery again this year. Our Board of Directors enjoyed meeting your Board of Trustees at our get-together here this month, and I'm sure many people will discover Florida's surfing history while the display is here for the next 9 months. Last year approximately 11,446 students and adults viewed the exhibit and this year we expect more than 12,500 people to view the display. It is certainly a valuable educational exhibit for all ages.

Sincerely,

Danica Sanborn

Dear Jennifer and Robin,

As board members representing the Palm Beach County Surfing History Project to the Elliott Museum, we are writing to formally thank you both hosting our exhibit this year. It was a pleasure to work with you and the process went very smoothly. All the members of our board of directors agree that you did an exemplary job curating the exhibit and providing the community with the opportunity to learn how deep the history of surfing is in the local area and throughout Florida.

If you believe it is appropriate for the Elliott Museum, we look forward to providing the Elliott with a smaller but more permanent exhibit about the history of surfing in the local area.

Sincerely,
