Re: Town of Lake Park Manager (Veteran's Preference)

Dear Ms. McKibbon-Turner:

My name is Manny Anon, Jr. and I am a law graduate from The American University Washington College of Law. I am licensed to practice law in both the State of Florida, and The United States District Court of the Southern District of Florida. I am currently enrolled for an online Master in Science Degree in Human Resource Management (MSHRM) at Florida International University which starts January 10, 2015. Also, I have my Bachelors in Arts Degree in Politics and Public Affairs from the University of Miami. I am a motivated, experienced, enthusiastic, creative and dynamic leader. I am a Veteran of both Operation Iraqi Freedom and Operation Enduring Freedom. Finally, I am a native Floridian of Cuban descendents with three (3) children. I read, speak, and write Spanish fluently.

My resume reflects that I have been clerking since my second year of law school. Throughout these past twenty-one (21) years, I have worked with several different firms, including The U.S. Army Reserve Judge Advocate General Corp, AFSCME Florida Council 79, Town of Surfside, The City of Miami Attorney's Office, and The State Attorney's Office. Thus, I have been exposed to various aspects of law including: Municipal Law, Labor/Employment, Contract and Fiscal Law, Administrative law, Criminal, Commercial Litigation, and many areas within military law. Throughout these years, I have drafted and argued many pleadings, and briefs before arbitrators, special magistrates, hearing officers, and county, circuit, and administrative judges. As *Assistant Town Attorney*, I prepare and review ordinances, resolutions, contracts, and other related legal documents for the Town. As *Deputy General Counsel* for AFSCME Florida Council 79, I have argued over one-hundred (100) labor employment arbitration cases and/or administrative hearings, have resolved many other cases through settlement agreements and have negotiated many collective bargaining agreements. As *Region 5 Director/General Counsel*, I ran the day-to-day operations of the office, arbitrated cases, provided labor/employment services, negotiated collective bargaining agreements and supervised 4-5 staff representatives, 2 clerical and one attorney. As an *Assistant City of Miami Attorney*, I was assigned to the litigation department. I tried several cases and have won many other cases on summary judgments.

Also, I am a Major for The United States Army Reserve Judge Advocate General Corp. I have served honorably in both Operation Iraqi Freedom and Operation Enduring Freedom. Currently, I am assigned to the 478th Civil Affairs BN out of Perrine, Florida as the International Law Officer/Brigade Judge Advocate. I am responsible for advising commanders on Administrative and Contract Law, including legal opinions, reports of survey, Article 15-6 and UCMJ. I provide legal guidance to service members and their dependents in family, civil and criminal law. Also, I am responsible for assisting soldiers with legal questions, preparing wills, notaries and powers of attorneys while providing leadership and mentoring to junior officers. My last Commander's name is LTC John Scharett. He may be contacted at (763) 276-8296 for any work ethic questions. Also, my past senior rater, LTC Edward Merrigan (Broward Judge) may be contacted at (954) 292-353.

Also, I was employed as Assistant Town Attorney for Town of Surfside. During my tenure, I prepare and review ordinances, resolutions, contracts, legal opinions and other related legal documents for the Town.

I attended Commission, Planning and Zoning and other Board Meetings to assure compliance with Florida ethics, Sunshine meeting and public records laws. I worked closely with several directors including Public Works, Building, Code Enforcement, Parks & Recreation and Police (see references). My direct supervisor was Ms. Linda Miller and she could be contacted at (305) 993-1065.

Further, as the Deputy General Counsel and Region 5 Director/General Counsel for AFSCME Florida Council 79, I was responsible for servicing, and providing legal support in labor employment issues, hearings, arbitrations and administrative proceedings in four (4) counties: Monroe, Miami-Dade, Broward, and Palm Beach. This includes about 25 locals and over 11,000 dues paying members. As I mentioned, as Deputy General Counsel for AFSCME Florida Council 79, I argued over a 100 arbitration cases and/or administrative hearings, and resolved many other cases through settlement agreements. I negotiated or assisted in many collective bargaining agreements, including the following: Local 1363 (JMH), Local 199 (General Employees), Local 1542 (Airport), Local 121 (WASA), Local 3292 (Solid Waste), Local 1554 (Miami Beach), and Local 3293 (North Miami Beach) and many more in Dade and Broward Counties. Also, I advised local officers and employees on basic employment matters in FMLA, FLSA, EO, ADA, Workers and Unemployment Compensation and many more. As *Region 5 Director/General Counsel*, I ran the day-to-day operations of the AFSCME Florida Council 79 Region 5 Office and supervised a staff consisting of 4 staff representatives, 2 clerical and one attorney. Also, I continue to arbitrate cases, and negotiate collective bargaining agreements for the region. My supervisor was Ms. Alma Gonzalez. She can be contacted at (850) 241-3849 for any work ethic questions.

Before AFSCME, I was employed with the City of Miami as an Assistant City Attorney. I was assigned to the litigation department, and carried a caseload of about 70 tort liability cases of which I was responsible from answering the complaint, discovery, and closing argument at trial (Jury or Bench). I represented the Departments of Public Works, Risk Management Police and Fire in tort defense litigation. I have had several trials and many motions for summary judgments. My direct supervisor was Mr. Charles Mays. He could be contacted at (305) 206-1254 for any work ethic questions you might have.

Thus, I bring to the Town Manager position a vast knowledge and experience in litigation and all phases of collective bargaining negotiations within the State of Florida. I have negotiated many collective bargaining agreements as chief negotiator or legal advisor; thus, I have extensive experience in contract administration and worked with budgets. Further, I have developed a great working relationship and network with unions, and several City/County Attorney's Office, and their respective Labor and HR Departments. I have a working knowledge of state and federal labor employment laws and regulations regarding public employer and employees' duties and responsibilities. Also, I have proven leadership and supervisory skills which will enable me to supervise, hire, train, manage, and oversee Town of Park Lake staff and maintaining operations within the budget. Due to my municipal law experiences, I could ensure that labor relation matters will be in compliance with laws, regulations, ordinances, policies and procedures and union contracts. Also, I plan on acquiring my PHR Certification. Finally, I am FEMA certified in the following courses: IS 100, 200, 300, 400, 700 and 800.

For these reasons, I am writing to let you know that I am extremely interested in working for the Town of Park Lake as the City Manager. I honestly believe that the above-mentioned qualifications, knowledge, experiences, leadership skills, perseverance, and fluency in Spanish are all assets that I possess which will enable me to immediately contribute to the high demands required by the Mayor, Commission, and the citizens of Town of Park Lake. I am asking for a salary of 150,000.00 or negotiable. If there is anything else, please do not hesitate to contact me. Until then, I remain

Very truly yours

Ms. Bambi McKibbon-Turner, Director
Human Resources Department
Lake Park Town Hall
535 Park Avenue
Lake Park, Florida 33403

Dear Ms. McKibbon-Turner:

I wish to be considered for the position of Town Manager for the Town of Lake Park. I have work experience ideally suited to the position being advertised. I possess nearly twenty years of experience in local government senior management positions. Since April 2012, I have served as City Manager of Mesquite Nevada, a city with a seasonal population of 22,000 and a full-time population of 18,500. I manage a full-service city government with a staff of 200 employees and a \$20 million dollar operating budget. Previously, I served as the Town Administrator for New Castle Colorado, a municipal government with a staff of 37 and a \$5 million dollar operating budget in a western Colorado community of 4500. I also served as the City of Fernandina Beach (Florida) City Manager. Fernandina Beach was a full-service government, with a staff of 204 full-time employees and an operating budget of approximately \$19.5 million, a total budget of \$60 million, and three enterprise funds. My prior municipal experience was as Assistant to the Manager in Kirkland, Washington (population 45,000, 390 FTE's, \$55 million operating budget), for more than eleven years. While in Kirkland, I also served in the capacities of Public Information Officer, Intergovernmental Relations Coordinator, Legislative Analyst, and Ombudsman.

I can offer the Town of Lake Park considerable well-rounded experience, having held nearly every position in a City Manager's Office as my career progressed: Intern, Staff Assistant, Assistant to the City Manager, Deputy City Manager (briefly), Town Administrator, and currently, City Manager. As previously mentioned, I have Florida municipal experience in a waterfront community.

Here are some examples of my past and present duties:

- Working cooperatively with the business sector, particularly chambers of commerce, to encourage/enhance economic development and retention of existing businesses (Mesquite, New Castle, Fernandina Beach, and Kirkland)
- Managing the City's redevelopment authority and supervising municipal economic development efforts (Mesquite)
- Oversaw the construction of capital projects (wastewater and public works facilities in New Castle, a police station, a golf-course clubhouse and a marina in Fernandina Beach)
- Developing/administering the City's annual and capital budgets (Mesquite, New Castle, Fernandina Beach, and Kirkland)
- Negotiating contracts with City bargaining units (Mesquite and Fernandina Beach)
- Working cooperatively with developers, residents, and other stakeholders in the community, to promote growth while preserving quality-of-life (Mesquite, Kirkland, New Castle and Fernandina Beach)
- Oversaw an update of the Town's Comprehensive Plan (the first in 24-years, in New Castle).
- Serving as Public Information Officer (PIO), including editing and publishing the City's newsletter (Kirkland, and Fernandina Beach)
- Serving as chief legislative analyst for the City Council (New Castle, Fernandina Beach, and Kirkland)
- Serving as liaison to advisory boards, commissions, and community groups (New Castle, Fernandina Beach and Kirkland)
- Coordinating the City's neighborhood council meeting program (New Castle, Fernandina Beach and Kirkland)
- Managing, supervising, and motivating the City's Department Heads (Mesquite, New Castle and Fernandina Beach)
- Developing and implementing a City-wide office technology upgrade program (New Castle and Fernandina Beach)

I believe my interpersonal skills to be my best asset. I work closely and effectively with elected officials, citizen groups, neighborhood associations, City Department Heads, and staff. I am a results-oriented team builder, and I am skilled at motivating staff. I believe in and practice participatory management. In addition, I have had extensive experience in dealing with the media. I am also very familiar with the severe budget constraints affecting all municipalities and I know how to deliver services, and manage finances efficiently.

My writing and oral presentation skills are excellent and have been refined by years of preparing reports, agenda materials, and correspondence on virtually every topic relating to local government. I have represented my employers in regional and state meetings on a variety of topics. I consider myself to be an enthusiastic, energetic, and dedicated team player, and I am deeply committed to the provision of excellent municipal services and conservative fiscal management. I believe firmly in getting out of the office and making myself accessible to residents. To that end, I hold monthly community forums (in a different locale, each month) whereby residents can ask questions about municipal services and make suggestions on how to improve service delivery.

I believe that I have much to offer the Town of Lake Park and would very much appreciate the opportunity for an interview. Should I become a finalist, I will provide local references. My present salary is \$115,000/yr. Thank you in advance for considering my application.

Sincerely,
Andy Barton

Re: Lake Park Town Manager

Honorable Mayor and Commissioners:

In accordance with the recruitment notice from the Town of Lake Park website, please accept this Cover Letter and in the attachments find my Résumé and the Town's Release / Information Form, that I submit for consideration in the selection of the Town Manager. In addition to the above, the attachments also include Letters of Recommendation and a list of Professional References.

The Résumé documents a career defined by the highest levels of integrity, leadership and achievement administering Florida local governments. I have extensive, professional level experience in public and the private sector(s) effectively responding to the organizational, financial, infrastructure and the developmental issues the Town of Lake Park will have to manage over the next 10 years.

Specific to the Lake Park Town Manager Position, I am an ICMA Credentialed Manager (CM) and my academic credentials and administrative experiences exceed the preferred attributes listed for the position. This includes over twenty years of successful and verifiable experiences leading local governments with final administrative authority over budgeting, finance, procurement, organizational development, performance assessment, labor relations, risk analysis, strategic planning, utilities, governmental relations and grant administration. I have also administered general aviation facilities, marinas, industrial parks, consulting services agreements, intergovernmental contracts, Community Redevelopment Agencies (CRAs) and served as a Pension Trustee and the Lead Negotiator / Contract Administrator for Collective Bargaining Units.

I have extensive, project management and contract administration experience with a history of delivering quality results and completing projects on time and within budget. Projects range from simple landscaping work costing a few thousand dollars to multi-million dollar capital improvements. This is direct oversight responsibility for design, permitting, construction / renovation of water, wastewater and stormwater collection, treatment / reclamation and disposal systems, public buildings, recreational areas, marinas, aviation facilities, sidewalks, roads, bridges, asbestos abatement projects and historical preservation.

I have positive working relationships with State of Florida and Federal Legislators as well as the Town's regulatory agencies, including the South Florida Water Management District, Treasure Coast Regional Planning Council, Florida Department of Transportation's District 4 and the Florida Department of Environmental Protection.

Without exception, the elected officials I have served report that I excel in keeping ALL the elected officials, equally and well informed and that I have an outstanding record of developing and maintaining high performing organizations.

Additionally, I have Florida Coastal Emergency Management experience and a comprehensive knowledge in the roles, principals and methods of emergency management, ranging from the First Responder to the executive officer with the administrative responsibilities of initiating the enabling emergency legislation to formalizing final reimbursement, closeout documents. I possess advanced "Train the Trainer" Certification from Federal Emergency Management Administrations (FEMA) and have completed Florida Emergency Preparedness Association's (FEPA) Advanced Public Information Officer Training. My NIMS Training includes Certificates for 100A, 200A and 700A.

In preparing this submittal, I thoroughly reviewed the Town Charter, Code of Ordinances, Adopted 2014 - 2015 Annual Operating Budget and the City's 2011 through 2013 Comprehensive Annual Financial Reports. I also researched the "Pending Issues – December 2014" report and selected Commission Minutes from 2013 and 2014.

I am available for full-time service, in Lake Park within 5 days, upon receipt of a Commission authorized Employment Agreement. My annual base salary expectations are negotiable and will range from \$110K to \$145K depending upon the remaining terms and conditions of the Employment Agreement.

I am confident that my leadership skills, local government experiences and management style are an excellent fit to the existing and future needs of the elected officials, staff and the citizens of the Town of Lake Park.

If you have any questions or would like additional information, please contact me at your earliest convenience.

Sincerely,

Lyndon L. Bonner

I. Administrative Overview:

I have over twenty years of successful Florida experience administering the full range of governmental operations and services with verifiable expertise in the areas of finance, sustainable budgeting, debt management, procurement, capital planning, organizational development, risk analysis, public safety, utility management, community planning, inter-governmental relations, grant acquisitions, labor relations and construction methods.

My career is a blend of municipal and county experiences that has imparted a valuable perspective and administrative approach that comes only from having served as both, a City Manager and County Administrator. Understanding and respecting the needs and requirements of both forms of government is key to Florida's local government future.

Major executive responsibilities include, annual General Fund and Enterprise Fund budgets exceeding \$130 million dollars, \$120 million Capital Improvements Plans, 400+ Full Time Employees (union and nonunion) and oversight of water utilities serving 180,000 customers. I also have extensive Florida coastal Emergency Management experience managing the preparations, response, mitigation and recovery from five designated Local State of Emergencies.

Successful economic initiatives I have been responsible include, funding agreements with Community Redevelopment Agencies, (CRA's), Special Tax Districts, (Incremental, MSTU/MSBUs), financing / constructing Capital Infrastructure, Tourism Development Councils (TDC), Enterprise Florida, Rural Areas of Critical Economic Concern (RACECs), Main Street and the Governor's Office of Tourism, Trade and Economic Development (OTTED). I have also successfully lobbied State and Federal legislators obtaining financial, technical and legislative support via Community Budget Issue Requests (CBIRs) and Special State and Federal Appropriations.

Administratively, I listen and appreciate the fact that differing perspectives often improves decision-making. I am not afraid to acknowledge someone else has a better solution. My leadership style is facilitative and participatory. I believed and work under the premise that leadership is a blend of elements, that is not always present in a superior command of facts or position of authority. I make informed decisions and accept the responsibility for my actions. I value reciprocal accountability and I provide for and expect managers to manage and be recognized and accountable for their work.

The management decisions I made over my public service career have withstood the test of time. Elected officials, citizens, staff and official documents from each jurisdiction I have served confirm that the financial strategies and the operational solutions I implemented produced the intended results and that I maintained the highest level of ethical professionalism representing local government.

In my opinion, the most significant contribution I have made to local government(s) have centered on increasing individual and organizational competencies. The accomplishments being made everyday by elected officials and staff I have had the privilege to serve is professionally motivating and personally very gratifying to witness.

 Okeechobee, Florida 34972 Phone 863-763-6441

Responsibilities:

In addition to the requirements of Chapter 125 of the Florida Statues and the Okeechobee County Code of Ordinances, I directly supervised Budget Preparation, Capital Improvements, the Road and Bridge Department, Airport, Industrial Park, Solid Waste Services, Fleet Management, Emergency Management, Planning, Building and Code Compliance and the County's Civic Centers, Parks, Campground and Marinas. I was also responsible for supervising the work of external consulting engineers, legal counsel and grant consultants. I served as the Lead Negotiator in all matters dealing with the County's Collective Bargaining Units that included the International Association Fire Fighters and International Brotherhood Operating Engineers. (Commissioners references available.)

Major Accomplishments:

1. Secured funding and completed over \$7.5 million for Building - Capital Building Projects including the complete restoration of the Historic Okeechobee County Court House and construction of a new 911 Emergency Operations Center, BOTH on time and within budget.
2. Increased Operational Reserves and maintained services and service levels while experiencing a 25% decrease in revenues.
3. Administered Specialty Grant Funded Capital Improvement Projects, including a \$4.4 million airport / runway rehabilitation project, \$2 million dollars in storm water management projects and affordable housing units, \$1.3 million emergency bridge rehabilitation and \$2.7 million dollar Florida Department of Transportation - Local Agency Projects (LAP) funding.
4. Administered the response / restoration operations of two State Declarations of Local Emergency and negotiated Final Closed-Out of FEMA Claims resulting from the 2004 Hurricane Season.

6. Local Governmental Administrative Experience:

(Continued)

Title: Interim Assistant County Administrator / Special Projects Manager
Dates: February 2007 - December 2007
Employer: Sumter County, Florida - Board of County Commissioners
Population: 93,420
Employees: 437
Budget: \$ 134 Million
Contact: Mrs. Kitty Fields, County Human Resource Director
209 North Florida Street
Bushnell, Florida 33513 Phone 352-793-0200

Responsibilities:

Coordinated the activities and communications among assigned departments, including problem identification / resolution and completion of major Capital Improvement Projects. Provide administrative assistance to the Board, County Administrators and Staff. The position's responsibilities included that of the Assistant Budget Officer, responsible for coordinating the budget process, analyzing budgetary actions and supervising the preparation of the county budgets. My major contributions to the 2007-2008 Sumter County budgets were related to implementation Capital Improvement and completing several Special Projects that has been delayed by personnel changes.

My assignment in Sumter County was a ten-month term, Contract for Services. This arrangement came about as a result of the newly appointed County Administrator being called to active military duty and my being recruited to serve as Assistant County Administrator until his return. (Supervisors references available.)

Major Accomplishments:

1. Direct and final administrative oversight responsibilities for the work of consulting engineers, contractors, compliance officials, site inspections and payment disbursements for Sumter County's portion of the Lake Panasoffkee restoration project. At the time this was the largest fresh water lake restoration effort in the United States. I also Supervised the re-permitting, completion and compliance certifications of the Sumter County Fair Grounds Exposition Center.
2. Coordinated and expedited the Emergency Permitting Review / Fee Waiver Authorizations for emergency repairs and restorations during the 2004 Federal Disaster Declaration. (An F3 tornado that killed 8 and severely injured 25 people, destroying 301 and damaging another 1100 homes.)
3. Responsible for the work plan to resolve the emergency weather notification failures. I negotiated the equipment purchase, Tower Leases, the geo-technical and transmitting analysis and obtained the Permitting from State and Federal regulatory agencies. This work was completed on schedule, under budget and according to officials at the Nation Weather Service was completed in the shortest time frame in the agency's history.

Title: City Manager
Dates: May 2002 - May 2006
Employer: City of Bunnell, Florida - City Commission
Contact: Mayor Catherine Robinson
P.O. 756, Bunnell, Florida 32110 Phone 386-437-7500

Responsibilities:

By Charter, the City Manager is the Chief Executive Officer of the City, responsible for all the administrative and operational functions of the City. (Mayor and Commissioners references available.)

6. Local Governmental Administrative Experience: City of Bunnell, Florida (Continued)

Major Accomplishments:

1. Prepared the Department of Environmental Protection (FDEP) grant and State Revolving Fund (SRF) loan documents for the \$1.2 million dollar renovation of the City's Water System.
2. Secured \$5.2 million grant and loan commitments and administered the renovation and capacity building project at the City's Wastewater Treatment Plant and collection system rehabilitation.
3. Negotiated an Asset Management Agreement to provide the Florida Department of Transportation road, bridge and right-of-way maintenance services in Flagler and parts of Volusia County. This led to the implementation of a new Enterprise Fund in the formation of Bunnell Maintenance Services (BMS) and netted the City an additional \$800K revenue annually.
4. Administered three declared Local State of Emergency and the associated FEMA Reimbursement Claims for city buildings, road repair, drainage facilities and wastewater plant during 2004 Hurricane Season.
5. Prepared successful \$500K Natural Resources Conservation Services (NRCS) Grant submittal to clean, re-grade the City's open drainage canals, attenuation and retention areas.
6. Initiated and led an aggressive annexation campaign that resulted in the incorporation of over 87,000 acres into the City. I prepared the Concurrency Analysis, negotiated the Annexation Agreement(s) and submitted the successful Comprehensive Plan and Land Use Amendments plans to all Local and State regulatory agencies. The result is that the City of Bunnell well positioned for the future as the 2nd largest city by "land mass" in the State of Florida.

City of North Miami Beach, Florida

MAYOR GEORGE VALLEJO

September 10, 2012

To Whom it may concern:

I would like to recommend Lyndon Bonner as a candidate for your open City Manager position. For the past 18 months, he has served as our City Manager, which is a charter officer here in North Miami Beach.

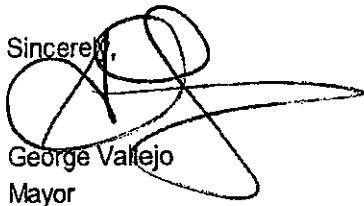

During his tenure, Lyndon oversaw a budget of approximately \$100,000,000 covering all of our city's operations, including the three enterprise businesses we operate: the water utility, the sewer utility and the sanitation utility. I have found him to have an incredibly deep well of experience in municipal operations, especially as they translate into the financial budgets.

He is extremely focused and thorough on the tasks he is assigned by the Council. I have found him to be a person of unwavering integrity and who follows the ICMA Code of Ethics to the letter. As an example, he has made it a point to act only at the direction of the Council as a whole, pursuant to our Charter.

Lyndon was brought in with orders to tackle a very challenging situation in our City. Our finances were a mess, our reserves had been depleted and political influence abounded in the upper reaches of the administration. He made many difficult and sometimes politically unpopular decisions. However, he did right the ship, get us back on a sustainable course and stop much of the outside influence on the administration.

In the final analysis, if you are looking for a manager who knows the right call and the backbone to make it happen, I strongly recommend Lyndon. If I may provide any further assistance, please feel free to call me at my cell 786-208-5626.

Sincerely,

George Vallejo
Mayor

City of North Miami Beach, Florida

COUNCILWOMAN MARLEN MARTELL

August 23, 2012

To whom it may concern,

It gives me great pleasure to write a recommendation letter for Mr. Lyndon Bonner. Mr. Bonner was appointed as City Manager to the City of North Miami Beach at the beginning of 2011. Shortly, thereafter, I became an elected official. It was after that point that I had the opportunity to engage in conversations that would change the path of our city.

Mr. Bonner understood the needs of the community and developed a comprehensive financial plan that continues to be the building blocks for our city. He has left us with a roadmap that will be followed in years to come. Mr. Bonner is very well versed in administrative issues and has proven to have experience in all levels of departmental management.

He is extremely intelligent and his financial ability is unsurpassed. I believe he is a huge contributor to any city and wish him the very best in his endeavors. I believe and trust that any city that hires him will be providing their citizens with an outstanding administrator.

Sincerely,

A handwritten signature in black ink, appearing to read "Marlen Martell". The signature is fluid and cursive, with a large initial "M" and "M".

COUNCILMAN PHILIPPE DEROSE

August 30, 2012,

To whom it may concern:

It is with great pleasure that I write this letter of recommendation on behalf of Mr. Lyndon L. Bonner. I have known and worked closely with Mr. Bonner for approximately 2 years. He has always impressed me by his intelligence and his motivation which is evidenced in his accomplishments and contributions while working in Government agencies.

Mr. Bonner is an outstanding professional, a good communicator, and a very committed and responsible individual. Beyond his professional credentials, he is also a wonderful gentleman, very congenial, and easy going. He is self motivated and adheres to the highest standards of honesty and integrity.

I believe that your organization will benefit tremendously from the presence of such a talented and brilliant individual. I am very enthusiastic about his application and give him my highest recommendation.

I know Mr. Bonner will prove to be an asset in any position for which he is qualified. If you have any questions, please feel free to contact me at (305) 582-3246.

Sincerely,

Philippe Derosé

November 9, 2007

To Whom It May Concern:

Mr. Lyndon Bonner was hired to serve in the capacity of Assistant County Administrator to support the Interim County Administrator, Sandra Howell, during my deployment to Afghanistan.

Upon my return Mr. Bonner was shifted to Special Projects then to the Interim Assistant Community Service Director for the sole reason of funding and the location of the majority of the projects managed by him.

Mr. Bonner was assigned the most challenging projects some of which were either involved in pending litigation, life safety code issues, or simply budgetary and timing limitations.

In each of the projects: weather alert radio antenna, agricultural center kitchen completion and life safety code updates, government office building renovation completion and pending litigation, hazard mitigation grant preparation, and the largest of the projects – the Lake Panasoffkee Canal Cleanout Project, Mr. Bonner demonstrated an extreme attention to detail and coordination, strong dedication to complete the projects within the guidelines and budgets, and a very caring team player.

Mr. Bonner continues to exhibit a "can do" attitude which is paramount in any organization.

Given any similar project or situation, I certainly recommend Mr. Bonner to accomplish the task.

Sincerely,

Bradley Arnold

TO WHOM IT MAY CONCERN

Re: Employment of Lyndon Bonner

Lyndon Bonner was hired in February 2007 as "Interim" Assistant County Administrator for Sumter County. The Sumter County Administrator was serving active military duty after being employed only six months. My regular job was Assistant County Administrator, and I was serving as "Interim" County Administrator.

Lyndon came to Sumter County at a very challenging time. The first "Interim" Assistant County Administrator retired, the second did not work out. I needed someone with enough overall knowledge that could assist me with a variety of projects and daily concerns.

Lyndon integrated very easily into our organization. I found him to be very knowledgeable in the operation of government. I had several old projects that needed to be completed along with a couple of new projects. Lyndon was assigned an agricultural building kitchen to finish, managing of contractual conflicts and close-out of renovations of a large building the county owns. The new projects consisted of the Lake Panasoffkee canal dredging contract and a weather alert radio system for Sumter County. After the February 2, 2007 tornado, we realized the weather alert coverage for Sumter County was non-existent to poor. Through efforts of many, but coordinated by Lyndon, we now have a weather alert system that was approved and installed in record time.

Our County Administrator returned in June 2007. At that time, I returned to my position as Assistant County Administrator. Lyndon was moved into a position named "Special Projects Manager" and reported to the Director of Community Services. Effective October 1, his title will again change to Interim Assistant Community Services Director where he will serve until the end date of his contract.

While all the shuffling is quite confusing to read, my desire in this documentation is to express Lyndon's versatility in county government, his attention to detail, and his ability to manage complex and controversial tasks. He is quick to remember our mission in serving citizens and approaches his assignments in that manner. Lyndon has been an asset to Sumter County.

Sincerely,

A handwritten signature in cursive script that reads "Sandra Howell".

Selection Committee -- Town Manager
Lake Park, FL

Selection Committee Members,

I write to you today requesting consideration as you ponder the appointment of your Town Manager. I apologize for the length of this cover letter but trying to encapsulate my experience in just a few paragraphs will not give you sufficient information from which to make a decision. I surmise you will attempt to fill the aforementioned position from within the current staff. If so, I applaud you as this is what I attempt to do in my current position. If not, any consideration directed toward me is appreciated in advance.

I have, in almost thirty years of serving the public, developed a very well-rounded knowledge base of every facet of county government. Having been an elected official prior to being appointed to my current position and having started as an entry level communications officer in our county law enforcement community, I understand the concerns of line staff as well as those of middle and upper management. I have "risen through the ranks". In my experience I have learned that all governmental entities have unique issues with which to contend but an administrator/manager whose vision is clear, who leads by example, and who is willing to listen and learn can make all the difference. I am a consensus builder and a skilled generalist, which are traits that I believe transcend the boundaries of cities, townships and counties and their operational differences.

Although I may not be able to place behind my name the letters indicating an advanced degree and certain credentialing (MA, ICMA, AICP) I do not view that as a hindrance. Life and employment know-how, the ability to get the job done, attain goals and muster the best out of people, are more times than not a better indication of one's abilities. In the event the aforementioned credentialing would be found to be a necessity, I expect that over time I could obtain same.

I can and will bring to you grant writing and implementation experience, having been successful in the garnering of criminal justice and substance abuse treatment grants. Several of these grants are still continuing from my initial involvement decades ago. Most recently I was the lead player in the writing of a grant proposal with the Ohio Department of Transportation for the Sandusky County Transportation Improvement District.

I am responsible for reviewing 30 departmental budgets annually and recommending spending limits based on the revenue certifications offered by the office of the County Auditor. As part of the 2014 budget process I was a key player in the arduous selection process of the county's new health insurance carrier. During the year I am consistently looking at the budgets and am the first in the line of consideration when changes are requested in same. By the time a review of this paperwork is had, my 2015 budget process will be behind me. Suffice it to state that it has involved numerous budget preparations, first-second and in some cases third reviews and my opining heavily in making vital decisions to make necessary cuts to many general funds budgets. Revenue certification was almost \$800K short of the 2015 budget requests.

During my tenure as County Administrator I have sought out, found, and effectively implemented, innovative avenues which have resulted in reduced costs to Sandusky County in its utilities (phone, data/I.T. and electric consumption). I am currently serving as the lead committee member in the procurement of a new countywide phone system. This project will cost approximately \$200-300K and our committee has been performing its due diligence for almost six months ferreting out the best fit for the county.

As County Administrator I have been an integral part in the negotiation of several union contracts for three separate unions. These have been successful processes generally settling in amicable terms with give/take offered on each side but in recent times conciliation has been part of the process.

I was a lead individual working in conjunction with our County Auditor, bond counsel and our financial advisor in the restructuring of the county's debt which included negotiation for the acquisition of certain facilities at our county airport.

I am currently working with an engineering firm and construction firm in the oversight of an addition being built at our Juvenile Justice Center. In a current status I am also an integral part of the team that is negotiating a sewer service/rate contract for county residents that are served by a local municipality.

Except for the hired I.T. staff, I am the most knowledgeable person in the county when questions are raised about the I.T. infrastructure of the county offices, which was built during my tenure as the elected Clerk of Courts and largely funded by that elected office.

The review of lease agreements, countywide purchasing issues, outside vendor contracts and/or similar matters falls under my purview. I also am the lead in the preparation of Requests for Proposals and Statements of Qualification when projects are anticipated and/or outside vendor contracts come to an end and require re-bidding.

In my current capacity I am required to provide for the Commissioners good judgments and wise counsel. Additionally, I frequently represent them in a myriad of community/governmental relationships. The development and implementation of policies/procedures is an effort in which I am directly involved when those matters need addressed. I have, over the years, developed first name relationships with state and federal legislators and have spent time in Washington, D.C. advocating for the county and our communities.

I have some experience in economic development and have been involved, albeit not as a lead player but as a funding impetus, in an effort to bring businesses that were originally in a tri-state area and moved to Mexico back to our immediate area in Project Olé. Most recently I am involved in a joint county/township effort to secure property for development near the Ohio Turnpike where infrastructure grants will be sought to establish a warehouse/distribution center.

In my current setting I have performed two jobs over the course of my time as the County Administrator. When I accepted the position the loss of two key individuals allowed the Board of Commissioners to replace two staff persons with one. My current duties include handling the Clerk to the Board of Commissioners responsibilities. The savings to the county have been substantial under this current staffing configuration.

I have alluded to some of my work abilities/accomplishments in the previous paragraphs and by way of expansion, not embellishment, I share the following comments.

I have approached every position I have ever held as though it was the most important job in the system. The many years spent in the public sector have taught me that nothing is more important than the "public trust" and protecting the hard-earned dollars of our taxpayers. I am a leader who will get down in the trenches and use the shovel if there is no one left to perform that task. I am one who leads by example believing that the example of hard work and tenacity must be offered from a "top down" approach. Those who have observed my work ethic will attest to the fact that I regularly come in early and stay late. They will, when asked, refer to me as honest, innovative, an independent thinker, committed to the job, and one who appreciates the hard work that others exhibit. I have and always will maintain an "open door" policy. I recognize that such a cliché often rolls off the lips of those in public service with little thought behind the words but that is not the case when I make that comment. My staff will state that I take time for all the residents in Sandusky County, even those encountered from my former criminal justice career, which from time to time leaves my staff slightly unsettled when those involved in that system come to pay me a visit. I cannot stress enough that my leadership is the byproduct of my willingness to do whatever it takes to get the job done. All in all and with no intent to appear a braggart, working with or for me is a situation to desire if one is not afraid to give any situation at hand their best effort. I am one who expects integrity, honesty and hard work from those supervised but can only do so when I exhibit the same qualities.

I would be remiss if I did not advise you that I am party to a matter of litigation that involves the Whirlpool Corporation. My daughter, ^Alexa Brown^ was the former face of the well-known Clyde Cancer Cluster. My wife is the lead plaintiff in that litigation.

My fairly Type A personality and my almost seven-day-workweek attitude will not allow me to watch from the sidelines. This offers you my almost undivided attention to the affairs of your constituents. I am not looking for a "soft landing" and expect no "honeymoon period". If selected my tenure with Lake Park will be long and productive.

Although it may not have any bearing on your selection but to attest to my holistic approach to life, I would offer that I am a skilled musician having performed in an amateur and professional manner in vocal music for most of my lifetime. I have played in the past the trumpet, tuba and continue today to use my bass guitar in a church setting. I am, albeit in a limited manner, familiar with the stage having been involved in several musical productions as a lead actor, pit orchestra member, chorus member and technical advisor.

In closing, thank you for looking at me as a possible candidate for the Town Manager position and I trust that the not too distant future holds a time that I will meet you face to face.

Sincerely,

Warren Brown

RE: Town Manager

Dear Mrs. McKibbon-Turner,

I wish to express my interest in the position of Town Manager of Lake Park, FL.

I have a team building style of management. I believe in developing the talents of the people around me, the members of my team. A Team work approach, while maintaining accountability and transparency are high priorities to me. My goal is to provide the citizens with high quality services for the tax dollars they invest into the local government.

Finally, I believe that the Council and Manager have to develop and maintain a close level of trust, a bond, between the elected and appointed official. From this base of trust, the two partners can launch program initiatives, and approaches that lead to the ultimate goals of a better, stronger community.

I am certain that my experiences, philosophy, skills, and approaches would be an asset to the community of Lake Park. My resume is attached.

Very Truly Yours,

Louie Chapman, Jr.

Mayor & Council
Town of Lake Park
535 Park Avenue
Lake Park, FL 33403-2603

Dear Mayor & Council:

I am applying for the position of Town Manager for the Town of Lake Park, Florida. I bring many attributes to the Town of Lake Park my commitment to principled leadership where the community and the city work together on establishing and reaching mutually agreed upon goals.

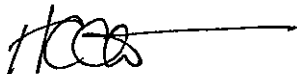

Working collaboratively in Juno Beach as Assistant Chief and then Chief of the Police Department, I led our state accredited and nationally recognized agency to consistently high standards. Those standards were the basis for our actions, and our many innovations were in service to our principles. As an example of my commitment to collaborative leadership is my approach to technology. Due to the inevitable financial constraints of public administration and the necessity of doing more with less staff, I recognized early on the importance of technology in the town. Consequently, I worked with Town management; the other departments; and the people in our department to make the most effective use of technology a top priority. With skillful negotiation, we achieved our goal of cost-effective higher efficiency.

I took that same approach while serving as Chief of Police of the Peachtree City Police Department. The department is a CALEA agency and under my leadership, it was recognized as a Flagship Agency twice and reviewed under the Gold Standard. During the same period under my leadership, we achieved significant community safety goals. I would apply those same principles that led to excellence in Juno Beach and Peachtree City as a City Manager in the Town of Lake Park.

My passion for city government combined with a leadership style that encourages and rewards creativity and innovation resulted in policing that met and exceeded community needs. The next step for me is to lead a city in the same way. I want to make the most of the Town of Lake Park's resources through team-building, community policing, problem solving, and the use of modern technology. You will find that I am a dedicated professional with a strong work ethic, complete integrity, and a commitment to building partnerships with residents, businesses, and other city departments and employees.

Please find included my resume. I look forward to the opportunity to discuss my attributes and qualifications in further detail.

Sincerely,

H. C. "Skip" Clark II

EXPERIENCE

Police Chief, City of Peachtree City, GA

2008 – 2014

The City of Peachtree City is a municipality located south of Atlanta, GA., located in Fayette County. The current population is approximately 36,000. City of Peachtree City is a "planned community" designed in and developed in 1957. The Peachtree City Police Department has 64 full time sworn employees, 2 Reserve officers (law enforcement certified), 7 civilian personnel (4 - support staff and 3 – Code Enforcement), 13 part-time employees (12 - school crossing guards and 1 – Court Bailiff), and 12 volunteers (Auxiliary Police Officer – non sworn).

Achievements:

- Initiated and completed major changes in the Peachtree City Police Department.
- Developed and trained a Crime Analysts,
- Absorbed the existing Code Enforcement Division and made it more accountable and responsive to code enforcement issues,
- Established a two officer Police K9 unit,
- Established Police Motorcycle unit,
- Implemented Crisis Intervention teams to improve the delivery of services to the community.
- Improved the use of technology including expanding the in-car computer program, providing the officers with an electronic citation system, and introducing an automatic license plate reader (ALPR) program.
- Selected and successfully negotiated a new Records Management System (RMS) at a significant savings to the City. The new RMS is compatible with the existing 911 CAD system and will improve the organization's analyst capabilities -- allowing the Department to employ data-driven strategies within the community.
- Doubled the amount of specialized and advanced training.
- Committed to Succession Planning and development of the staff. Several of the existing staff completed either the Georgia Command College or the Police Management Practice course.
- Led the Department's successful effort to be reaccredited under the CALEA Gold Standard and recognized as a Flagship agency on the past two reaccreditations.

- Recognized by the International Association of Chiefs of Police (IACP) for our efforts in the National Law Enforcement Challenge (NLEC).
 - In 2010, placed 3rd for our category and won 1st Place for Technology Award from all entries,
 - In 2011, placed 3rd for our category,
 - In 2012, won 1st Place for our category, and 1st Place for Occupant Protection from all entries, and
 - In 2013, took 1st Place for our category.
- Over the past five years (2009 – 2013) we have been able to reduce the number of roadway collisions by 10%, the number of injury collisions by 21% and the number of DUI collisions by 17%.

Our efforts resulted in Peachtree City being recognized as having the lowest crime rate of Class B cities in Georgia and as one of the safest cities in the Country.

City of Lake Park
535 Park Avenue
Lake Park, FL 33403

RECEIVED
JAN - 9 2015

BY: *LR*.....

Dear Ms. McKibbon-Turner,

Please accept this letter expressing my interest in the position of Town Manager for the Town of Lake Park. My experience includes having served as the Chief Administrative Official and Mayor of the City of Port Orchard, Washington (Population 12,800, Strong Mayor form of Government), as well as successful private sector and non-profit management, economic development, land use, marketing, news media, and social media expertise. This unique combination could serve Lake Park extremely well.

This opportunity arises at a very unique time. Late last year, I accepted an unsolicited offer from the E.W. Scripps Company to purchase the media business I founded and owned for the past 26 years. After taking some time off, I'm now ready to take on new professional challenges that will leverage my unique set of skills, and offer the opportunity for what I term "Servant Leadership" — something I'm quite passionate about. Additionally, my wife and I have made a decision to leave the Pacific Northwest and return to our home state of Florida. I grew up in Ft. Lauderdale, and she is from a pioneer family in Jupiter. We still have family there, and want to raise our 10-year old in a place that is not only closer to them, but reflects our family values as well. Researching Lake Park, it appears to be a good "fit" for us.

In Washington's Strong Mayor form of government, the Chief Administrative Official and Mayor essentially functions as the City Manager. In that position, direct accountability for every facet of the day-to-day business affairs of the City also means executing the policies, direction, and decisions made by the City Council. My duties included writing and implementing the \$30+ million total annual budget (\$8+ million general fund) leading 70 FTEs, with all Department Heads reporting directly to me. Engaging our legislative delegation, lobbying local elected officials, individual state legislators, and often testifying in front of legislative committees at the state capital, were all part of the job. So was representing the City on numerous public agency boards and commissions.

When my term began, Port Orchard was in financial disarray, dipping into reserves to meet payroll, and suffering from a severe lack of trust and respect between staff and the previous administration. Demonstrating that leadership starts at the top by rebuilding management staff and instituting an open door policy, a strong culture of transparency and trust was established. Private sector and LEAN business practices were implemented, along with a strong, private sector-style emphasis on customer service in all departments. These changes allowed us to repay all previous inter-fund loans, and produced surplus revenues within 14 months.

Without meaning to come across as arrogant — only confident of my own abilities and experience — please check my references, and review my letters of recommendation, and the State Auditor's report I've provided. You'll find other community, business, and political leaders I've worked with, as well as former employees, view me as a strategic, bold, out-of-the-box thinker, who is effective, high-energy, and focused — a hands on executive, with a positive, yet pragmatic, common sense attitude. It's coupled with a collaborative approach, strong listening and decision-making skills, and a problem-solving, entrepreneurial attitude that routinely challenges the "We've always done it this way" mentality, while seeking out the opportunities hidden in adversity.

Additionally, if selected for this position, the Mayor and Commissioners will not only have a strong administrator dedicated to the success of the City, but someone who has "walked a mile in their shoes" politically, and understands the challenges they face on a daily basis.

My management style is open and friendly, yet very direct. People who serve with me will clearly understand what is expected of them, and that as a leader, I don't make — or settle for — excuses. Both in government, and in my own business, I've always strived to create a win/win environment where staff can grow and excel professionally, because doing so not only creates loyalty while the entire organization benefits from their success, but also aids in retention and recruitment of the best people.

I pride myself on being a man of my word who gets things done, and expects as much from myself at every level as I do from those who serve with me. While being tenacious about achieving goals, I rarely accept credit for accomplishments, choosing instead to publicly attribute that credit to the Mayor, Commissioners, and/or staff when appropriate. My job is to quietly make them, and the City, look good. I strongly believe that leading by example, and doing it with unconditional integrity, respect, transparency, and good humor, always delivers the absolute best results.

In researching Lake Park, its challenges, and its potential, I'm excited about the possibilities, and enthusiastic about playing an interactive part in its long-term future. I sincerely hope you will consider the skills, experience, and expertise I'll bring to Lake Park worthy of granting me an interview for the position.

Sincerely,

A handwritten signature in black ink, appearing to read "L. F. Coppola". The signature is fluid and cursive, with the first name "Lawrence" and last name "Coppola" clearly distinguishable.

- Primary, "hands on" point person and City contact for all economic development activities and inquiries.
- Negotiation with both public and private sector vendors on a wide variety of issues, including professional services, equipment leases and purchases, as well as service contracts.
- Responsible for the City's compliance with all County, State and Federal regulations such as health, environmental, growth management, and EEOC.

Achievements and Critical Leadership Initiatives

- Upon arrival, found the City using reserves to meet payroll. Instituted private sector and LEAN business practices which changed the City's approach to budgeting, spending, and service delivery. This stabilized long-term finances without layoffs or furloughs, and without cutting or delaying any capital projects, while enhancing services. *Net gain: \$500,000+ in annual cost savings, with the City paying back all inter-fund loans and creating regular monthly reserves in just over a year, plus significantly increasing the levels of customer service.*
- Facilitated three major annexations: *Net Gain: Over \$3 million in new annual revenues after the cost of service delivery. These annexations added over \$450 million in assessed value to the City's tax base, along with 36 new businesses including Walmart, Fred Meyer (Kroger), Safeway, Office Depot, Staples, a championship golf course, and 31 other local firms, increasing the number of jobs within the City by more than 250.*
- Restructured the City's permitting process to make it the fastest and most certain in the Western Puget Sound region. *Net Gain: Increased revenue from both faster permit processing and additional activity.*

- Restored trust and morale among the staff, and built a high performance management team by personally recruiting three new department heads, promoting a deputy to department head, and restructuring and developing existing staff. *Net Gain: Much more productive staff, reduced employee turnover and absenteeism, resulting in reduced HR costs.*
- Personally Recruited New Employers: *Net Gain: Over 100 new family wage (\$20+ per hour) jobs in the City*
- Initiated live streaming video of City Council meetings and posted those videos on the City's Web site for 24/7 citizen access. *Net Gain: Increased citizen access to their government.*
- Introduced online crime mapping and reporting, plus posted residence locations of registered sex offenders on the City's Website. *Net Gain: Fewer registered sex offenders chose to reside in the City. Crime reporting increased, which increased police focus on shorter response times — achieved our goal of two minutes or less anywhere in the City.*
- Served in a leadership role of a regional initiative to provide fiber-optic broadband as a tool in fostering economic development. *Net Gain: increased high-tech employment in both the City and the County.*
- Qualified the City as an Association of Washington Cities (AWC) "Well City." *Net Gain: Two percent savings on City employee healthcare costs. Reduced absenteeism.*
- Instituted a Citywide "Green Initiative:" *Net Gain: \$40,000 cost savings, reduced carbon footprint.*
- Installed grant-funded EV Charging Stations. *Net Result: Increased sales tax revenue from additional tourism by EV owners.*
- Overall crime was reduced 60 percent, and violent crime by 45 percent, within 24 months. *Net Result: A much safer community making it easier to successfully attract economic development, as well as more affluent residents.*
- Instituted an annual Customer Satisfaction Survey to measure the effectiveness of city services. *Net Result: Integrated survey results into the budget and the performance monitoring process, for more efficient use of tax dollars.*
- Shifted organizational focus from "budgeting cheap" to investing in the future. *Net Result: Minimized long-term costs.*

Audit Summary

City of Port Orchard
Kitsap County
October 1, 2012

ABOUT THE AUDIT

This report contains the results of our independent accountability audit of the City of Port Orchard from January 1, 2011 through December 31, 2011.

We evaluated internal controls and performed audit procedures on the activities of the City. We also determined whether the City complied with state laws and regulations and its own policies and procedures.

In keeping with general auditing practices, we do not examine every transaction, activity or area. Instead, the areas examined were those representing the highest risk of noncompliance, misappropriation or misuse. The following areas were examined during this audit period:

- Accounting/financial reporting
- Financial condition
- Utility billings/receivables
- Cash receipting
- Open public meeting minutes
- Payments/expenditures
- Cost allocations
- Police Department -- custody of evidence
- Seizure and forfeiture reporting

RESULTS

~~In the areas we examined, the City's internal controls were adequate to safeguard public assets. The city also complied with state laws and regulations and its own policies and procedures in the areas we examined.~~

AUDIT HISTORY

ABOUT THE STATE AUDITOR'S OFFICE

The State Auditor's Office is established in the state's Constitution and is part of the executive branch of state government. The State Auditor is elected by the citizens of Washington and serves four-year terms.

Our mission is to work with our audit clients and citizens as an advocate for government accountability. As an elected agency, the State Auditor's Office has the independence necessary to objectively perform audits and investigations. Our audits are designed to comply with professional standards as well as to satisfy the requirements of federal, state, and local laws.

The State Auditor's Office employees are located around the state to deliver services effectively and efficiently.

Our audits look at financial information and compliance with state, federal and local laws on the part of all local governments, including schools, and all state agencies, including institutions of higher education. In addition, we conduct performance audits of state agencies and local governments and fraud, whistleblower and citizen hotline investigations.

The results of our work are widely distributed through a variety of reports, which are available on our Web site and through our free, electronic subscription service.

We take our role as partners in accountability seriously. We provide training and technical assistance to governments and have an extensive quality assurance program.

RE: Recommendation for Lawrence Coppola

We the undersigned, comprised of past and present Port Orchard City Council members, write this letter in strong support of our former Chief Administrative Official and Mayor, Lawrence F. (Lary) Coppola, for any position he may be seeking with your organization. During his term of office, he accomplished more to move our City forward on numerous fronts than any Administrator in recent memory. He worked extremely well with the Council, implementing the policies and direction we set innovatively, cost effectively, and with integrity.

Inheriting a dire financial situation, Lary implemented private sector business management principles at City Hall with dynamic results. Working closely with the City Treasurer and Finance Committee, under his leadership, and with the support of the Council, Port Orchard became one of the few Cities in the state building reserves — and doing it in the worst economic environment in a generation. This was accomplished without furloughing or laying off any employees, cutting any services, delaying or canceling any capital projects, and we were the only government in Kitsap County at the time to remain open for business five days a week. In addition, under Lary's leadership, crime — and most notably violent crime — was reduced significantly, in spite of three major retail annexations.

Lary is a tech-savvy, out-of-the-box thinker who isn't afraid to try new ideas. One example was his suggestion we abandon the traditional three-ring binders for City Council meetings, which used an average of a ream of paper per binder, per person, per meeting, and switch to Apple iPads. This resulted in a savings of almost \$40,000. Another was his belief we could generate additional tourism on our downtown waterfront by installing Electric Vehicle charging stations. He found the grant money to make it happen, and it has proved successful. Both, as well as other efforts on his part, have moved us towards becoming a much "greener" City.

Lary is dedicated, resourceful, hardworking, eternally upbeat, and leads by example. He strives to find financially viable, pragmatic, win-win solutions to challenges. His ability to accomplish any task assigned to him, regardless of the resources available, is a testament to his ability and talent as a true leader. He commands the willing respect of the people who work under him. As the quality of the leadership staff he personally recruited for our City attests, he has a unique ability to attract the best and brightest to serve with him.

Of particular value to us as a City Council was Lary's team player mind-set, passion for economic development, adaptability, pragmatic embrace of change, ability to provide clear direction to staff, and unwavering commitment to exceed not only citizen/customer expectations, but often our own as well. Lary regularly represented the City on significant matters to the Legislature, other jurisdictions, and to our citizens. His ability to communicate and connect with to a wide range of individuals and large groups, both in writing and speaking in public, often was a principal reason the City prevailed on numerous matters.

As a Council we regularly received unsolicited praise from other elected officials, staff, and citizens alike commending the outstanding level of customer service, unwavering professionalism, positive, can-do attitude, and follow-through Lary brought to City Hall.

In our view, Lary is a hardworking, dedicated, top-performing leader, and any organization would be fortunate to engage his services in a leadership role. He has our highest respect, and we recommend him without reservation or hesitation. Any of us will be happy to furnish more details as needed or answer any questions.

Sincerely,

To Whom It May Concern:

It is my pleasure to offer my recommendation of Lary Coppola. I have known Lary since 2004, working with him in his capacity as publisher of the Kitsap Business Journal and, more recently, when he served as Mayor of Port Orchard. From my perspective, there are three characteristics, in particular, that serve Lary well.

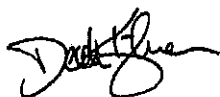

First, Lary has a keen interest in business and economic development. In addition to being the owner and publisher of Wet Apple Media, Lary has been active for several years on the board of the Kitsap Economic Development Alliance and the board of the Kitsap Home Builders Association. Those involvements came in handy as he worked to enhance economic development efforts in Port Orchard. Lary and I had a common interest in helping local small businesses, and we worked together on a handful of projects in that regard – from recruiting a new manufacturer to Port Orchard to securing funding for a new pier in Port Orchard to working with a local author to have one of her books turned into a film in the community. I found him to be a valuable partner in those efforts.

Second, Lary values direct and effective communication. Over the years he's written hundreds of columns and blogs, responded to thousands of constituents, and worked with dozens of community partners. He has experience and confidence running meetings, directing staff, and outreaching to partner organizations.

Finally, Lary has a strong commitment to community. Lary has been involved in a variety of community organizations – including Rotary, Housing Kitsap, the Building Industry Association of Washington, and other local organizations. His role in those organizations has been active and impactful. During his tenure as mayor, Lary was aggressive about working for the interests of Port Orchard and its citizen. For example, when the State of Washington was failing to maintain a state route in Port Orchard, he worked with me to draft legislation to ensure the state would fulfill its obligation, and he had an active presence in Olympia to help the bill get passed into law.

In closing, I believe that Lary Coppola would be an asset to your organization and am pleased to recommend him. If I can answer any questions or provide any further information, please call me at 202-225-5916.

Sincerely,

Derek Kilmer
Member of Congress

To Whom It May Concern:

It is my pleasure to recommend Lary Coppola, whom I have known since 2000 when he participated on Kitsap Regional Telecommunications Committee (KRTC), the region's efforts to provision broadband throughout the county. Since that time, I've also worked with him in his capacity as Editor and Publisher of The Kitsap Peninsula Business Journal, Housing Kitsap (formerly Kitsap County Consolidated Housing Authority), Kitsap Economic Development Alliance, Prosperity Partnership, and during his excellent servant leadership as Mayor of Port Orchard.

Lary is well-known for charting new territories and stellar execution. Whether engaged in economic development, technology, creating an informed society, or advocating for world class strategy, he brings the same intelligent, honest, innovative, and visionary attitude to each endeavour.

A natural leader who brings passion whilst delivering results, he stands apart via his willingness to objectively assess issues so that real and enduring solutions are identified and implemented.

His direct communication style breeds clarity in his environment and initiatives, and his infectious confidence engenders a can-do attitude amongst the stakeholders with whom he is engaged.

Lary is aggressive and purposeful, but an invaluable leader willing to collaborate and partner towards effective goals.

It is my firm belief Lary Coppola would be a welcome asset, bringing the highest degree of capability, integrity, and achievement to your organisation. It is a privilege to recommend him.

Sincerely,

Doña L. Keating

I am writing to introduce and recommend Lary Coppola.

I have worked with Lary since 2009 when he hired me as Port Orchard City Treasurer. The City of Port Orchard remains one of the last eleven cities classified as a second class city. Under this classification Mayor Coppola served as the chief executive officer responsible for the daily operations of the City. His responsibilities were those of a City Manager.

It was refreshing to work with Lary. He brings a "can do" attitude to the job that is both practical and challenging. He asks staff to think outside the box, and looks for new opportunities while maintaining a high level of customer service on the everyday tasks at hand. His leadership on customer service is second to none.

He is a gifted communicator and motivator. He possesses skills that allow him to write and speak across a broad range of constituents. I am greatly impressed by his ability to take a complex issue, break it down to its basics, and explain it on paper in less than an afternoon.

We worked closely on three city budgets that not only maintained essential services during economic hard times but enhanced city services. My position gave me firsthand knowledge on his ability to quickly grasp finance issues; he was approachable, always giving good advice.

He sees the big picture while maintaining a sense of detail. Lary is a smart leader and there is every indication he will continue to succeed in the years ahead. Please consider his qualifications, depth of experience and keen ability to communicate across a broad spectrum of personalities.

Respectfully,

Allan J. Martin, Treasurer

Re: Lary Coppola

I am pleased to provide this letter of support for Lary Coppola as he explores prospective opportunities to contribute his considerable private and public sector executive experience to his next leadership assignment.

The perspective I share is based upon my career comprised of thirty years of senior organizational leadership, executive management, and advisory assignments in private enterprise, professional practice and public service. It is because of this diverse and broad perspective that I am able to speak to Lary's unique skills and abilities.

I came to know Lary in the summer of 2011, when I took over leadership of the Kitsap Economic Development Alliance (KEDA) as Executive Director, and Lary, as chief administrative official and mayor of Port Orchard, had just finished his term as Chair of our Board of Directors, and was serving on KEDA's Executive Committee. While I have only known Lary a relatively short time, I unequivocally know that he is a creative and counter intuitive thinker. He sees and speaks to the obvious when others hesitate; and is quick to connect dots when they have not yet come into common view. Lary is not afraid of change - he embraces it and inspires others to reach for a new and higher level of performance within themselves and the organizations and communities they serve.

Lary is a thought leader who possesses keen analytical and communication skills. Both private and public sector leaders widely acknowledge him as an effective agent of change that makes a difference in all he undertakes.

I welcome an opportunity to discuss Lary Coppola and his many gifts with you in more detail at a later date. My phone number is 360-536-0996, feel free to give me a call at your convenience.

RE: Lary Coppola

Greetings,

This letter is in support and recommendation for Lary Coppola for a leadership and management role in your agency. It is my pleasure, and without reservation that I recommend Lary for such a position. As Chief of Police of Port Orchard, I worked directly for Lary during his four years as Mayor and can say that his abilities and "can do" approaches were the best I have seen. I have served for four mayors in Port Orchard and now a fifth with my move to Poulsbo. Over this time I have seen all types of personalities and abilities in this critical leadership role. I can say without hesitation that Mayor Coppola was the most effective and successful mayor of all.

Lary came into office with a plan for success that included running the city like a business. He made it a priority to find ways to save money while providing critical and efficient levels of service; he enhanced customer service and reminded city staff that members of the public were our "customers"; and he worked diligently to find new sources of revenues to ensure we could continue to provide our high level of service to the public. For Lary, new sources of revenue weren't about new taxes. It was about new business and annexations that brought new levels of tax revenue into the community without impacting the citizens.

Mayor Coppola had goals and he conveyed those goals to all. He was the head cheerleader for his initiatives, not only within city hall, but also in the community. He believes in no nonsense government that should be nimble and subject to change to best serve its citizens. And amazingly, while being such a change agent, he had the full support of city staff.

I have found Mayor Coppola to be fair in his dealings with specific issues, especially as it pertains to city departments and other municipalities in the county and the need to work collaboratively. Lary represents the epitome of city leadership that one would come to expect from a high level leadership position. His work ethic, ability to work with others, and his willingness to adapt to an ever changing environment reflect highly on him and his abilities as a whole. He is highly articulate, efficient and detailed in his work.

During the time I have known Lary, I have come to appreciate our relationship and admire his commitment to the city, to his subordinates, and to the public. Not only does he bring with him a strong understanding of the needs of his stakeholders, but he also brings those personal qualities that are essential to building professional relationships that endure the test of time and bring continued success to him and his chosen profession.

Sincerely,

To whom it concerns,

It is my pleasure to offer this letter of recommendation for Lary Coppola. I have known Lary for some time now in Kitsap County. When Lary was first elected Mayor of Port Orchard I watched with admiration the positive changes Lary brought to the community. Lary by nature is natural leader, he is never afraid to tackle the difficult issues and he does an excellent job of listening to others.

I was fortunate to serve on the Executive Committee for the Kitsap Economic Development Alliance (KEDA) with Lary and I was afforded the opportunity to watch and enjoy his solutions to opportunities as they occurred. Lary was a difference maker for KEDA in a time the organization needed vision and leadership. Lary would bring clarity to issues that are invaluable to any organization. The KEDA meetings were always early in the morning and given the nature of my occupation, mornings are not necessarily the best of times for me. That said, because of Lary, I always looked forward to the KEDA meetings because I always felt a sense of accomplishment from that experience.

I must also confess because Lary gets the opportunity to test drive new automobiles for his publication all the time, I am somewhat envious but appreciative of what he shares about those vehicles. In fact his articles influenced my last car purchase.

In closing, it is my belief Lary would be a valuable asset to any organization. If you need additional information, please contact me at 360-340-4347 or 360-598-8711.

Sincerely,

Russell C. Steele

RE: Lary Coppola, former Mayor of Port Orchard

To Whom it May Concern,

Few individuals can take a broken institution, financially challenged, low-employee esteem and fragmented departments due to the complete lack of prior leadership, and turn an entire city around in a few short years. Combine this with doing so in one of the worst economic periods of our generation.

Above and beyond the economic issues that would test any executive's acumen and patience, was repairing what is at the heart of most all municipalities - their Public Works, Building and Police Departments. Lary was able to quickly recognize that these departments were filled with mostly inept fiefdom creators with poor to no management or communication skills and bring in talented managers or remove the prior micro-managed approach that nearly destroyed the City's many departments. *No we can't* quickly turned to *"how can we be of service"* delivered with a smile and a *get-it-done now* attitude.

Lary managed to accomplish what very few Mayors or City Managers in this country have been able to do through this Great Recession — operate in the black while continuing to grow the City of Port Orchard without layoffs or mandatory shutdowns. Permitting, which once took up to six or more months, was brought down to weeks.

Please accept this recommendation as the highest level of commendation given by me personally and on behalf of our company. I believe the best form of accolade that any individual could hope to receive is the one where a member of the public and a business owner indicates that he would, without hesitation, hire this individual himself if a position of the nature Lary was seeking were available. The City lost a great mentor and Mayor.

Lary Coppola's honesty, presence, skills and work ethic will be sorely missed by all the citizens of Port Orchard, particularly businesses. He turned an awful place to have a presence into a desire to stay and expand. We wish him all the best in the future. You are welcome to call me personally at any time to confirm the above or for a more detailed discussion of Lary's contributions and management acumen.

Sincerely,

Richard A. Flaherty
President & CEO

Port Orchard, WA

To Whom it May Concern,

I am a resident of Port Orchard and have owned my steak and seafood restaurant since early 2006. My range of board experience includes Vice President and Board Member of the Port Orchard Chamber of Commerce; Board Member for the Washington Restaurant Association; Board Member for Association of Washington Business; appointment by Governor Gregoire to the Tacoma Narrows Bridge Citizens Advisory Commission; and Board Member/Executive Board Member of the South Kitsap Boys & Girls Club. I have a strong relationship with the City of Port Orchard's Council, as well as the legislators of the 26th District. Having worked with countless policy makers and politicians, few have impressed me as much as Lary Coppola.

Over the duration I have operated my business, I have had the privilege to know Lary as a successful local businessman, a dynamic politician, and a passionate community leader. Lary has championed positive changes in our business climate, and the professional community has rallied behind his fresh ideas and can-do attitude. As Mayor, he changed the culture at Port Orchard City Hall from one of, "Why it can't be done," to "If there's a way, we will find it." Lary's very effective leadership style has given Port Orchard much positive recognition. As the state auditor said after the City's last audit of his administration, "***Port Orchard could set the example for other cities in the way they handle their citizen's money.***" Lary is a master networker and has been instrumental in recruiting new businesses and helping local businesses expand. In addition, the exceedingly effective staff he put in place makes Port Orchard the envy of the other cities in Kitsap County. But don't take my word for it, ask for recommendations from the other local elected officials.

As you can see, due to his private sector administration and leadership experience, Lary is an extraordinarily competent, and pragmatic leader — the kind both government and non-profits desperately need. You could do no better than to hire Lary Coppola — his commitment; dedication, professionalism and expertise will serve your city well. Should I be able to supply you with any other information, please do not hesitate to contact me at (206) 819-2166 or at amysonthebay@yahoo.com.

From The Desk Of Senator Jan Angel

To Whom It May Concern:

This letter will serve to introduce Lary Coppola. I have known Lary for many years in many different arenas. I first worked with Lary and his firm, Wet Apple Media, as they handled much of my advertising as a real estate agent. In this capacity we associated and worked in many of the same areas, some of which were Rotary, where Lary served as Centennial Year President, the Kitsap County Association of REALTORS, the Kitsap Homebuilders Association, and the Kitsap Economic Development Alliance, just to name a few. Lary has always been a very active leader in the community and the region.

I went on to be elected as a Kitsap County Commissioner and Lary was elected as Mayor of Port Orchard. We served on many boards and organizations together in this capacity, some of which were: The Puget Sound Regional Council; The Kitsap Regional Coordinating Council; Kitsap Transit; Emergency Management and 911 Board; Kitsap Housing Authority; and the Kitsap Health Dept. Board. As we both represented much of the same areas, we worked closely together on economic development, regulatory issues, and more, to make our community the best place to live, work, and own a business. Lary was always well-prepared on the issues, on time, well groomed, and always absolutely professional.

Before being elected to the Washington State Senate, serving as a State Representative and Ranking Member of the Local Government Committee, Lary and I worked together on land use, capital facilities, economic development, and many other areas supporting local government. We both were active in the Association of Washington Cities and their related issues as well.

The one thing that stands front and center for me, over the years with Lary, is his commitment to a job and how he tackles it. He lays out his goal, sets out the action plan — pulling all employees, stakeholders, and citizens together, creates excitement in the project, and then — gets it done — with pride and integrity!

It is with great pride that I recommend to you, Lary Coppola.

26th District State Senator Jan Angel

To Whom It May Concern:

I have known and worked with Lary Coppola for over 18 years through my tenure as the Executive Vice President of the Home Builders Association of Kitsap County and now the same role with the Building Industry Association of Washington for the past two years.

Lary was and remains an active member of the HBA of Kitsap County and as owner and publisher of the Kitsap Peninsula Business Journal has always been a strong supporter of our association, home building industry and small business. Lary served on the Government Affairs Committee, Board of Directors and is a Life Spike with over 50 spike credits. Lary also served a term as Mayor of the City of Port Orchard and while there dramatically improved permitting review in addition to managing the city's finances effectively during difficult economic conditions.

The HBA recognized Lary twice as Associate Member of the Year and as the City Official of the Year. Lary is well respected throughout the business community in Kitsap County for his ongoing efforts in support of small business and the home builders association.

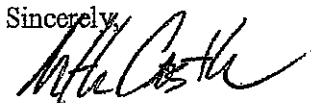

Lary has served as a state director for over a decade and has served on the Washington Affordable Housing Council and Legislative Policy Committee. He has participated in determining political and legislative policy thorough efforts at the Building Industry Association of Washington.

Lary is highly effective and talented professional. He is a leader. He is at his best responding to a challenge or an opportunity. Lary has experience as a successful entrepreneur, starting and building Wet Apple Publishing as well as a public official managing a small city.

Lary understands what it means to develop and work with a team to accomplish goals. He will be an asset to any organization.

I highly recommend Lary Coppola on any endeavor he chooses to pursue. I would welcome providing any additional information.

Sincerely,

Art Castle
Executive Vice President

Certificates and Disclosures...

Please find copies of my Graduate Certificate for Anthony Robbins' Mastery University, and my Master Electrician Certification. As noted on my employment application, I did graduate from Leadership Mastery as well, but it is an extension of the Life Mastery Course, and no certificate was issued for it. For more information on this course, visit <http://www.tonyrobbins.com/events/leadership-mastery/>

One issue I want the City to be aware of in advance...

The college I received my degree in Business Administration from, Dana College in Blair, Nebraska, closed four years ago, and it's my understanding the campus has since been sold to Midland University. Here is a link to a *Business Week* story about its closing. <http://www.businessweek.com/ap/financialnews/D9GMGJ2G0.htm>

As part of the application process for another position, the HR professional doing the verifications told me Dana's records have been moved, and are apparently located in several different places. While many of them were moved to the University of Nebraska, according to that HR person, not all of them were, and no one seems to know exactly which of the 126 years of records are located where. It's my understanding that some went to the schools that originally accepted Dana students when the school closed, but no one seems to be certain of that.

This has made verification of those records not located at the University of Nebraska difficult at best. This of course, includes my records. Making things even more difficult is the fact my only copy of my diploma was destroyed in a fire in the 1980s. Having been in business for myself virtually all of my adult life, I've never had any need to be able to produce a copy of it until now. I have contacted the University of Nebraska, and they are currently doing a search for my transcripts and diploma, so I can obtain a copy, but as of today, they have not found it. They have assured me they will track it down — eventually — and will contact me when they do. If during the course of this process my records are located, and a copy of my diploma obtained, I will forward it immediately.

However, I did want to bring this matter to the forefront of this process as opposed to having it surface later, and having my credibility and integrity called into question.

Human Resource Department
Town of Lake Park
535 Park Avenue
Lake Park, Florida 33403

To Whom It May Concern:

Re: Town of Lake Park Town Manager Position.

I write to express my interest in the position of Town Manager for the Town of Lake Park Florida. My attached resume illustrates over thirty-two plus years of progressive public management service and experience. I have managed full service municipalities for the past twenty years as a Town Manager, City Manager or Town Administrator. I have utilized best practices during my more than thirty-two plus years of municipal service. I have managed municipalities with separate enterprise funds for water, sewer, electric, gas and municipal parking. I have strategically guided municipal organizations through the development and implementation of a shared strategic vision and direction for the community. Administrative decisions are made with a careful eye on getting the best return on expenditures. I have exceptional financial management skills and experience. I have balanced over twenty operating budgets. I have accomplished this through progressive cost saving measures, without adversely impacting the level of municipal services. Many of the cost saving measures during my tenure have resulted in hundreds of thousands of dollars in savings to municipal budgets.

I have managed communities similar in size to the Town of Lake Park. I understand the importance of maintaining high quality of life standards for the community. I have worked for the Springfield Redevelopment Authority during my employment tenure with the City of Springfield, MA. I have leveraged Tax Incentives to attract meaningful industries and employment opportunities to the municipalities I have served.

I am a collaborative problem solver. I have achieved change without losing site of the long and short-range policies of the Commission. I am an effective team leader, able to motivate staff to achieve the goals necessary to move a community forward in a positive direction. Through honesty and commitment to staff, I have been able to gain their trust and respect. In order to manage and lead an organization, building trust within the rank

and file is imperative. I maintain an open door policy for staff, elected officials and residents. I am honest and truthful, and will advocate for staff as well as hold them accountable for departmental outcomes. My collaborative management style encourages input from staff before decisions are reached. To cultivate support and buy-in when decisions are reached requires the manager to develop consensus throughout the decision making process. I have successfully worked with a broad range of community stakeholders and interests to reach consensus on important issues facing the community.

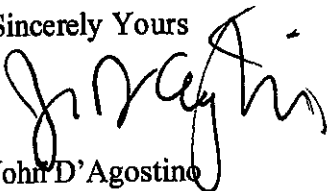

The integration of technology to disseminate information ensures that accurate, concise and important information is provided to residents, elected and appointed officials. I believe in a transparent work environment. Information needs to be shared among and between all facets of government and the public to ensure that timely and accurate information facilitates informed decisions.

My management style is to become part of the community and to understand the characteristics of the community. I have achieved positive long-term results in every community I have served. I strive to reach win-win solutions to move the community forward.

I have extensive skills in grant writing, personnel administration and creative problem solving. I am a visionary leader able to motivate staff to achieve the policy goals of the Commission.

I look forward to the opportunity to interview for the position of Town Manager for the Town of Lake Park, FL.

Sincerely Yours

Human Resources Department
Town of Lake Park
535 Park Avenue
Lake Park, Florida 33403

To whom it may concern:

I am honored to present this documentation as my submission for the position of Town Manager with the Town of Lake Park. I have over thirty (30) years of municipal government experience in South Florida and over fifteen (15) years in a senior management position. My career started in the Boca Raton Police Department where I ascended through the ranks to the number two position in the agency, Assistant Chief of Police. The Boca Raton Police Department was staffed by 200 police officers and 100 civilians. The Department is nationally and state accredited and I had responsibility over a budget of \$35 million dollars. I then spent one year as the interim Chief of Police at Florida Atlantic University Police Department, over three years as the Assistant Chief of Police at the Juno Beach Police Department, and one year as the Chief of Police of the Buckeye (Arizona) Police Department. Family health concerns caused me to return to Florida, sacrificing my career for my family. I am currently the Chief of Police in North Bay Village in Miami-Dade County, Florida. I also served as the Interim City Manager for a period of six months.

I was educated at Florida Atlantic University with a Bachelors degree in Business Administration with a concentration in Finance and Personnel Management and a Masters degree in Public Administration with a concentration in budgeting and administration. I also graduated from the FBI National Academy 207th Session and the Florida Department of Law Enforcement Chief's Executive Seminar. I also attended leadership studies at the University of Virginia. I am a certified police officer in the State of Florida.

I believe that I am uniquely qualified to provide the visionary and innovative leadership, direction, strategic planning, operations and administrative expertise that should be expected from an administrator in this position. I have benefited from serving as the catalyst for professionalism in an internationally recognized community and have the capability of tearing down the silos that negatively affect communications and team building. I have been involved in launching initiatives inside my City, as well as across our community while coordinating the response to high profile events (e.g. Anthrax bio-terrorism investigations) and introducing progressive management practices, have honed my internal leadership and management expertise. I have been involved in Developmental Planning in Juno Beach, Buckeye, and in my current position. I have also worked closely with the Community Redevelopment initiatives in Boca Raton to include a major annexation project in the western area of the City.

I have demonstrated the ability to develop strong working partnerships; I have excellent communication and problem-solving skills, and a solid foundation in the fundamentals of community-oriented law enforcement and public administration. My experience as an assessor and team leader for both the Commission for Florida Law Enforcement Accreditation (CFA) and the Commission on Accreditation for Law Enforcement Agencies would be a definite asset to the Lake Park community as it reviews the best methods for the delivery of law enforcement services.

I realize that a resume alone cannot detail all of my qualifications nor adequately convey my ability to carry out the responsibilities of this position. I would welcome an opportunity to meet with the selection committee to answer any questions they may have about my experience and abilities.

Sincerely,

Robert J. Daniels

GOVERNMENT EXECUTIVE

Visionary in developing the structure, mission and direction of organizations committed to community service. Organized and executed numerous cultural changes and reengineering strategies, taking each component and the entire agency to new levels of performance. Demonstrated success across functional disciplines and achieved significant results that can be measured in increased community support, protection and quality of life.

Derived success through leadership and motivation of people, empowering teams to perform at optimal levels and created a commitment to a common vision. Adept at traversing diverse agendas to forge collaboration, partnerships and alliances among municipal and state government, professional organizations, businesses and the community at large.

PROFESSIONAL EXPERIENCE

NORTH BAY VILLAGE POLICE DEPARTMENT – North Bay Village, Florida 2010- Present

Hired as the Chief of Police for a community located in the middle of Biscayne Bay, just east of the City of Miami and west of Miami Beach. The Department and City was in turmoil as union politics had decimated professional police protocols. Accountability and orders of conduct were instituted to change the Agency from the political machine it was to an apolitical Department with a Community Policing philosophy. Worked as the Interim City Manager for six months.

- Calmed labor unrest by successfully negotiating a new labor agreement and instituting a labor-management committee.
- Improved internal and external communications.
- Instituted the standards for the delivery of professional law enforcement services with the highest level of integrity.
- While Interim City Manager for six months, developed improved communications with the City Commission, initiated a park development project, and brought a successful closure to a main line sewer and beautification project.
- Revitalized the City's Code Enforcement functions and Emergency Management Response.

BUCKEYE POLICE DEPARTMENT – Buckeye, Arizona 2009 – 2010

Hired as Chief of Police for this 660 square mile jurisdiction with a year round population of 50,000 and a staff of 95 individuals. Developed strategies to combat fiscal crisis while planning for future growth. Oversight of court security and code enforcement functions with 911 call center.

- Emphasis is on developing a professional department and repairing damage to community relations.
- Implemented exemplary practices of leadership for supervisors and staff.

- Modified processes to flow efficiently and under accreditation standards.
- Organized training in Community Policing Concepts and Problem-Solving.
- Improved internal communication by instituting suggestion boxes and quarterly meetings.
- Implemented "Calls For Service" Diversion Program.
- Initiated process for strategic plan utilizing a cross section of the Department.

- Changed the patrol work schedule to minimize the use of overtime while maximizing opportunities for In Service Training.
- Revised Code of Ordinances to streamline operations and instituted fee based services.
- Instituted fair and equitable promotional process.
- Streamlined the budgetary process with input from members of the Department. Responsible for all budget

JUNO BEACH POLICE DEPARTMENT – Juno Beach, Florida

2006 – 2009

Hired as the Assistant Chief of Police to work with the Chief of Police to establish a progressive organization that empowers personnel to make a difference in the community while setting the members of the agency up for success, developing weaknesses into strengths. Completed the responsibilities of the Chief of Police in his absence and served four months as the Interim Chief of Police.

- Developed lines of communication internally with agency members and with the Community.
- Instituted an internal recognition program to better recognize the heart of the organization.
- Streamlined the recruitment process for officers and dispatchers while employing innovative retention strategies resulting in a fully staffed organization in year two of implementation.
- Utilized part time temporary positions to cover staffing.
- Identified opportunities for volunteers to assist the Department while demonstrating the value of volunteers to the members of the organization.
- Implemented the Incident Command Structure in response to major events within the jurisdiction.
- Developed a mentoring process for sergeants and training officers.
- Represented the Agency in collective bargaining negotiations while maintaining a rapport with line officers during the process.
- Member of the Town of Juno Beach Developmental Review Committee and Civic Association.
- Developed an Image Capture Enforcement Program and started research on an Alarm Monitoring Project.
- Developed additional funding sources from grant opportunities, trust funds, and other revenue sources.
- Educated members of the department on the budget process and sought feedback.

FLORIDA ATLANTIC UNIVERSITY POLICE SERVICES – Boca Raton, Florida

2005

Hired for the position of Deputy Chief but was elevated to the position of Interim Chief of Police after four months. Stabilizing a department in turmoil and raising the bar of accountability as the Agency strived to achieve accredited status with the Commission on Accreditation for Law Enforcement Agencies, Inc was the first charge. The importance of communications and accessibility to all levels of the 100+ employee organization has been stressed as well as the critical values of ethics, integrity, honesty, and professionalism.

- Instituted promotional and swearing in ceremonies as a method of recognizing exemplary performance and promoting pride in the Agency.
- Formed a policy review committee to involve non-command members in the process of policy development to obtain a better acceptance of changes and career development.
- Formed a training committee to give employees feedback on the training needs for the agency.
- Instituted a cross-sectional team to develop a Mission, Vision, and Value Statement that was representative of the agency to be utilized as a guide for recruitment, promotions, and discipline.
- Instituted suggestion boxes and quarterly communication meetings with the Chief as a method to maintain quality feedback between the administration and line-level personnel.
- Reorganized the Traffic and Parking services into the mainstream of the department.
- Reorganized all fiscal responsibilities under a reclassified position of Operations Manager.
- Empowered all employees to make a difference in their respective work areas to improve and recreate processes developed around a common mission and shared values.

- Opened lines of communications by developing a proactive suggestion policy, roll call meetings and interaction with the union leadership.
- Developed a leadership-mentoring program with senior management and supervisors as a precursor to a formal leadership development program.
- Increased the communication between administrators at the different campus locations and the department to foster a cooperative atmosphere on issues of mutual concern and a platform for strategic planning.
- Instituted an enhanced screening process for police applicants to include psychological screening and written work product samples to aid in the search for the best employees.

BOCA RATON POLICE SERVICES DEPARTMENT – Boca Raton, Florida

1978 to 2005

Career that started in 1978 with advancement over 26 years to the rank of Assistant Chief of Police, leading and managing in a nationally recognized department serving a population of 80,000+ with a recognized success in managing the dynamics of change. Worked with Police Officials at a major Florida University that has a main campus surrounded by the City of Boca Raton, developing protocols and policies, while improving communications. Challenged to introduce a fresh perspective and leadership that would create an agency prepared for the new millennium while improving performance while enhancing the quality of service. Also challenge with supplying police services to a newly annexed area with a large regional mall. As the second in command, designated to act as Chief of Police during his absence and have a dramatic impact on the agency.

Strategic, Financial & Operational Management

- Outlined a new mission, vision and direction to transform the view of the police department from "status quo" into a leading edge organization, embracing positive change and raising the bar of expectation.
- Experience in applying a pragmatic fiscal discipline and the effective allocation of resources and personnel while increasing the seizure of criminal assets.
- Co-facilitated the development of a strategic plan focusing on leadership development, recruitment, training and technology to provide the agency with the necessary tools to enhance performance
- Maintained open lines of communication with the community, City Manager, Mayor, City Council, department heads, and other agencies to promote collaboration and common goals.
- Prepared the agency for successful accreditation with State and National accreditation organizations.

Leadership & Team Building

- Co-Developed a top-flight management team that accepts the responsibility of improving the quality of life for our residents.
- Empowered all employees to make a difference in their respective work areas to improve and recreate processes developed around a common mission and shared values.
- Created a twelve-hour work schedule and district concept that increased the deployment of resources to the patrol function.
- Opened lines of communication at all levels by developing a proactive suggestion policy, roll call meetings and interaction with the leadership of the union representatives.
- Instituted cross-disciplinary teams addressing homelessness, sober houses, tutoring, neighborhood centers, recruiting and other contemporary issues.
- Instituted the Community Involved Traffic Enforcement (CITE) program, and approach that requires community-based solutions for traffic problems.
- Led the Agency's investigative response to Anthrax bio-terrorist attack, including multi-agency federal, state and local coordination including the expeditious development of related procedures.
- Led the development of preliminary plans for a Police/Fire training facility, which involved interaction with several city departments.

Technology & Equipment Optimization

- Undertook major radio systems implementation project and seamless relocation of the Communications Center.
- Played an integral role in the selection of a new Records Management System, Computer-Aided Dispatch (CAD) system, field reporting module and Mobile Computer Terminal (MCT) application that drove dramatic improvements in efficiency and officer access to key information in the field. Also implemented a crime analysis Geographic Information System (GIS).
- Developed several Capital Improvement projects to include refurbishment of an indoor firearms range, an automated vehicle locator system, and high-speed modems to replace existing laptop modems when technology changes.
- Formed an alliance with Boca Raton Community Hospital to place Automatic External Defibrillators in police patrol vehicles.

Homeland Security

- Coordinated critical facility assessments, mobilized all City Departments to address areas of concern, developed a response plan for each alert level, and oversight of the terrorism annex to the City's Emergency Management Plan.

Human Resources Department
Lake Park Town Hall
535 Park Avenue
Lake Park, Florida 33403

Dear Hiring Director:

I respectfully submit my resume for the position of Town Manager for the town of Lake Park, as advertised on www.icma.org.

My strength is the ability to bring diverse opinions and agendas together to accomplish unified, cohesive goals. I developed my leadership skills with the Greater Springfield, Illinois Chamber of Commerce, the Illinois Development Finance Authority, The Illinois Department of Commerce and Economic Opportunity, The City of Springfield Office of Planning and Economic Development and the Illinois Department of Public Health HUD HOPWA office.

With over 24 years of government management experience, my skills are an ideal fit for the role. My experience encompasses Tax Increment Finance Administration, Enterprise Zone Tax Abatement Calculations, business attraction, retention and expansion, redevelopment of blight, HUD housing and disaster recovery. I bring a fresh perspective, high energy and proven results to your city.

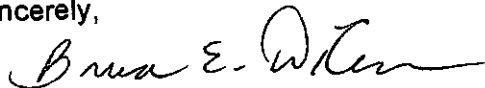

My expertise is utilizing TIF funds, CDBG funds, and Enterprise Zone benefits to bridge the financing gap, bringing proposed projects to fruition to create jobs, revitalize blight and grow the tax base. I am experienced in the areas of planning, zoning, permitting, wastewater, EPA requirements and workforce development. I have worked with CDBG Disaster Recovery funds. I am licensed Realtor in the State of Florida and also a Notary Public.

I enjoy public speaking in front of large groups and have extensive experience presenting projects to city council, explaining plans and programs to neighborhood associations, developers and civic groups and presenting to Boards of Directors and elected officials to outline project phases and process timelines. I skillfully negotiated with local labor unions for TIF use and successfully ended a lawsuit against the City of Springfield.

As the employer, you are hiring a professional, well-spoken, ethical leader who embraces diversity and practices community inclusion. I am flexible, team-oriented and passionate about economic development and civic engagement.

Please do not hesitate to call me with any questions you may have at 561-777-2661.

Sincerely,

Bruna "Bissi" DiCenso

6322 Blue Bay Circle Lake Worth, Florida 33467 (561) 777-2661

Honorable Mayor and Town Council, Town of Lake Park
C/O Ms. Bambi McKibbon-Turner M.S. HRM
Human Resources Director
535 Lake Avenue
Lake Park, Florida 33403

Dear Mayor DuBois and members of the Town Council:

I submit my resume for the position of City Manager. I have nearly 25 years of public management experience, with the majority of this time as a Florida City Manager. I am a "hands on" manager, however I do not micromanage. I do work with the Mayor, Council, department directors and management staff as a team. We set goals, measure success and achieve results. I have a great understanding of Florida municipal law and the many varied aspects of municipal government, from record archiving, public finance, budgeting, purchasing, community planning, to excelling in program delivery in crucial areas such as emergency services and the public works capital projects. I am available to the citizens, staff, and elected officials and can develop and maintain effective relationships with local and state officials to ensure that organizational priorities are addressed.

I recently served as City Manager of Zephyrhills, Florida, in the north Tampa Bay area. I managed 165 employees and a Budget just over \$60 Million. The population is 14,800 people, which swells in winter to approximately 29,000. Zephyrhills is experiencing growth also in our permanent population due to the City of Tampa rapidly moving outward with development. The State indicated that Zephyrhills was ranked 23 of the top 100 cities in growth last year. We have been very active in planning for this growth and in constructing major capital improvements to advance our City. In Zephyrhills our goal is to grow, redevelop older neighborhoods in our community, and protect our history and small town atmosphere. Zephyrhills is a full service City with police, fire, finance, human resources, water, wastewater, stormwater, streets, parks and recreation, cemetery, sanitation, fleet, planning, economic development, building, information technology, airport, golf course, industrial park, library and two museums.

I previously served six and one half years as City Manager of High Springs, Florida. High Springs is a vibrant historic eco-tourism community located just northwest of Gainesville in Alachua County. The City has full municipal services. These services I managed included police, fire, finance, state license plates (tax collection), water, wastewater, stormwater, streets, farmer's market, parks and recreation, cemetery, sanitation (contracted), planning, development and codes. I managed 69 employees and the Budget was just over \$19 Million. High Springs is 22 square miles in size and currently has 5,500 residents. In High Springs, our goal was to protect the natural and historic resources of the City (and surrounding areas) while promoting tourism, sustainability and planned growth.

I also previously served seven and one half years as City Manager of Lake Alfred, Florida. Lake Alfred is a full service city located along Interstate Highway 4 between Tampa and Orlando. Services I managed in that city included police, fire, finance, water, wastewater, stormwater, streets, parks and recreation, public beach, cemeteries, sanitation, central garage, planning, building and zoning and the library. I managed 72 employees and my Budget was \$7 Million. The City of Lake Alfred has approximately 5,000 residents in the city limits and 2,200 within a utility service area outside the city.

I previously served as the Assistant City Manager in Auburndale, Florida, which is approximately 13,000 in population with an additional 8,000 living in the utility service area outside the city. Auburndale also is a full service city with the same functions as High Springs and Lake Alfred. In Auburndale, I assisted in the management of 170 employees and a Budget that ranged from \$12-21 Million.

I have been successful in my career with grants, which have involved road construction, drainage, sidewalks, historic preservation, Main Street Program (Downtown Redevelopment), recreation facilities, park development, beach restoration (lake), sustainability planning/implementation, farmer's market expansion, urban forestry, drainage improvements, water line extensions, sewer line extensions, fire station renovations, law enforcement programs, computers, fire equipment, housing improvements, low income rental assistance, and other community improvements.

I have a great appreciation of history and historic preservation. In the mid 1990's I worked with community stakeholders to achieve a Main Street City designation and a "Certified Local Government" designation to launch a revitalization of historic downtown Auburndale. In 2006, I again motivated the businesses owners and community leaders in High Springs and we were awarded the designation of "Main Street City". That truly provided us platform for historic preservation improvements and to market our town for visitors and for the recruitment of new businesses.

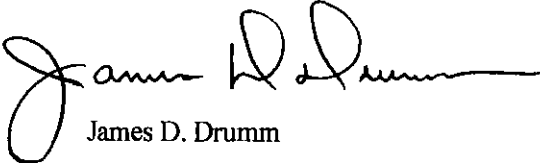

I have been active with community and intergovernmental relations, as my resume describes. I have served on multi-jurisdictional boards and committees representing my City. I have been actively involved with the Chamber of Commerce and local economic development agencies. I have been successful in working to maintain and recruit businesses in my communities.

While serving as City Manager, I have always had active press and citizen participation. I worked with committees and the elected officials as a consensus builder in addressing community concerns and in developing and prioritizing the goals and objectives for the City. Many of these goals were accomplished, such as downtown streetscaping, City Hall restoration, emergency equipment upgrades, utility extensions, purchase of County and private utility system, creation of community gardens, Community Center expansion and new park development to name just a few.

As your Town Manager, I would partner with the Mayor, Town Council and staff to efficiently and effectively provide the quality services the citizens of Lake Park have come to expect. I am confident that with my advanced education, work experience, commitment to public service, and strong work ethic that I can handle the challenge of being your Town Manager.

My wife, six year old son and I have visited Palm Beach County many times and would be happy to relocate to Lake Park. I would be pleased to discuss my interest in the position and my qualifications further either by telephone or in person. My salary expectations are negotiable and would be between \$114,000-\$117,000 depending on the other benefits offered. I am available by telephone at 352-226-6533. I thank you in advance for consideration of my application.

Sincerely,

James D. Drumm

In an effort to more easily schedule classes around work, I went to work in a similar position for the University of North Texas. The scheduling did not improve like I had hoped it would do so I went back to work for the Denton Police Department. I do not remember the exact dates for these moves.

While still a graduate student and also still working for the Denton P.D. I accepted an internship to work in the City Administrator's office in Bowie, Texas. I stayed on at Bowie and was ultimately appointed Assistant City Administrator and finally City Administrator. I never finished my graduate degree from the University of North Texas. As indicated on my application I did receive my MPA several years later from Florida State University.

Human Resources Department
Lake Park Town Hall
535 Park Avenue
Lake Park, FL 33403

Dear Sir or Madam:

Please accept this letter and resume as notice to you of my interest in the position of Town Manager for the Town of Lake Park. I am confident that upon review of my educational and professional achievements, you will find my credentials well-suited for this position.

As mentioned above and indicated on the enclosed resume, I have been in various city management positions in Texas, Florida and North Carolina over the past 30 years. I am currently the Town Manager for the Town of Kenly, North Carolina. A short description of the communities I have worked for in management positions is listed below.

The Town of Kenly is a small, diverse community located on the I-95 corridor and is included in the Raleigh Metropolitan Statistical Area. Located in Johnston County, Kenly is part of the Research Triangle Economic Development Partnership Region of North Carolina. While this region offers many employment opportunities, extensive healthcare facilities, shopping venues and cultural activities, Kenly also enjoys a proud rural farming heritage that is still evident today.

The Town of Manalapan, Florida is a small, picturesque barrier island community on the Atlantic Ocean. Manalapan is located immediately south of South Palm Beach. It is one of the highest per capita income communities in Florida. Manalapan is essentially a low-density residential community of beauty and quality complementing its natural environment.

The Town of Ocean Ridge is also a small picturesque barrier island community on the Atlantic Ocean. Ocean Ridge is located 4.3 miles south of South Palm Beach. Ocean Ridge was originally founded in 1931 as the Town of Boynton Beach, which was originally part of the Town of Boynton. Four parks reside in Ocean Ridge. They provide access to public beaches as well as guided trails through natural areas along the Intracoastal Waterway.

The City of Palm Beach Gardens, Florida is home to the Professional Golfers' Association and the PGA Tour Honda Classic, which is hosted by the PGA National Resort and Spa. Several

PGA Tour golf pros make their homes in Palm Beach Gardens. The population of Palm Beach Gardens is 55,000.

The Town of Addison, Texas is a suburb of Dallas. The overnight population in Addison is 12,500 but its daytime population is well over 100,000. In only 4.5 square miles, Addison's daytime population is swelled by high-rise office buildings, over 150 restaurants, 22 hotels totaling over 4,000 rooms and the third largest general aviation airport in the United States. Addison Airport houses over 1000 planes including 200 private jets. The Town of Addison is the social and cultural center of North Dallas County.

The City of Bowie, Texas is a rural community of approximately 5,500 residents. The City of Bowie embraces its pioneer spirit every year during the Jim Bowie Days parade, rodeo and festival, and during the Western Heritage Roundup held each fall. Bowie's Second Monday Trade Days is one of the largest flea markets in North Texas.

Not reflected on the attached resume are the following additional qualifications that I would bring to this position:

- Ability to relate well with others
- Enthusiasm and initiative
- Local knowledge of Palm Beach County and coastal community dynamics
- Strong analytical skills
- Broad generalist background
- Concern for performance and accountability
- Strong customer service orientation

My wife is the Town Clerk in Juno Beach and she resides at our house we have owned in Palm Beach Gardens since 2001.

I would be seeking a salary in the \$110,000 - \$115,000 range.

I am anxious to discuss my qualifications with you in greater detail. I look forward to hearing from you at your earliest convenience regarding this opportunity.

Sincerely,

Gregory L. Dunham

Subject: Town Manager Search

Ladies and Gentlemen:

I am interested in working for Town of Lake Park. The enclosed resume will provide you details concerning my extensive and diverse experience, training, and proven abilities.

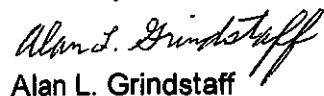

I am seeking the position of Town Manager that will utilize over twenty five successful years of experience. I supervised over 200 employees; wrote and maintained budgets; managed all city funds; capital projects; and maintaining, updating, and building municipal buildings

In Crowley changes were made in the Library and the Police Department improving operations. In Jasper City, Texas, the sewerage treatment plant was running close to capacity, a centrifuge/burner unit was installed which brought the plant well under capacity and reduced annual operating costs by \$200,000.00 per year. Snow College is located in Ephraim, Utah. I worked closely with the College administration and student population. Also, I have worked closely with community groups and volunteers. The Regional Jail in Union City, Georgia was running a deficit each month and was \$500,000.00 in the hole. Working with the staff I got the deficit covered and the regional jail then made a \$185,000.00 net profit. I have strong experience in keeping all budgets in balance and building reserve funds. Jasper and Ephraim are public power cities. I have extensive experience with public utilities including water, sewer, storm water, and power.

I am confident that I will bring new energy, insight, dedication, vision, and proven executive management abilities to Lake Park. I am a quick learner and lead people to success.

Thank you for taking the time from your busy schedule to read my letter and resume. I look forward to an interview at your earliest convenience.

Sincerely,

Alan L. Grindstaff

To Whom It May Concern:

This is a letter to recommend Alan Grindstaff for the job he has applied for. As Mayor of Jasper, Texas from 2003 to 2009, I was part of Mr. Grindstaff's hiring process. He came in at a particularly troubled time for the City as we had recently been devastated by Hurricane Rita.

Before his hiring, we had had city managers who had grown up in Jasper and cronyism was rampant. The infrastructure had suffered for more than 30 years. Mr. Grindstaff had a huge challenge ahead. I found him to be professional, very knowledgeable of city and state requirements and ordinances, able to manage staff (without favoritism) and set priorities for infrastructure rebuilding. In short, I have lived in Jasper most of my life and, in my opinion; he was by far the best city manager that the City of Jasper has ever had.

Unfortunately, politics in a small town changes with elections. There were a handful elected who wanted their own man in. It was our cities loss. If it were in my power, I would hire him again today. I hope you will strongly consider his application. If you have any questions please call me at (409) 384-5459 or at my cell number (409) 382-9545.

Sincerely,

David G. Barber
Former Mayor, Jasper

To Whom It May Concern:

I was on Jasper City Council that hired Alan Grindstaff. That council and mayor were very pleased with his job performance as city manager. He brought a lot of fresh ideas into our town and city hall.

Living here since the late 60's I can say that Mr. Grindstaff is the best city manager Jasper has ever had. As a business owner here in Jasper, I can easily see the improvements he brought into our town.

When I was on City Council I routinely got feedback from our city employees on how much they respected Mr. Grindstaff. They felt that he respected them and if there was a better way of doing things, he let them know without ridicule. One department head said that he "for the first time enjoy coming to work." Another told me that he had never worked under "a man with as much integrity as Mr. Grindstaff." I was always impressed that the men who worked under him were the first to voluntarily sing his praises. They were the ones whose respect he had earned on the job and were a better judge of that than those of us who say on the council.

As a council member I can attest that Mr. Grindstaff was organized, followed city policies, very good budgeting and was fiscally responsible with our tax dollars. He was good with staff and hiring new employees. He left Jasper City Hall in a much better shape than he found it. He is an excellent manager.

Mr. Grindstaff is a man of unquestionable character and integrity, did a good job for Jasper and it would be in your best interest to hire him...I would again in a minute...without hesitation!

Respectfully,

Reference: Letter of Recommendation for Alan Grindstaff

It gives me a great deal of pleasure to write this Letter of Recommendation on behalf of Mr. Alan Grindstaff.

I have had the distinct pleasure of having been associated with him for nearly ten years while we both served as commissioned Officers in the United States Army Reserve. His service in the Army Reserve followed several years of active duty in the Army Officer Corps. During this time I found Mr. Grindstaff to be a highly motivated, innovative, competent, and committed professional individual.

As Mr. Grindstaff advanced in rank and responsibilities, I had the opportunity to observe and evaluate him as a person as well as his performance in various positions and areas. Some of his areas of responsibilities included serving in the Plans, Operations and Training section where he later became the Training Officer, a position critical to the success of any military unit, especially in one of the size and technical nature of ours – a 700 member, Battalion-sized Military Hospital. Later, as his rank increased, he was promoted to Supply Officer with responsibility for over a million dollars worth of military equipment.

Among Mr. Grindstaff's other unit assignments was that of Mobilization Officer. When our unit was activated for Operation Desert Storm in 1990, we were lauded for our readiness status and preparation, and the unit performed in an exemplary manner overseas. I attribute much of that success to his efforts.

Mr. Grindstaff was highly esteemed and appreciated by all members of the unit, both fellow officers and enlisted personnel. Because of his dedication, skills and perseverance, he improved every section or department to which he was assigned. His subordinates were treated with respect – a trait not always found in those with Officer rank – and his friendliness and always present "can do" attitude brought out the best in those who served with him. It was well known that he was always looking for ways to help others in performing their duties and responsibilities. That earned him the respect of many – something not all Officers achieve during their careers.

Mr. Grindstaff – or Major Grindstaff – certainly has my highest recommendations. He is well educated, has much experience in both Public Administration and Military matters, and always goes the extra mile. With the blending of his civilian and military education and experience, I have absolutely no doubt that he is, and will continue to be, a distinct asset to any organization with which he may choose to affiliate.

Respectfully Yours,

Leo A. Thomsen

To the Official Concerned:

Re: Alan Grindstaff

This letter is to express only a part of the limitless capabilities of Alan Grindstaff. I have known Mr. Grindstaff for a number of years as a valued personal acquaintance and in his work as a professional administrator of extraordinary qualities, efficiency and accomplishment, not only in performance but also as to the respective successful completion.

Although I may not be particularly distinguished in any of the following, my own background is as an attorney of over 40 years' experience in positions of Assistant Attorney General, District and County Attorney, attorney for several municipalities and as nationally recognized bond counsel (in the most-consulted nationwide directory).

It is with such background that I assess the professional and administrative qualities of Mr. Grindstaff. I have also been engaged in public relations as well as personnel management in issues within both the private sector and the public domain where I deal with the legal affairs of municipal, educational and general corporation and carefully-managed organizations involving public and personal life-reality situations in each of which disciplines I have known Mr. Grindstaff to have performed with excellence.

Mr. Grindstaff has been an executive in municipal administration and also as a highly-regarded municipal executive being city manager of Ephraim City and in the public relations management of a geographically wide-spread and highly demanding governmental position dealing with personnel and corporate management (principally but not exclusively municipal).

I have not encountered a person better suited or qualified than Mr. Grindstaff to undertake any responsibility with other than effectiveness in an unerring accomplishment of result. He is of very high intelligence, quick of mind and action, unchallengeable spirit and a person who would discharge any assignment with swift dispatch and absolute loyalty. I do not know a person with a more finely-tuned ability to detect and manage any situation which may be presented to an executive.

Mr. Grindstaff willingly, cheerfully and without reservation can and does achieve anything

Re: Alan Grindstaff

To Whom It May Concern

I am writing this letter of recommendation for Alan Grindstaff.

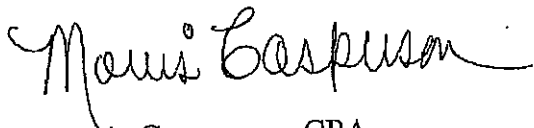

I have known and worked with Alan for the past 10+ years. I have been the auditor for Ephraim City for the past 10 years and for the last 6 months I have been Mayor of Ephraim.

As I have worked with Alan I have found him to be a very hard worker. If the front window was busy and needed help, Alan would be the first to pitch in and help. He has saved Ephraim City a lot of money in managing the City, he very conscience in budgeting and financial affairs. If I need something done, I know if I assign the task to Alan that it will be completed.

You might ask the question, "If Alan is so good and valuable why is he wanting to leave the City?". My answer is that I believe that Alan has progressed as far as he can with the City and would like to continue progressing rather than coasting.

Please give Mr. Grindstaff every consideration.

To Whom it May Concern:

It is with a great deal of sadness and immense pleasure that I recommend to you for employment with your organization, Mr. Alan L. Grindstaff.

I am deeply saddened that I will no longer be working with Alan after so long a period of time. However, your organization could not gain a more competent and caring individual than Alan.

I have worked with Alan since 1988. I was employed part time by Ephraim City as a justice court clerk. The court was in serious trouble at that time and the city in danger of losing their court system. Alan was a tireless advocate for retaining the city's justice court system. Due to Alan's financial savvy the city decided to keep their court, which today is flourishing, a moneymaker for its general fund budget.

In 1991 I took a full time position as the city clerk. I came into the position virtually untrained due to medical problems my predecessor was experiencing. I have worked very closely with Alan the past eleven years on a variety of issues, ranging from personnel to far more complex financial concerns.

The old phrase squeezing a nickel to get a dime springs to mind when I think of Alan's ability to handle very diverse financial situations. He has taught us to be accountable for the public monies we are entrusted with, while at the same time not forgetting the human element, acknowledging community needs and working together to find ways to assuage the public outcry for more and more, with less and less. Alan is always willing to listen and take creative and non-traditional approaches to funding projects. A quality that shows a level of commitment rarely displayed these days.

One of the qualities I admire most in Alan is his sense of community. Alan and his family believe in making their community a better place to live. They are avid community supporters. Alan has a deep belief that making our communities better places to live and raise our children benefit all that have a vested interest in the community. This philosophy is a mainstay in Alan's life, one he has passed on to his children, and instilled in co-workers.

SUMMARY OF EMPLOYMENT EXPERIENCE

TOWN MANAGER, SEWALL'S POINT, FLORIDA

Sewall's Point is an upscale coastal residential community of approximately 2,000 residents located between the St. Lucie and Indian Rivers in Martin County. The town has approximately 850 homes and with a taxable value of \$594,000,000, and encompasses 1.23 square miles. The Town provides Police and Building Department services. Fire and EMS, water, and trash disposal are provided by Martin County.

During my tenure as Town Manager, we have made significant accomplishments; a brief synopsis follows.

Fiscal Matters

When I arrived 6 1/2 years ago I discovered that the town had not submitted their required audits and were actually three years behind. Through the efforts of Town staff we were successful bringing all required audits up-to-date, and have reduced the number of management comments from approximately thirty-three to two.

Developed and committed to writing the Town's first set of general fiscal objectives, I broadened participation in the town budget process by encouraging Commission members' involvement and formalizing supervisor's roles in budget preparation.

Citizen Outreach/Communication

Using the Town web site successfully developed and implemented an email blast system for those residents who signed up via their email address on the site. The town provides agendas of the Town Commission Meetings, and other worthwhile information such as community events, and town sponsored activities. This system was well received and provides a high level of transparency between town residents and Town Hall.

Council / Manager Relations

Effective management of a modern organization requires close and open communications between policy makers (Town Commission) and those entrusted to carry out that policy (Staff). Furthermore, this communication must be two-way. I view the Town Administration as a "Team" encompassing the Mayor, Commission, Manager and all City employees.

CITY MANAGER, RITTMAN, OHIO

Rittman is a full service, independent city of approximately 6,500 residents. It provided the customary municipal services, operated water, wastewater and EMS services. Rittman had a 2006 budget of approximately \$7.2 million and 41 full-time employees in addition to a 30 person volunteer fire department and a 25 person EMS operation.

Personnel Matters

The City's full-time employees were unionized and also covered by Ohio Civil Service. We had emphasized development of the line supervisors as part of the management team, giving them more latitude in the day to day decisions and more involvement in policy development. As City Manager, I was responsible for all labor relations, including contract negotiations.

Annexation

One accomplishment that I am especially proud of was completing the annexation of 274 acres of land for the Ohio Western Reserve National Cemetery. At full capacity, the cemetery will provide burial sites for 106,000 veterans and their dependents. Working with representatives of the Veterans Administration, we were successful in overcoming a number of complicated issues to make the project a reality.

Utility Administrations

One of my first efforts was to develop a five-year Capital Improvement Budget for the City. We dramatically cut service complaints in all utilities by beginning a proactive sewer cleaning program and replacing broken sewer and water lines, as well as extending water lines in various sections of the City. In the wastewater system we completed an \$8.1 million treatment plant and collector system for which we secured approximately \$2.5 million in grant funds.

Development Activities

Through the cooperative efforts of City Council, the Rittman Community Improvement Corporation and the State Department of Development, we were successful in developing the City's first two industrial parks. Four new manufacturing businesses have located in the industrial park creating approximately 200 new jobs.

DEVELOPMENT SPECIALIST, OHIO DEPARTMENT OF DEVELOPMENT

As a Development Specialist with the Department of Development my primary responsibility was to assist businesses and communities in obtaining government financing for expansion and development. Many times that meant dealing with businesses from other states and countries that were looking to relocate to Ohio.

During my employment with the department I obtained the National Development Council's "Economic Development Professional" Certification by successfully completing its 160 hour training program. The program emphasizes assisting businesses by finding, structuring, and securing public and private financing.

CARROLL COUNTY COMMISSIONERS

Carroll County employed approximately 175 employees and operated with a budget of \$8 million. As Chief Executive Officer, I was responsible for the entire county budget and day to day operations.

Development and funding of Carroll County's first county sewer project was a significant accomplishment. This \$7.5 million project was successfully funded with a 75% Ohio EPA grant and an FmHA Grant and loan.

Planned and development the funding of Carroll County's first two industrial parks, utilizing CDBG, EDA, and FmHA financing, coupled with ARC funding.

During my tenure in Carroll County more than \$6 million in state and federal grant funds were successfully secured.

Human Resources Department:

I recently became aware of your search for a new Interim Town Manager and Town Manager for the Town of Lake Park through a notice in the FCCMA Newsletter. I am extremely interested in the position as it is explained, and would welcome the opportunity to meet with you.

I recently served as Town Manager in Sewall's Point, Florida. Sewall's Point consists of approximately 2,100 people and is located between the St. Lucie and Indian Rivers in Martin County.

My past experience makes me uniquely qualified for the Lake Park Town Manager position. Lake Park is seeking an administrator with strong expertise in financial management, budgeting, and communication skills. Skills in which I have proven expertise. Both in my present position and previous employment, my involvement in the day to day management further strengthens my financial background by linking finances to field operations. During my career of 30 plus years in government I have managed and been responsible for more than \$600,000,000 of tax payer's money. Not once during this period has there been a citation or a finding for recovery. During my tenure in Sewall's Point, I faithfully worked to increase Sewall's Point's carryover balances in all funds, while successfully reducing the millage rate even though property values continued to decline.

My management style is an aggressive one that emphasizes a management team comprising the Mayor, Commission, Department Heads and the Administrator. The role of the Administrator is to provide the Council with information, alternatives and recommendations to make the best decisions. Staff personnel, in my view, have the best grasp of operational problems and should be given ample opportunity for input during the decision making process. Also, department heads should be given a great deal of responsibility and authority in running their operations. This style has proven successful in both Sewall's Point and Rittman.

During my tenure in Sewall's Point I have been involved from conception to completion of the town's recently completed improvements to A1A. The \$850,000.00 project included new paver brick crosswalks at the intersections, the installation of new medians,

landscaping improvements, and the installation of pedestrian street lights.

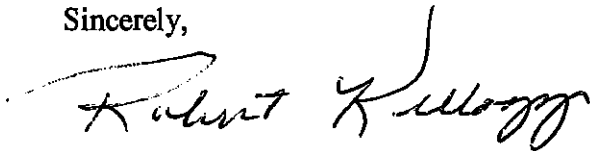

These improvements have made the area the focal point of the community. The project was successfully funded from the Florida Department of Transportation, the Martin County Metropolitan Planning Organization, and the Town. Through prudent fiscal management of this and other capital improvement projects we were able to control cost and successfully complete these projects at or under budget.

I am extremely interested in remaining in local government in a full-time professional position, specifically in a Town of your size. I have a strong desire to remain in Florida, which has furthered my interest in the position you have available.

I feel my extensive experience and familiarization with local government and various state and federal agencies would enable me to be an effective Administrator for the Town of Lake Park. I am confident that I have the personal characteristics and professional skills to become a valuable part of your administrative team.

In summary, I am very interested in the Lake Park Town Administrators position and believe I possess the qualifications your community is seeking in its next administrator. I will await your reply in the hope that we may meet to discuss in detail, the recruiting of your new Town Manager.

Sincerely,

A handwritten signature in cursive script that reads "Robert Kellogg". The signature is written in black ink and is positioned to the right of the word "Sincerely,".

SUMMARY OF EMPLOYMENT EXPERIENCE

TOWN MANAGER, SEWALL'S POINT, FLORIDA

Sewall's Point is an upscale coastal residential community of approximately 2,000 residents located between the St. Lucie and Indian Rivers in Martin County. The town has approximately 850 homes and with a taxable value of \$594,000,000, and encompasses 1.23 square miles. The Town provides Police and Building Department services. Fire and EMS, water, and trash disposal are provided by Martin County.

During my tenure as Town Manager, we have made significant accomplishments; a brief synopsis follows.

Fiscal Matters

When I arrived 6 1/2 years ago I discovered that the town had not submitted their required audits and were actually three years behind. Through the efforts of Town staff we were successful bringing all required audits up-to-date, and have reduced the number of management comments from approximately thirty-three to two.

Developed and committed to writing the Town's first set of general fiscal objectives, I broadened participation in the town budget process by encouraging Commission members' involvement and formalizing supervisor's roles in budget preparation.

Citizen Outreach/Communication

Using the Town web site successfully developed and implemented an email blast system for those residents who signed up via their email address on the site. The town provides agendas of the Town Commission Meetings, and other worthwhile information such as community events, and town sponsored activities. This system was well received and provides a high level of transparency between town residents and Town Hall.

Council / Manager Relations

Effective management of a modern organization requires close and open communications between policy makers (Town Commission) and those entrusted to carry out that policy (Staff). Furthermore, this communication must be two-way. I view the Town Administration as a "Team" encompassing the Mayor, Commission, Manager and all City employees.

CITY MANAGER, RITTMAN, OHIO

Rittman is a full service, independent city of approximately 6,500 residents. It provided the customary municipal services, operated water, wastewater and EMS services. Rittman had a 2006 budget of approximately \$7.2 million and 41 full-time employees in addition to a 30 person volunteer fire department and a 25 person EMS operation.

Personnel Matters

The City's full-time employees were unionized and also covered by Ohio Civil Service. We had emphasized development of the line supervisors as part of the management team, giving them more latitude in the day to day decisions and more involvement in policy development. As City Manager, I was responsible for all labor relations, including contract negotiations.

Human Resources Department
Lake Park Town Hall
535 Park Avenue
Lake Park, Florida 33403

Dear Mayor and City Council:

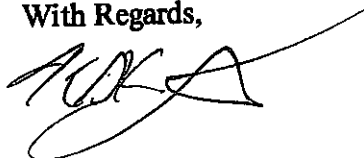

I am writing to express my interest in the Town Manager's position for the Town of Lake Park. I believe that my education, background, and experience may match the Town's profile for a Town Manager.

In reviewing the community profile I believe that the Town of Lake Park meets my aspirations as my home for the foreseeable future as I hope I will meet yours as Town Manager. With over 25 years of experience in the public sector and nearly 20 as a Manager/Administrator in mostly rural/suburban communities; I am looking to find a town where I can become established for the long-term. I believe that my management experience in multiple states and communities shows my ability to adapt to the challenges and opportunities that the Town of Lake Park has available.

My experience in administration, budgeting and finance, public utilities, and grant administration skills will fit nicely with the needs of Lake Park. In my most recent position we have conducted a city-wide drainage study, concluded an upgrade to the city's wastewater treatment plant, and are currently designing a gateway monument for the city. In my past positions I have managed the siting, design, and construction of a new wastewater treatment facility that required working with state and federal agencies in acquiring a new effluent discharge permit. Having working in several high disaster prone states; I have extensive experience in disaster planning. I have worked with the Federal Railroad Administration in implementing a Quiet Zone for all rail-crossings in the community. During my career as a City Manager; I have supervised the full gambit of public utilities including water, wastewater, electric, gas, and cable television. I have also had the opportunity to work with a variety of funding agencies to construct public utilities, an industrial park, recreational parks and trails, administrative office buildings, and public works facilities. I consider project management and administration one of my greatest strengths. I have also implemented a community based effort to increase code compliance in a citizen friendly fashion that, while respecting personal property rights, also promoted community values in cleaning up the community and improving the overall 'look' of the city. I have upgraded administrative policies and procedures; performed staffing analysis to ensure the city is 'right-sized'; guided the community through comprehensive planning for water/wastewater, parks and recreation, zoning implementation, and housing. All the while, of course, keeping the elected officials properly notified and in keeping with the directives that they set before me.

I received my Master's in Public Administrator and a Bachelor's in Political Science. The opportunity to return to Florida with a niece going to university Florida and a sister living there makes a community such as Lake Park a definitely fit in with my career and personal plans and I hope that upon reflection of my background and experiences that you will concur that my abilities match well with the position of City Manager for Lake Park.

With Regards,

KENNETH D. KNIGHT

Ms. Bambi McKibbon-Turner, Director
Human Resources Department
Lake Park Town Hall
535 Park Avenue
Lake Park, Florida 33403

Dear Ms. McKibbon-Turner:

I recently saw your advertisement relative to the position of Town Manager, Town of Lake Park, Florida and I would like to be considered as a candidate for this position. **I believe that I possess the knowledge, skills and abilities desired for this opportunity and in conjunction with my work experience, I believe that I am a solid fit for the position.**

As you can see from my enclosed resume, I am an achievement-oriented manager with over thirty-seven years of experience (thirty-five plus years in a supervisory/management capacity) with local government (strong-mayor, city manager and county forms of government). What it may not demonstrate is the emphasis I place on building an organization that is focused on quality improvement and customer service. This approach requires establishing an organizational culture that is empowered to make decisions and act with a "bias of action" for ensuring productivity, quality enhancement, and citizen satisfaction.

In conjunction with this managerial philosophy, I bring an ability to solve problems quickly, to foresee potential problems, and implement strategies to avoid or resolve these matters in an anticipatory manner. I also have the skills and abilities to work effectively with all entities and the media.

I believe my experience and knowledge has prepared me to deal with the challenges confronting Lake Park. I am an experienced, knowledgeable, creative, enthusiastic and proactive individual that can provide leadership to the Lake Park Team.

With this background, and my two Masters Degrees in Public Administration (with Honors from Florida Atlantic University) and Regional Planning (The Pennsylvania State University), I believe that I am the effective leader that Lake Park is looking to employ.

Sincerely,

DEC 23 2014
Town of Loxahatchee Groves
Dept. of Administration

SUMMARY OF QUALIFICATIONS

Over thirty- seven years of local government experience with thirty- five plus years in a supervisory/management capacity, and a proficiency in the following areas:

- Growth Management
- Economic Development
- Customer Service
- Strategic Planning
- Labor Relations/Collective Bargaining
- Budgeting/Capital Budgeting
- Project Management
- Human Resources
- Media Relations
- Grantsmanship
- Emergency Management

I am an ICMA Credentialed Manager and savvy leader with a commitment to the principles of Total Quality Management (TQM). Versed in managing change and specializing in dealing with high pressure/demand activities in local government. A dedicated team player with city (strong mayor and city manager forms of government) and county experience.

PROFESSIONAL EMPLOYMENT EXPERIENCE

Town Manager for the Town of Loxahatchee Groves. October 2011-September 2014

The Town of Loxahatchee Groves is located in central Palm Beach County and was incorporated as Palm Beach County's 38th municipality on 6/23/06. The Town has a population of 3,173 (2012 BEBR estimate) and comprises 12.5 square miles. The Town conducts its activities as a contract service municipality and I serve as Town Manager conducting general management services for the Town through a management company. Specifically, these general management services include general administrative duties, Town Clerk, Finance; Planning and Zoning and Emergency Management. The Town also provides the following services through major contract vendors including: Law Enforcement and Fire Rescue via Palm Beach County; Solid Waste Management; Public Works; Code Enforcement; Engineering Services; and Building Services. A number of minor services are also provided including Special Magistrate, auditing and debris removal services.

Accomplishments

- I was presented with the Awards of Financial Reporting Achievement by the Government and Finance Officers Association of the United States and Canada (GFOA) for preparation of the Comprehensive Annual Financial Reports (CAFR) for Fiscal Year

Ended September 30, 2011; the Fiscal Year ended September 30, 2012; and the Fiscal Year ended September 30, 2013.

- I successfully guided Palm Beach State College through the Comprehensive Plan process for the purpose of permitting the College to build their fifth branch campus along with associated commercial development in the town.
- I was responsible for guiding the adoption of the 2012-2013 all funds budget through the Town Council with an approved reduction of 9.37 percent and a General fund reduction of almost 27 percent.
- I led the efforts that implemented the conversion of the Town 's wireless computer system and replaced such with new computer hardware and software; creation of a new website; and through a forensic data recovery firm recovered one terabyte of electronic files that were deleted due to mismanagement of the previous management firms.
- Implemented the Town's first Capital Improvements Program and Budget.
- Successfully guided the Town in the completion of the construction of the 148th Culvert Bridge Project and the OGEM treatment (Open Grade Emulsified Mix) of ¼ mile sections of North Road.
- Monitored and directed Town recovery activities during Tropical Storm Isaac.
- Served as the Town's Chief Procurement Officer and handled numerous recruitments including the bid for Solid Waste Services and the Request for Qualification (RFQ) under Florida CCNA requirements for various Town Engineering Services

Deputy City Manager for the City of Belle Glade, Florida

2007-2011

The City of Belle Glade is located on the southeastern shore of Lake Okeechobee and is the largest city within the greater glades area of Palm Beach County. The City has a population of 17,107 (2009 Florida BEBR estimate) and comprises 4.65 square miles. The City's adopted total budget for fiscal year 2009-2010 is \$18,168,426 and the City has 92 full time employees allocated throughout the various funds. The Deputy City Manager, works under the direction of the City Manager and acts as Chief Executive Officer during the City Manager's absence. As Deputy City Manager, I served as a Chief of Staff for the City Manager, and I was responsible for review and coordination of City Commission business agenda items. I also served as the City's **Airport Manager** and **Emergency Manager**.

In addition to consulting and advising the City Manager about community/program needs; I was the **Project Manager** for several high profile projects including the **Belle Glade Boat Lock Design and the Strategic Business Plan for Belle Glade Airport**. I was also an appointed (by the Belle Glade City Commission) member of the Glades Utility Authority (GUA) Governing Board, an independent water / waste water service provider to the Glades area. This Board is

responsible for all business decisions of the Authority's 24 million dollar utility operation. In November, 2010 I was elected chairman of the GUA Authority Board by members of the Governing Board.

Resume of Mark Kutney (continued)

Page 3

Accomplishments:

- In conjunction with Palm Beach County Emergency Management, I coordinated the reviews, preparation and City Commission adoption of the Continuity of Operations Plan (COOP) for Emergency Operations.
- I played an instrumental role in the review, negotiations, amendment and City Commission adoption of an Interlocal Agreement with Palm Beach County and the cities of Pahokee and South Bay to create the Glades Utility Authority. This agreement essentially transferred the City's water and waste water services to an independent utility authority.
- Assisted the City Manager with the successful negotiation and development of contracts to outsource the management of the City's golf course and commercial campground/marina to separate management entities.
- I handled negotiations with Palm Beach County for the creation of an Interlocal Service Boundary Agreement (ISBA) and in conjunction with this effort, prepared and developed a new application format, procedures, and requirements related to the City's program for future annexation efforts.
- I coordinated the successful adoption and the Florida Department of Community Affairs (DCA) notice of intent compliance finding for the EAR based amendment to the comprehensive plan.
- I was responsible for guiding the adoption of the 2008-2009 Budget through the City Commission as the Acting City Manager and coordinated the completion the 2005-2006 Audit/CAFR that was several years behind schedule.
- On a continual basis, I was responsible for the successful review and coordination of all agenda reports and business items that were presented before the City Commission twice monthly.

**Acting City Manager for the City of Belle Glade, Florida
September 3, 2008-November 2, 2008**

I assumed the duties of Acting City Manager as a result of the City Manager being discharged.

Development Services Director for the Town of Davie, Florida

1999 to 2007

The Town of Davie known for its open space system and western theme development has a population of over 90,000 and an area of 35.6 square miles. Responsibilities included: the administration and supervision of the Town's Planning and Zoning; Building; Code Compliance; and Engineering Services Divisions. Was responsible for the management of eighty (80) employees and a total department budget of \$8,923,309 (FY 06-07). The Department served as staff support to the Planning and Zoning Board, Site Plan Committee, Unsafe Structures Board, and Special Magistrate Code Hearing Process.

Specific functional duties included: the development of the Comprehensive Plan and Long Range Planning Program; Development Review and processing of Development Related applications (i.e. rezoning, special permits, variances, site plan review and the like); code

Resume of Mark Kutney (continued)

compliance process; permitting and inspections; economic development; special planning and design studies and various other functions.

Accomplishments:

- Successfully guided the preparation and adoption of the Town's **Housing and Transportation Elements** Amendments to the Comprehensive Plan. Florida DCA found the Amendments in compliance.
- Prepared, supervised and guided the adoption of the **Griffin Road Corridor Zoning District**. This project was a major planning and design effort resulting from condemnation of Griffin Road Right of Way and the increase of a two (2) lane section into six (6) lanes.
- Successfully updated and revised staff planning reports to withstand legal challenges associated with Quasi-Judicial Hearings.
- Updated and revised code compliance mitigation guidelines for fairness and equity.
- Successfully guided the preparation of the **Citizens' Action Plan for the State Road 7 Corridor**.
- In conjunction with my Supervisory Management Team, developed and guided the preparation of the Development Services Department **Strategic Management Plan**.
- Principal author of the Town of Davie **Customer Service Guidelines**.
- Principal author and successfully guided the adoption of the Town's **Cost Recovery Program** related to Development Review Applications.

Director of Growth Management for the City of Hallandale, Florida

1995 -1999

Accomplishments:

- Supervised the preparation of the City's 1995 Evaluation and Appraisal Report (EAR) as required by Florida Statute. The South Florida Regional Planning Council review staff promoted the Report as a model for other cities to use.
- Prepared, supervised, and implemented a City-wide improvement program-A **Comprehensive Approach to Code Enforcement**.
- Successfully amended, reformatted and guided legislation adopting a **Minimum Property Maintenance Occupancy Code** through the City Commission. The Project had languished for over 8 years prior to my involvement.

Community Development Director for the City of Titusville, Florida

1991-1995

Accomplishments:

- Successfully completed the City's Land Development Regulations and guided this legislation as well as City-wide Administrative Rezoning through the City Council.

Resume of Mark Kutney (continued)

To the Town of Lake Park and Councilpersons,

I have been in the Municipal Government for over 25 years. During my career I have been in the position to affect the positive change in a few different areas in Palm Beach County. From The Palm Beach gardens to The Town of Mangonia Park. I have been an effective Building Official, overseeing planning, zoning and issuing permits. Over my time in different Municipalities I have sought to bring in grants to help improve each township. These grants have included everything from parks and recreations to restoration of water systems. My goal has always been to help improve the town for the people that live there. Over the past 4 years I have brought in an over \$4 Million dollars. I have taken The Town of Mangonia Park from a reserve of \$0 to over \$1 million. Along with grants that I have acquired and overseeing Building and Code Enforcement, I negotiated the contract with PBSO to take over duties and patrols for Mangonia Park. The average contract negotiation settled at 3%, I was able to negotiate the contract to 1%. I believe the Town of Lake Park is a great area in Palm Beach County with the potential of becoming one of the best, if not the best, with assets like the Lake Park Marina. I look forward to working closely with the Mayor, Council People, and Citizens of Lake park to seeing the town reach its fullest potential. Salary Desired: Amount already budgeted for Fiscal Year 2014-2015

Sincerely,

Violet L. Leffingwell

Town of Lake Park
535 Park Avenue
Lake Park, FL 33403-2603

Dear Ms. McKibbon-Turner:

Please accept the attached application and resume for the position of Town Manager, as posted on the ICMA web page. I have thirty-six years as a criminal justice professional, with a broad range of managerial experience which would make me one of the best candidates for this position.

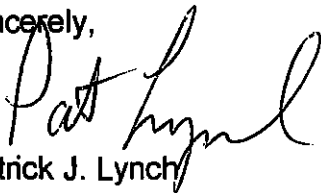

I started my career as a police officer, and have served in all capacities within the law enforcement community. However, my experiences make me a better candidate than other applicants.

I have prepared and managed budgets for the various commands I led. I was also a Commander of the agency Special Weapons and Tactics unit, making critical decisions in dangerous situations. I established networks within the public sector community, realizing that law enforcement is just one facet of a problem, and other stakeholders are affected and should be involved in planning and implementation. I'm a firm believer in the saying "the time to meet someone is not in the middle of a crisis" and have established relations with many local, state and federal agencies to further these ends.

I have a strong sense of volunteerism, both within my profession and my personal life. I chaired the agency Safety Committee, recommending workplace safety initiatives throughout the entire agency. I coached youth leagues in football, basketball and baseball, and was also a youth leader with the Boy Scouts of America and the Girl Scouts of America. My volunteerism continues after retirement. I serve on several boards and charities.

If you need further information or would like to schedule an interview, I can be reached at 561-790-0155. Thank you for your time.

Sincerely,

Patrick J. Lynch

EXPERIENCE:

Palm Beach County Sheriff's Office,

1977 – 2010 RETIRED

Deputy Sheriff—Palm Beach Sheriff's Office

I have served in many varied capacities in my career at the Sheriff's Office. As a patrol deputy, my duties embraced many activities. I was responsible for crime prevention duties, criminal investigations, traffic enforcement, and any other activity necessary for the suppression of crime and the apprehension of criminals. These duties played a leading role in the accomplishment of the primary goals of the Sheriff's Office. I was consistently commended for the high activity level constantly maintained and the completeness of my assignments. I served as a Detective in the Crime/Property and Tactical Units. My additional responsibilities included surveillance and covert investigations leading to the arrest of criminals and successful clearances of investigations. These duties were carried out with excellent evaluations from supervisors.

As a Corporal in the Bureau of Training, I was responsible for presenting quality instruction to the members of the Sheriff's Office and the community at large. I maintained proficiency in current teaching techniques and subject matter for all the high liability subjects mandated by the Bureau of Training. I prepared lesson plans and outlines consistent with teaching standards and developed programs for the implementation of block training utilized during a shift. This was an innovative training concept at the time, and has since become a standard within the Bureau of Training.

As a Sergeant, I was responsible for the supervision of a shift. I have a working knowledge of the functions and duties of all the subordinates on the shift. I was responsible for guiding, counseling, and evaluating subordinates. I have served as a District Patrol Sergeant, Parks Enforcement Sergeant, Contracts Sergeant, Airport Sergeant, and Detective Sergeant (Crime/Persons). As a Detective Sergeant, I was also responsible for the assignment of complex cases and ensuring that the investigations were coordinated with other bureaus and appropriate agencies. I provided leadership and guidance in the supervision of my personnel in their investigations. I prepared monthly statistical reports on the activity of the bureau.

As a District Lieutenant, I was responsible for planning, directing and supervising a complex district. I have a working knowledge of the functions and duties of all the subordinate personnel within the district. I attended Staff meetings and disseminated pertinent information relative to the functioning of the district. I was responsible for the preparation and implementation of action plans for problem areas within the district. As a Lieutenant in Emergency Services, I was assigned as liaison with Palm Beach County Division of Emergency Management with responsibilities to integrate law enforcement responsibilities into the Comprehensive Emergency Management Plan. I was responsible for policies that provided for the protection of life and property and the maintenance of law and order through the coordination of law enforcement activities before, during, and after a disaster. I also represented the Palm Beach Sheriff's Office on the Statewide Task Force. I responded to requests for assistance under the State Mutual Aid statutes and other mutual aid agreements with other organizations. I was the administrator for the Dialogic Communicator database and scenario entry. I was the main contact for law enforcement and security issues for any emergency in Palm Beach County requiring the integration of various local and state agencies, and was an integral part of the County's response during the terrorist attacks of September 11, 2001.

After the terrorist attacks of September 11, 2001, I created the Homeland Security Division within the Sheriff's Office, and was its first Captain. I was responsible for the protection of the citizens and visitors of Palm Beach County, along with the protection of critical facilities and infrastructure from crime, disaster and terrorism. The three components of Homeland Security within the Sheriff's Office are Governmental Affairs, Strategic Intelligence Section, and Emergency Planning. Governmental Affairs is responsible for coordination, retrieval, monitoring, and initiation of legislative acts, laws, or matters affecting PBSO Homeland Security. The Strategic Intelligence Section is responsible for Inter-agency criminal intelligence and specialized criminal investigations. Emergency Planning is responsible for emergency event planning in matters affecting the Sheriff's Office and its responsibilities under State Statutes and County Ordinances.

Throughout my career at the Sheriff's Office, I have also served as Chair of the agency Safety Committee, a volunteer position, for the last six years. I am responsible for establishing procedures for evaluating the effectiveness of measures to protect employees from safety and health hazards in the workplace, reviewing and updating workplace safety rules, updating the workplace safety program, and assisting management in monitoring workplace safety education and training.

I was also a member of the agency SWAT team for nineteen years. I was responsible for the resolution of critical incidents, such as hostage takings, barricaded subjects, quelling civil disorders, or any type of tactical situation that might arise. I have served as team member, squad leader, assistant team leader, medical liaison and SWAT Commander. I was also responsible for the coordination of specialized equipment and training for the Team.

1974 – 1977 **Police Officer—Town of Palm Beach, FL**

A police officer with the Town of Palm Beach for three years. I served as a patrol officer and narcotics officer, conducting undercover investigations involving illegal drug activity.

American Red Cross

1982 – Present **Board of Directors**

I have been a volunteer with the American Red Cross since 1982. In that time, I have served as Chair of the Health and Safety Committee, Glades Area Advisory Committee, Emergency Services Committee, and Service Delivery Committee, which is my current assignment. I am a member of the Board of Directors for the Greater Palm Beach Area Chapter. As chair of the Glades Area Advisory Committee, I was responsible for the implementation of service delivery for Hendry County, which was identified as a "gap" county with no availability for services. I coordinated several meetings with Hendry County commissioners, administrators, and the emergency management director. I led the effort to develop a disaster plan for Hendry County, and assisted in the implementation of shelter guidelines for that county.

Palm Beach Community College

1984 – 2010 **Adjunct Instructor**

I taught Political Science and First Aid courses for credit and also taught in the Criminal Justice recruit academies. I also teach advanced programs in instructor techniques and medical emergencies. I am certified through Criminal Justice Standards and Training as an instructor in general topics and as a high liability instructor in the areas of Defensive Tactics, Pursuit Driving, Firearms, Medical Emergencies, and Human Diversity.

Law Enforcement Assistance Foundation

1990 – Present **Board of Directors**

LEAF assists law enforcement officers that are seriously injured in the line of duty in Palm Beach County. This includes federal, state and local Police Officers. Recently the LEAF Board recognized that Reserve Officers and Community Service Aides who are involved in police activities are also subject to many of the dangers of certified police officers. The LEAF Board adopted policies that now cover these law enforcement

employees. LEAF also gives grants to officers that suffer a catastrophic injury while off duty. Our major fundraising activity is the annual LEAF golf tournament. We have been assisted in our efforts by Donald Trump, Greg Norman, Nick Price, the Palm Beach County Commission, Palm Beach County PBA, Fraternal Order of Police and many other community and political leaders. LEAF is endorsed by every law enforcement agency in Palm Beach County and has been recognized by the Governors. I have volunteered at many fundraising projects and currently am a member of the Board of Directors.

Adjunct Instructor at Large

1992 - 2010

Utilizing training and experience gained while assigned to the Bureau of Training and as a member of the Special Response Team, I am called periodically to teach courses in tactics, management, firearms, medical emergencies, and incident command systems by several independent organizations, including the American Society of Law Enforcement Trainers (ASLET), International Association of Law Enforcement Firearms Instructors (IALEFI), National Tactical Officers Association (NTOA), and the Casualty Care Research Center, a part of the Department of Homeland Security, among others.

Village of Royal Palm Beach

2014 – Present

Commissioner—Planning and Zoning Commission

As a resident of the Village of Royal Palm Beach, I was appointed to serve as a volunteer on the Planning and Zoning Commission.

Extended Arm

2014 – Present

Board of Directors

Extended Arm is a 501 (c) (3) charity to bring hope to the hopeless, to seek out and reach the addicted, homeless and lost in our neighborhoods, bringing “education that empowers”. Extended Arm is currently reaching out to the community now by feeding, clothing, listening and counseling. I have volunteered at many fundraising projects and currently am a member of the Board of Directors.

SPECIAL ACHIEVEMENTS:

Re: Town Manager
Town of Lake Park
Lake Park, FL 33403

Enclosed is the information packet in response to your advertisement for the aforementioned position. I am a successful senior-level business executive with extensive experience and a proven track record in P&L operations management, sales and marketing, accounting and finance, and management consulting.

During my tenor I served as Director/Vice President, Operations of the Overseas Military Sales Group. This company is still authorized by the US Congress and Department of Defense to sell automobiles to military personnel at military installations throughout the world.

My career also includes successful sales and marketing experience, as a Senior Residential Loan Officer with Washington Mutual Bank(WAMU), at that time the largest savings and loan bank in the US until absorbed by Chase Bank in September of 2008. While with WAMU I produced and serviced over \$1B of mortgage loans and was in the President's Club.

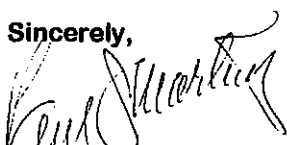

Presently I am a Senior Consultant /Executive of Capital Solutions Plus, Inc, a management consulting firm that assists senior-level executives in resolving core operating issues and securing strategic business financing. Today I have consulted for over 25 companies. Below is a few of my consulting engagements have included;

- Assisting an aircraft manufacturing sub-contractor in securing commercial financing to expand its plant in support of the Lockheed Martin F-135 project.
- Acting as a sales agent for a computer company and successfully selling its hardware and software to targeted Fortune 500 prospects.
- Advising for an innovative global green technology company that designs and installs energy-efficient lighting solutions for the commercial and industrial lighting market.

Today I am a Member of the League of Cities of Palm Beach, which has given me a tremendous insight into the municipality world. In addition, I hold five (5) Florida Licenses which has broadened my knowledge considerably. Also since Lake Park has a Marina, as an interesting note I am a Coast Guard approved sailor, and have practiced raced as a member of the crew with America's Cup personnel.

I look forward to discussing how I can contribute to the Town of Lake Park's future success.

Sincerely,

Paul J. Martin, Jr.

Lake Park, FL 33403

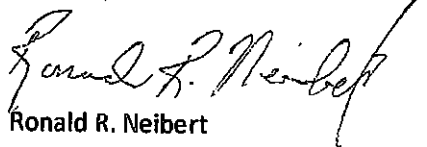

Dear Sir or Madam:

I am responding to the posting for the position of Town Manager of Lake Park, Florida listed on the International City/County Manager's Association website. I have a strong interest in this position and have submitted my resume for consideration.

I am currently serving as City Manager for the City of Mt. Vernon, Illinois. During my tenure with the City and in previous positions, I have had the opportunity to perform all of the job functions indicated in the posted job description. Specific areas of expertise include: economic development, budgeting and finance, labor negotiations, Tax Increment Financing, human resources and comprehensive planning. Given my education and successful experiences, I feel that I can make a positive impact on the Town of Lake Park. My salary expectations for this position are in the amount of approximately \$125,000 per annum.

I would like to thank you for taking the time to review my resume and look forward to speaking with you to discuss the possibility of serving the citizens of Lake Park.

Sincerely,

Ronald R. Neibert

Bambi McKibbon-Turner M.S., HRM, Director
Town of Lake Park Human Resources Department
Lake ParkTown Hall
535 Park Avenue
Lake Park, Florida 33403

Dear Ms. McKibbon-Turner:

I write in support of my application for the position of Town Manager for the Town of Lake Park. Enclosed you will find a copy of my resume and Release of Information and Contact Information Form.

As you can see from a review of my resume, I have enjoyed a career of over thirty-five years operating in high level public sector positions providing economic development expertise, outcome-based management, financial administration, and policy advice in support of organizational objectives. Over that period of time I have developed a reputation as an innovative leader, collaborator, and team builder committed to the goals of performance, integrity, transparency, and accountability.

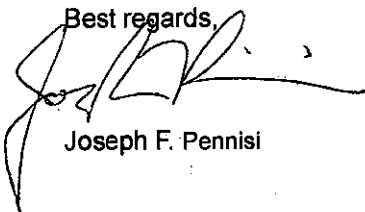

I have been a consensus builder and a communicator, both within my organizations and throughout the communities they have served. I am a creative problem solver, never accepting things as they are when greater effectiveness and efficiency are possible for the organizations I lead. As such, my career has been marked by a number of significant achievements that have seen my level of responsibility in government consistently increase over the years.

I attribute much of my career success to the fine education I received in the undergraduate program in Government at Georgetown University and in the masters degree program in Public Policy at the University of Pennsylvania where much of my coursework was taken in the Wharton School of Finance.

With respect to the position of Town Manager, I bring experience as a Chief Operating Officer during my years with Albany County, New York, housing and economic development experience during my years as Commissioner of Housing and Community Development for the City of Albany and Florida local government experience in my most recent position with Seminole County.

In summary, I am certain that my combination of personal qualities, experience, and expertise will ensure successful performance as Lake Park's next Town Manager. I look forward to working with you during the recruitment process, to a successful consideration of my application, and to embarking on the next stage in my career serving the residents of Lake Park.

Best regards,

Joseph F. Pennisi

Professional Summary:

Senior level executive with diverse experience in governmental finance, budgeting and revenue enhancement; creating effective public and private partnerships; implementing successful economic development projects; capital improvement planning and construction; and developing public education/community outreach programs.

Work History:

Los Alamos Commerce and Development Corporation (4/13 – 7/14) – Served as Executive Director of a multi-faceted, not-for-profit economic development agency responsible for business attraction and retention, job creation and increasing private sector investment for a community of 18,000. Principle activities included overseeing the Los Alamos Chamber of Commerce, Main Street and Creative District programs, operation of two visitor centers, comprehensive business assistance services and managing a diverse real estate portfolio, including the Los Alamos Research Park. Significant accomplishments included:

- Construction of Trinity Place, a 400,000 SF, Kroger-based, multi-tenant retail center
- Attraction of numerous new retailers, including Fusion Sports and UnQuarked, a multi-tenant wine tasting facility
- Creation of the innovative “Virtual Incubator”, in partnership with LANL and other regional entities
- Renegotiation of existing long term debt and lease agreements that resulted in annual savings in excess of \$150,000

Hot Springs Village, Arkansas (12/10 – 10/12) – Served as General Manager for a privately-owned, full-service, gated community consisting of more than 40 square miles and serving a constituency of 34,000 property owners and 15,000 residents; with oversight of a \$33 million operating and capital improvement budget and 550 employees. Significant accomplishments included:

- Reducing the annual operating budget by more than \$3 million by streamlining operations, staff reductions and renegotiating service agreements; reducing amenity subsidies through an increase in user fees; and disposing of assets; all resulting in a
- Developed an inventory of capital assets and a 20-year capital improvements program; and funded the first year, \$7 million CIP
- Implementing comprehensive marketing, community education and outreach efforts, including creation of a new, multi-tenant Visitor Center
- Developed a formal review process and negotiated the community’s first commercial development agreement agreements resulting in two new multi-tenant, mixed-use buildings; and a new 99-unit assisted living facility

Town of Superior, Colorado (3/07 – 10/10) – Served as Town Manager for a young, upscale, suburban municipality in the Denver metropolitan area, with a population of 14,000; responsibilities include oversight of a \$33 million annual operating budget, lean staff and emphasis on providing exceptional community services through third-party vendors and intergovernmental service agreements. Significant accomplishments included:

- Developed and began implementation of an energy self-sufficiency initiative which included conservation, solar and wind components; resulting in the community producing 120 percent of its electrical consumption
- Initiated cooperative library service and code enforcement programs
- Led community visioning process for development of a comprehensive plan for Town Center development; negotiated annexation and development agreements for new residential subdivision; successfully recruited an array of new retail operations, including the Town's first hotel facility (Hilton Garden Inn); and retained Key Equipment Finance, the Town's largest employer

City of Auburn Hills, Michigan (12/04 – 5/06) – Served as City Manager for a fast-growing suburb of Detroit, with a population of 20,400 and a daytime population of 90,000; supervising 14 departments with 189 full-time personnel and a budget of \$69 million. Significant accomplishments included:

- Implemented a multi-faceted economic development program, including retail attraction and business retention components resulting in 1.2M SF of new commercial occupancy, \$350M in new investment and 1500 new jobs; and development of a regional business incubator in partnership with Oakland University
- Developed an array of property maintenance codes and a system for enforcement

Scott Randall & Associates (9/03 – 12/04) – Provided management consulting services to a variety of public and private sector clients. Engagements included interim municipal management, executive recruitment, association management, grant procurement and administration services.

City of Clayton, Missouri (6/97 – 9/03) – Served as City Manager for a progressive, upscale, inner-ring suburb of St. Louis, with a permanent population of 15,900 and a daytime population of 80,000; supervising seven departments with 185 full-time employees and a \$30.1 million budget. Significant accomplishments included:

- Leading the most prolific construction boom in the City's rich history, consisting of more than two million square feet of new commercial development and large scale multi-family dwellings in the central business district, continued reinvestment in high-end residential neighborhoods, and extraordinary institutional expansion; as well as the retention of St. Louis County, Enterprise Rent-a-Car and other commercial businesses within the City
- Initiated a regional (three community) study of cooperative efforts that resulted in more than two dozen intergovernmental agreements, with numerous service enhancements and cost efficiencies; and oversaw the introduction of regional light-rail transit
- Enhanced the City's financial position by introducing its first multi-year financial plan, reducing reliance on property tax, the strategic use of debt, and implementation of two (then) unique revenue enhancements (telecommunications tax on wireless and ROW degradation) all of which resulted in a significant upgrade in the City's bond rating
- Helped implement a multi-faceted public art initiative
- Built a \$20 million, 134,000 square foot, state-of-the-art community recreation center, in cooperation with the local school district.

Village of Inverness, Illinois (1/97 -6/97) – Served as the Interim Village Administrator for an upscale residential community of 6,500 located in the northwest suburbs of Chicago. Responsible for developing the community's first operating and capital improvements budget, communications plan and code enforcement programs; and selection of a permanent Village Administrator.

Village of Streamwood, Illinois (11/92 -12/96) – Served as Village Manager of a fast-growing, full-service community of 33,600, supervising seven departments with 172 full-time employees and a \$27 million budget. Significant accomplishments included:

- Implementing a multi-year financial planning process, re-engineering various municipal services and a long-term CIP which ultimately led to a freeze in local property tax rates and the elimination of all existing debt

- Oversaw an aggressive economic development program including a successful (an unique) retail TIF district; the aggressive annexation of unincorporated property for residential development
- Improved employee relations within a heavily-unionized environment

Village of LaGrange, Illinois (1/88 – 11/92) – Served as Village Manager of a mature, full-service suburban community of 15,300; accountable for six departments with 96 employees and a budget of \$18.2 million.

Principle accomplishments included:

- Initiated a successful economic development program including CBD TIF District, with streetscape, façade renovation and public amenity components; recruiting a myriad of new retailers to the Village; and an aggressive retention program for commercial and industrial operators
- Upgraded all municipal facilities, including construction of a new public safety facility
- Improved the budgetary and financial management systems by introducing a multi-year budget; elimination of one operating department and the merge of two others; reduction in number of employees; all resulting in stabilizing local property taxes, the elimination of all short-term debt and funding an aggressive CIP with funds on-hand.

Town of Normal, Illinois (6/84 – 1/88) – Served as Assistant City Manager, responsible for Town-wide administration including oversight of seven departments. In addition, assumed responsibility for economic development, community relations, risk management and labor relations. Significant accomplishments included:

- The successful recruitment of Diamond Star Motors, resulting in more than \$1B in new investment, construction of a 2M SF facility and 2900 jobs; and numerous ancillary developments
- Creation of the Municipal Insurance Cooperative (MICA), a multi-government self-insurance pool

City of Portage, Michigan (2/83-6/84) – Served as Assistant to the City Manager; responsible for general management, grant procurement, public information and special projects.

City of South Haven, Michigan (1/81-2/83) – Served as Director of Community Development; responsible for all economic development and community development activities including central business district revitalization, industrial park development and the administration of various state and federal grant programs.

Western Illinois Regional Council (7/78 – 1/81) – Served as Manager of Community Services, supervising a staff of seven and responsible for all local government technical assistance activities including planning, grantsmanship and grant implementation.

Dear Sirs:

It is my desire to apply for the position of Town Manager as advertised on the ICMA website.

An updated resume has been included for your reference. Hopefully it would answer any questions that you might have about my background. If not, please feel free to contact me at my residence at 712-943-9747.

I believe that I am the candidate who possesses the skill-set to be successful as the Town Manager. I have a number of qualities which makes me uniquely qualified for this position. Through my career, I have developed the ability to be a well prepared leader of the community. I have a skill-set which makes me both positive and personable. I am a Team-Player who will work well with the City Council and members of the staff. I am an Outstanding Communicator, Strategic Thinker and a Skilled Facilitator. I am fiscally conservative, exercise sound judgment, have a high standard of integrity and am committed to the organization. I adhere to the Total Quality Management approach to organizations. I have a good educational background which allows me to critically look at alternatives, and the maturity to evaluate and make wise choices. I am also a change agent who is always looking for new ways to solve problems and provide services. I take my role as public servant very seriously and do my best to lead by example. Finally, I have experience working in a growing suburb of the metropolitan Des Moines area. During this tenure, I had extensive involvement in annexation, TIF districts and infrastructure development.

One of my strong suits is financial management. Over the last six and one half years, I have been involved in budget cutbacks by the City of Hibbing. One half of their budget comes from Local Government Aide (LGA) and the State of Minnesota has been struggling to balance their budget. We have had an informal hiring freeze for over four years. Departmental budgets are in a continual review process. The State of Minnesota was proposing a reduction of \$1.3 million in the 2012 Budget. I have also managed a

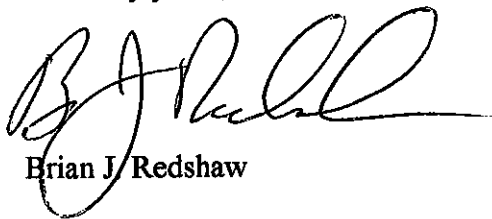

municipal gas utility in Waukee IA which was financially in trouble in 1980. Two large rate increases were implemented and I had the resolve to bring the City through the crisis even though the solution was not well received by the citizens. Over the last eighteen months, we have implemented SCADA systems for the water and electric systems in Sergeant Bluff. We have also implemented GPS system coordinating all of our mapping data. An upgrade to the remote meter reading system was also made. Over the last eighteen months, we have implemented SCADA systems for the water and electric systems in Sergeant Bluff. We have also implemented GPS system coordinating all of our mapping data. An upgrade to the remote meter reading system was also made. I have shown myself to be very successful in implementing change and handling a dynamic environment which has been essential in dealing with the natural gas and electric industries. I have been able to handle people well whether they are citizens, council members or employees.

My salary history information is as follows: FY 79-80 \$16,000; FY 93-94 \$37,631; FY 95-98 \$40,000 to \$49,200; FY 99-04 \$50,000 to \$57,000; and FY 05-11 \$74,000 to \$84,468 plus \$5000 car allowance and FY12-14 \$82,500 to \$87,500 plus \$4200 car allowance.

I have eight professional references for your use: Donald L. Bailey, Jr., former Mayor of Waukee IA, 515-987-1114; Frank Bigelow, Hibbing City Council, 218-262-1622; Tim Harkonen, Hibbing City Council, 218-263-8127; Carol F. Koble, former Syracuse Town Councilman, 574-457-2064; Tom Perzanowski, former Syracuse Town Marshal, 321-693-3156; Floyd W. Rosenkranz, former Mayor of Waukee IA, 940-482-1913; Jon Winkel, Mayor of Sergeant Bluff IA, 712-333-5539 and Jeff Young, former City Clerk of Hibbing MN, 218-969-8966.

I would gladly answer any questions that you might have in the future. If any other documents are necessary, please let me know and I can fax them to you.

Sincerely yours,

Brian J. Redshaw

Human Resources Department
Lake Park Town Hall
535 Park Avenue
Lake Park, Florida 33403

Dear Sir or Madam:

I am submitting my name for consideration as Town Manager for the Town of Lake Park, Florida. I have completed an assignment as the Interim City Manager and Director of Planning and Development for the City of Newburgh. My duties entailed:

- Identification of new sources of revenue and department self-efficiency for three departments in preparing and successful passage of \$42,172,589 FY 14 City Budget
- Development of a new policy for distributing city-owned parcels for economic and redevelopment initiatives
- Providing direction in labor negotiations and analyzing potential realignment of city departments
- Administered Asset Management of capital resources and programs in conjunction with capital improvements including water, sewer and transportation
- Designs economic development policies and plans in commercial, industrial, residential and retail development

In addition, I managed departments and agencies for local and state governments in four states and worked in short segments as Acting City Manager. I have state legislative experience as Executive Director of the African American Affairs Commission in lobbying for legislation and programs to enhance the lives of African – Americans in Connecticut.

I am also the President of The Slaughter Group, a consulting firm that works with adaptive reuse, business and residential development, contract submissions and parking projects. I work with clients on retail recruitment, landlord assistance in tenant identification and leasing for office, manufacturing and warehouse properties. In addition, I served as Director of Land Use Advocacy for Scenic Hudson, Inc which advocated for sound waterfront planning and sustainability along the Hudson River. I coordinated the production of *Revitalizing Hudson Riverfronts "Illustrated Conservation and Development Strategies for Creating Healthy, Prosperous Communities"* handbook.

As Director of Policy, Planning and Development for the City of East Orange, my duties included management of planning projects, zoning approvals, housing development, rehabilitation projects and economic development. I was responsible for ten redevelopment projects, totaling \$ 1.2 billion with seven completed projects during my tenure. One project was the Cicely Tyson School of Performing and Fine Arts, which included a K-12 facility and performing arts center totaling \$144.0 million. I provided redevelopment advice to the Mayor and received a commendation for East Orange's fiscal and economic revitalization from the New Jersey Legislature.

The management of staff has range from 4 to my previous responsibility of 256 employees. I created Management Development Associates, Inc and worked with the Martin Luther King Drive Neighborhood Development Corporation in Jersey City, NJ. This project was a journey from conceptual ideas to construction management over a ten-year period. Our work was recognized and I was a recipient of the Paul Davidoff Award for "Advocacy Planning" from the American Planning Association.

RE: Employment - Town Manager

Thank you for considering me for the position of Town Manager.

I have been involved in local government since 1988 when I began my career with the Lancaster County Planning Commission as a Planning Technician. Over the years, I have learned the importance of quality leadership in creating a strong community. This inspired me to complete my senior thesis for my master's degree on the importance of leadership for creating a strong and sustainable community in 2009 (Temple University).

I had the privilege of living and working nine years in Amsterdam, Netherlands, a major international city. While there, I was able to apply my planning degree in my work for a non-profit multi-national organization in a multi-cultural city. Through this experience, I learned the value and impact of good planning, leadership, and working with many cultures in order to develop an incredible sense of place. I have been able to apply this knowledge and experience to my jobs since returning to the U.S.

I like working in a teams as both a team member and as well as in a leadership role. I have strong skills in communication, delegation, coordination, and in seeing a project through to completion. I am involved in several committees and groups here in Lancaster and throughout the State.

My fiancé and I are looking to relocate to Florida to be closer to family.

I would like the opportunity to talk with you and discuss this position and my qualifications. My email address is MStivers153@gmail.com and my phone number is 717.468.0415.

Sincerely,

EMPLOYMENT

BOROUGH MANAGER

May 2013 – Present

Manheim Borough (Pop 4,800)

Lancaster, PA

As Borough Manager, my responsibilities include the day-to-day operations of Manheim Borough. This includes the preparation of the annual budget and fiscal management, overseeing staff and departments, including public works, to ensure projects and goals are completed. I am responsible for the hiring, evaluating, and discharging of staff in accordance with written policies and applicable laws. I supervise the administration of borough personnel policies and benefit programs and maintain a working relationship with area leaders including the Chief of Police, and adjacent municipal officials. I prepare and propose short term and long term goals and objectives for consideration by Borough Council including police department contract negotiations, tax revenue evaluations, FEMA flood risk management, resolutions, and redevelopment plans. I represent the Borough in contacts with Federal, State, County, and local governments and prepare information and reports for use by Council in their decision making. I work with local media outlets and community organizations to keep the public informed and promote cooperation with Borough activities and plans—as well as meeting with local business owners and managers to determine their needs and goals.

DIRECTOR OF PLANNING & DEVELOPMENT

March 2007 – May 2013

East Hempfield Township (Pop 24,000)

Lancaster, PA

As Director of Planning and Development, my responsibilities included the management of department that consisted of planning, zoning, stormwater management, and building codes. My responsibilities included overseeing the department budget; supervising staff that consisted of zoning and development personnel, and building code inspection. I was responsible for staff evaluations and discipline—as well as providing staff support for the Board of Supervisors, Planning Commission, and Zoning Hearing Board; and assisting the public and developers in coordination of projects. I trained for storm water inspection to be certified to inspect stormwater facilities for compliance with MS4 criteria as well as initiated a mapping system for MS4 facility location and recording. I prepared reports, documents, and other information for use by the Supervisors in making decisions. I instituted and launched a document management system for the Township utilizing DocStar.

SENIOR COMMUNITY PLANNER

1992 – 1994 & July 2003 – March 2007

Lancaster County Planning Commission

Lancaster, PA

As a senior community planner, I was responsible for the administration of the County subdivision and land development ordinance administration, coordination and development of multi-municipal comprehensive plans, grant applications, and infrastructure planning. I also provide individualized training for municipal officials including planning commission, zoning hearing board (board of adjustments), and governing body.

CHRISTIAN MISSIONARY

September 1994 – June 2003

Youth With A Mission (YWAM)

Amsterdam, The Netherlands

YWAM is an international, interdenominational Christian missionary organization. I served as faculty for the University of the Nations leading and teaching in missionary training schools and counseling schools

for young adults from many nations. During this tenure, I visited teams in different nations to provide support and help with team dynamics and worked with the homeless and needy in the city. I served as a member of the leadership team which led an international staff of over 50 supervised the accounting department, and prepared budgets. I organized programs and ministry opportunities for 10-day to eight-week outreaches for 20 to 200 people taught on schools that are associated the University of the Nations, worked with the city, area churches, and other organizations to serve and reach out to the homeless in the city, and traveled to and worked in 12 different countries. I also provided technical support including managing the computer network and running a commercial kitchen.

TRANSPORTATION/ENVIRONMENTAL PLANNER

1989 - 1992

Herbert, Rowland, & Grubic and the Lancaster County Planning Commission

Lancaster & Harrisburg, PA

My responsibilities included transportation data collection and analysis, public presentations, writing reports, reviewing plans for ordinance compliance, analyzing intersections, environmental data collection and development of environmental impact statements. I worked developing the foundation for the County transportation model. I served as staff for the County MPO preparing reports for their information and action.

EDUCATION

Masters of Science – Community and Regional Planning
Temple University

2005 – 2010
Harrisburg & Ambler, PA

Bachelor of Arts degree – Geo-Environmental Studies
Shippensburg University

1984 – 1987
Shippensburg, PA

SKILLS and EXPERIENCE

I serve on the following State, regional and County committees: the Board of the Manheim Chamber of Commerce, the Board of the Manheim Area Economic Development Corporation, the Penn Township Industrial Development Authority, the Transportation Technical Advisory Committee the Bicycle/Pedestrian Advisory Committee; the Lancaster County TIP Update Subcommittee, the Lancaster County Long Range Transportation Plan Subcommittee. I have also served on the PSATS (Pennsylvania State Association of Township Supervisors) MS4 Subcommittee; and the Lancaster County Housing Affordability Task Force. I have also had the opportunity to present planning related information as a guest teacher at Millersville University and York College.

I have served on the Executive Board of the PA Chapter of the American Planning Association (APA/PA), serving as Treasurer for three years and served on the Annual Conference Committee on three occasions, chairing the program committee twice. I currently serve on the APA/PA Professional Development Committee and Legislative Committee as well as the APA/AICP Student Awards Committee. I am a member of the ICMA, American Planning Association, and the American Institute of Certified Planners. While on the Executive Committee, I represented the Association on such tasks as working with PennDOT to develop “Integrating Transportation & Land Use in Comprehensive Plans Handbook (Pub 688)”, and “Improving the Land Use – Transportation Connection through Local Implementation Tools (Pub 662).”

I was certified as an Emergence Medical Technician for over 5 years and served my local community as a volunteer, working with a local ambulance association. I am an Eagle Scout with the Boy Scouts of America.

I am proficient in Microsoft Office including Word, Outlook, Excel, and PowerPoint. I have training and experience using ESRI GIS. I have set up document management systems using DocStar.

I enjoy cooking, music, reading, movies, hiking, camping, bicycling, woodworking, and time with friends and family

Bambi McKibbon-Turner M.S., HRM
Director Human Resources Department
Lake Park Town Hall
535 Park Avenue
Lake Park, Florida 33403

Dear Ms. McKibbon-Turner:

I would like to request your consideration of my qualifications for the position of Town Manager. The published job announcement described a specific set of skills and abilities the Town Commission would like for the incoming manager to possess, and I believe I possess those preferred skills. I hold Master's Degree in Public Administration and a Certified Public Manager designation from Florida State University. My experience encompasses financial management, community redevelopment, human resource management, planning and zoning, public works, code enforcement, enterprise funds and capital projects. My public service career spans more than 18 years. Salary expectation for this position is \$100,000 annually.

I grew up in a farming family of six children and understand the strong commitment to a work ethic required to be successful. My personal management style is one of a strong sense of duty and service to council and community, combined with a deep sense of loyalty to staff. This style of management combined with open and honest dialogue with elected officials, community leaders, civic organizations and city staff has proven successful. I also recognize the importance of community involvement, and am currently involved with Rotary International, Kiwanis, and several local outreach organizations, as well as serving on committees of professional organizations such as Florida City/County Management Association and Florida Association of Code Enforcement.

I believe my municipal experience, formal education and work ethic make me a viable candidate for the City Manager position for the Town of Lake Park. Thank you in advance for your consideration of my qualifications as a possible candidate.

In public service,

To Whom it May Concern:

Attached to this cover letter you will find a copy of my professional resume and Town of Lake Park HR Form as application for the position of Town Manager of Lake Park, Florida.

I believe you will find my experience and background to be well suited for the position that was advertised. I am an ICMA Credentialed local government Manager with over 20 years of experience in local government operations. I have been a City Manager, Assistant City Manager and a Department Head in my career. I also have experience in working with Community Redevelopment Agency's (CRA's) in two different Florida communities. Thus, I understand and fully appreciate the position requirements you are seeking. I have a great deal of experience and strengths in the areas of:

- economic development (especially redevelopment)
- general management/budget/finance and administration
- intergovernmental relations/legislative affairs
- strategic planning and community partnerships
- technology application
- emergency management
- community development/planning/code enforcement
- human resources and related matters
- environmental protection
- communications and public speaking

I am known as a "can do" person with good vision and a reputation for innovation. I am a strong leader and problem solver who can work with a wide variety of elected officials, citizens and organizations on complex issues to achieve positive results. Your advertisement mentioned a person who could collaborate with other organizations and work to establish and maintain open communications with the community. This describes the approach and experience I have had to develop and practice at several points in my career. I truly believe in the power of partnerships and I have worked on several creative partnerships in my career.

I am very familiar with the daily requirements of running a local government in Florida including government in the sunshine, strong internal controls and the need for good fiscal management. My communication and coordination skills have been highly developed after many years of work for both federal agencies and local governments of various size and complexity. I have extensive experience in working with CRA's and have strong skills and experience in the field of economic development. I would be interested in discussing the goals and direction of Lake Park further to see what goals we may share in common. I love Florida and consider myself a native of this beautiful area of the country. It would be my honor to be considered for the position of Town Manager in Lake Park.

In closing, I am also well-known across the State among the Manager's Association because I have served as the President of FCCMA. Many in the profession can attest to my skills and abilities to work with elected officials and citizens given my many years of experience throughout the State. In my most recent employment search, I am not merely looking for the next assignment in my local government career; rather, I am looking for an organization where I can demonstrate professionalism and make a strong contribution to the community and my new home town for many years to come.

I hope you find all the information you need regarding my background and experience. I look forward to hearing from you at your earliest convenience. Should you wish to call me please feel free to call my personal cell phone at 386-846-0687.

Sincerely,

William R. Whitson

Flood Insurance:

What Every Municipal Official Needs to Know About the National Flood Insurance Program and the Community Rating System

GENERAL DESCRIPTION

Will rising flood insurance rates in 2015 swamp the property values in your area or inhibit economic development potential? Learn how changes to the National Flood Insurance Program (NFIP) and new rate increases scheduled for April 2015 could impact your citizens and business community. The NFIP has a Community Rating System (CRS) similar to Insurance Service Office (ISO) ratings for fire insurance. Local governments in Florida can use the CRS to improve ratings by implementing some basic tools. **These initiatives can be put in place no matter where you are in the state.** Be proactive and learn what steps local elected officials can take to be prepared and to encourage business investment in your community.

Speaker: *William R. Whitson*, Managing Director, Local Government Visions, LLC; and *Danny Hinson* CFM, FPDM, Florida Community Rating System Initiative, Mitigation/NFIP, Florida Division of Emergency Management

Participants will have an opportunity to network among themselves for best practices and innovations.

Re: Town Manager- Town of Lake Park, FL

Dear Ms. McKibbon-Turner:

Managing and maintaining any business or government entity is becoming increasingly difficult, cutting expenses yet delivering goods and services to the community with increasing efficiency without compromising integrity or quality is expected by both employees and constituents.

During my tenure as Town Supervisor/Manager, I utilized the philosophy of delivering services to our residents in a cost effective manner without compromising the personal touch or small hometown feel. Working with the County and Village, we came to agreements on many issues to consolidate services, providing substantial cost saving to our taxpayers.

My management style as Village Trustee, Deputy Mayor and Town Supervisor/Manager was to maintain an open door policy with residents and employees. I communicated a vision toward the future, leading to great success in managing the town and village. The most rewarding aspect of my position was the ability to help people by being compassionate and empathetic, as well as making the tough calls when needed and taking action on their behalf.

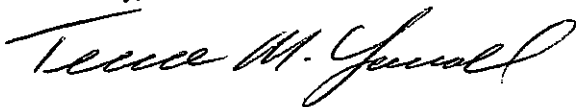

I am sure many of the same issues I dealt with as Town Supervisor/Manager, such as minimal tax increases, controlled growth, historic preservation, infrastructure improvements and delivery of services at an affordable cost to residents are the same issues the Town Manager of Lake Park is dealing with or will be dealing with in the future.

As Town Supervisor/Manager, I established an excellent working relationship with local, state, county and federal elected officials. Together, we enhanced the quality of living and cut costs to our residents.

I will enthusiastically bring the knowledge and insight I have gained over the years from my town and village management experience, as well as business ownership to the Town of Lake Park. I am confident that I will make an excellent addition and bring the necessary management skills to meet the goals and objectives of the Town of Lake Park. A salary of \$120,000.00 plus benefits would be commensurate with my experience.

Lake Park is a wonderful community that my family and I would be proud to be part of. Thank you for reviewing my resume and considering me for this position. I look forward to speaking with you and the Town Commission in greater detail.

Sincerely,

Terence M. Yarnall
